

# SR 78 Glamis OHV Crossing Feasibility Study

Join the Imperial County Transportation Commission (ICTC) for an opportunity to provide input on a potential Off Highway Vehicle (OHV) crossing in the Glamis area!

You shared your vision with us during the first round of outreach, now tell us what you think about the most feasible alternative. We invite you to participate in one of the public meetings scheduled in October. Also, an online input portal will be available between October 8 and November 6, 2020.
