REF: Request for Proposal (RFP) for the Imperial County Transportation Commission (ICTC); IVT MedTrans **ADDENDUM #2**

The following is provided as answers and clarifications to questions from or corrections to this RFP:

- 1. In the RFP on Page 2, the proposal due date is identified as May 10, 2019. Would ICTC consider a two-week extension on the proposal submittal due date?**

ICTC has identified an “Estimated Project Schedule” for this project on page 2 for the RFP. ICTC’s goal is to have the new contracted service start at a reasonable time frame, which we estimate to be Sept. 1, 2019. This is primarily to remain consistent with federal grant funding restrictions and constraints.

As requested, a two week extension for the proposal due date, could conceivably create a “domino effect” and shorten the time left available from the scoring and ranking of the proposals, to the award of contract, to the target of the Sept 1, 2019 service start date.

The “Estimated Project Schedule” allows for seven weeks for the preparation of a proposal which is deemed adequate for this RFP.
