**Date:** March 13, 2019  
**To:** Prospective Respondents  
**From:** Kathi Williams, Procurement Coordinator  
**REF:** Request for Proposal (RFP) for the 2019 Public Transit Fare Analysis  
**ADDENDUM #1**

---

The following is provided as answers to questions from or corrections to this RFP.

**1. Does ICTC track fares paid by fare type and fare media/instrument? If so, is this information tracked at the route level for all of the services provided by ICTC?**

*ICTC and its contracted operator, First Transit Inc., does track the fare type utilized per route and day. While advance ticket sales are tracked, we do not track the amounts of tickets actually utilized per route and per day.*

**2. Can you provide a list of all locations that have ever sold fare media for ICTC's services (including IV Transit, IVT RIDE, etc.) of any type?**

*There currently are five City Halls/Finance Dept.; Brawley, Calipatria, Westmorland, El Centro and Holtville, one Chamber of Commerce; Holtville and one social service agency County Area Agency on Aging, that sell fare media for the public transit services. This is in addition to the bus operations yard at 792 E. Ross Rd in El Centro.*

**3. Page 6, Section VI.A.1. states that "the proposal shall be limited to 100 double-sided pages". Does this mean 50 sheets of paper double-sided or 100 sheets of paper double-sided?**

*This means 100 sheets of paper, double-sided*
