Financial Report of the
Transit Planning and Programs Management Fund
June 30, 2018 and 2017
# Imperial County Transportation Commission

Financial Report of the Transit Planning and Programs Management Fund

June 30, 2018 and 2017

## Table of Contents

### Independent Auditors' Report

- Financial Statements
  - Statements of Net Position
  - Statements of Revenues, Expenses and Changes in Net Position
  - Statements of Cash Flows
  - Notes to Financial Statements

### Supplementary Information

- Schedule I – State Transit Revenues
- Schedule II – Federal Grant Revenues
- Schedule III – ICTC Reimbursements Revenues
- Schedule IV – Purchased Transportation Services
- Schedule V – Professional Services
- Schedule VI – General Administration
- Schedule VII – Capital Project Expenses

### Single Audit Section

- Independent Auditors’ Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards
- Independent Auditors’ Report on Compliance For Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance
- Schedule of Expenditures of Federal Awards
- Notes to Schedule of Expenditures of Federal Awards
- Schedule of Findings and Questioned Costs
  - I. Summary of Auditors’ Results
  - II. Financial Statement Findings
  - III. Federal Awards Findings and Questioned Costs
- Summary Schedule of Prior Audit Findings
INDEPENDENT AUDITORS’ REPORT

To the Commission Board Members
County of Imperial, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Transit Planning and Programs Management fund of the Imperial County Transportation Commission as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting polices used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Transit Planning and Programs Management fund of the Imperial County Transportation Commission as of June 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Emphasis of Matter

As discussed in Note 1, the financial statements present only the Transit Planning and Programs Management fund and do not purport to, and do not, present fairly the financial position of Imperial County Transportation Commission as of June 30, 2018, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated July 2, 2019, on our consideration of the Imperial County Transportation Commission Management's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, the Transportation Development Act (TDA) Statutes and California Codes of Regulation (CCR) and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Imperial County Transportation Commission's internal control over financial reporting and compliance as it relates to the Transit Planning and Programs Management Fund.

San Diego, California
July 2, 2019
### ASSETS

#### Current Assets:
- Cash and investments: $8,466,302
- Grants receivable: $1,341,188
- Due from other funds: $26,705
- Due from other governments: $1,856,739
- Interest receivable: $23,017

#### Total Current Assets: $11,687,246

#### Noncurrent Assets:
- Capital assets being depreciated: $10,856,440
- Accumulated depreciation: $(3,325,019)

The Notes to the Financial Statements are an integral part of these statements
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Transit Planning and Programs Management Fund (Transit Fund) of the Imperial County Transportation Commission (ICTC) was established in order administer the various transit programs, grants and services provided either in house or under contract with various providers. The program receives various state and federal grants including the Federal Transportation Administration (FTA) Sections 5307, 5310 and 5311. The specific federal funds received are programmed to be utilized for operational costs of Imperial Valley Transit (IVT), the IVT Blue, Green and Gold Lines, MedTrans and IVT ACCESS, the ADA paratransit system and the Mobility Coordination program.

The financial statements are intended to reflect the financial position and changes in financial position of the Transit Fund of ICTC only. Accordingly, the financial statements do not purport to, and do not, present fairly the financial position of ICTC, as of June 30, 2018, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The FTA Section 5307 and 5311 funds are not accessed until a scope of work is approved. The FTA Section 5307 and 5311 grants are developed based on estimates for each fiscal year, which are not available until October of each year.

B. Basis of Accounting

Governmental Fund Financial Statements

Fund Accounting

The accounts of ICTC are organized on the basis of funds. A fund is defined as an independent fiscal and accounting entity wherein operations of each fund are accounted for in a separate set of self-balancing accounts that record resources, related benefits, and equity, segregated for the purpose of carrying out specific activities. ICTC accounts for the Transit Fund activities in a proprietary fund using the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

C. Cash and Investments

The County of Imperial’s Auditor-Controller’s office acts as a trustee for the funds received and disbursed. Cash and investments are held in the County investment pool to facilitate cash management and maximize investment opportunities and yields. Investment income resulting from this pooling is allocated to the respective funds including the Transit fund average cash balance. The investment policies and the risks related to cash and investments, applicable to the Transit fund, are those of the County investment pool and are disclosed in the County’s basic financial statements. The County’s basic financial statements can be obtained at the County Administrative Office.
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Cash and Investments (Continued)

The Transit fund’s cash and investments are reported at fair value. The fair value measurements are based on the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The Transit fund’s deposits and withdrawals in the County Investment Pool are made on the basis of $1 and not fair value. Accordingly, the RPP fund’s investment in the County Investment Pool is measured based on uncategorized inputs not defined as Level 1, Level 2, or Level 3.

For purposes of the statement of cash flows, ICTC considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

E. Net Position

Net position is composed reported according to the following classifications: Net investment in capital assets, restricted, and unrestricted.

Restricted net position fund balance represents amounts that can be spent only for specific purposes because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, ICTC considers unrestricted funds to have been spent first.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

F. Prior-Year Data

Selected information regarding the prior year has been included in the accompanying financial statements. This information has been included for comparison purposes only and does not represent a complete presentation in accordance with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Transit Fund’s prior year financial statements, from which this selected financial data was derived.

NOTE 2 – FEDERAL GRANTS RECEIVABLE

During fiscal years ended June 30, 2018 and 2017 there was an amount of $1,126,811 and $2,609,924, respectively, to recognize the Federal Grant revenues accrued for the year that were received in the subsequent year.

NOTE 3 – CAPITAL ASSETS

During fiscal years ended June 30, 2018 and 2017 capital assets of $7,540,557 and $8,098,616, respectively, were reported which is the total fixed assets less accumulated depreciation and represents the total net investment in fixed assets.

NOTE 4 – ACCOUNTS PAYABLE

During fiscal years ended June 30, 2018 and 2017 there was an amount of $633,619 and $612,569, respectively, to recognize operational expenses for the year that were paid in the following fiscal year.
NOTE 5 – FEDERAL TRANSIT FORMULA GRANTS

The following consists of the Activity of the U.S. Department of Transportation Federal Transit Grant (Urbanized Area Formula Program - Federal Grant 5307, Rural Area Formula Program - Federal Grant 5311, Enhanced Mobility of Seniors and Individuals with Disabilities - Federal Grant 5310 and Congestion Mitigation and Air Quality Improvement Program - CMAQ):

INDEPENDENT AUDITORS’ REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Commission Board Members
County of Imperial, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Transit Planning and Programs Management fund of the Imperial County Transportation Commission as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Transit Planning and Programs Management fund of the Imperial County Transportation Commission’s financial statements, and have issued our report thereon dated July 2, 2019.

Internal Control Over Financial Reporting

In planning and performing our audits of the financial statements, we considered the Imperial County Transportation Commission’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Imperial County Transportation Commission’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Imperial County Transportation Commission’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of finding and response as item 2018-001 that we consider to be a significant deficiency.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Transit Planning and Programs Management fund of the Imperial County Transportation Commission’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, the Transportation Development Act (TDA) Statutes and the California Code of Regulation Section 6667, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Management’s Response to Findings

Imperial County Transportation Commission’s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Imperial County Transportation Commission’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Imperial County Transportation Commission’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Imperial County Transportation Commission’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Diego, California
July 2, 2019
INDEPENDENT AUDITORS’ REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Commission Board Members
County of Imperial, California

Report on Compliance for Each Major Federal Program

We have audited the Imperial County Transportation Commission’s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the Imperial County Transportation Commission’s major federal programs for the year ended June 30, 2018. The Imperial County Transportation Commission’s major federal programs are identified in the summary of auditors’ results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, contracts, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of the Imperial County Transportation Commission’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Imperial County Transportation Commission’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Imperial County Transportation Commission’s compliance.
Opinion on Each Major Federal Program

In our opinion, the Imperial County Transportation Commission complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of the Imperial County Transportation Commission is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Imperial County Transportation Commission’s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Imperial County Transportation Commission’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Imperial County Transportation Commission’s Transit Planning and Programs Management fund as of and for the year ended June 30, 2018, and have issued our report thereon dated July 2, 2019, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The expenditures included in the accompanying schedule of expenditures of federal awards were reported on the modified accrual basis of accounting, which is further described in Note 1 to the Imperial County Transportation Commission's fund financial statements. The information in this schedule is presented in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Schedule of Expenditures of Federal Awards

The accompanying schedule of expenditures of federal awards presents the activity of all federal financial assistance programs of the Imperial County Transportation Commission. Federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through the State Department of Transportation, are included in the Schedule. The Schedule was prepared from only the accounts of various grant programs and, therefore, does not represent the financial position or results of operations of the Imperial County Transportation Commission.

Indirect Costs

The Imperial County Transportation Commission did not elect to use the 10% de minimis cost rate.

Dollar threshold used to distinguish between Type A and Type B programs:  $750,000
Auditee qualified as low-risk auditee?  No
II. FINANCIAL STATEMENTS FINDINGS

Finding 2018-001

YEAR-END CUTOFF

Criteria:

In order to fairly present year-end financial statements, management must perform a year-end closing process to accumulate, reconcile, and summarize information for inclusion. The closing process should include the review of balances for proper cutoff.

Condition:

During our audit, we noted the following:

- Certain accounts payable balances had not been accrued and required adjustment.
- Certain accounts receivable balances had not been accrued and required adjustment.
- Certain accounts cash balances were not recorded and required adjustment.

Context:

The condition noted above was identified during testing over various accounts and balances.

Effect:

Adjustments were necessary to fairly present the financial statements.

Cause:

The year-end closing process was not complete.

Recommendation:

We recommend that ICTC enhance its year-end closing process. This can be accomplished through a comprehensive closing checklist. The checklist should list each task, the person responsible for its completion, and the date the task should be completed.

View of Responsible Officials and Planned Corrective Action:

See separate Corrective Action Plan.
III. FEDERAL AWARDS FINDINGS AND QUESTIONED COSTS

None reported.
None reported.
