The **2018 Local Partnership Program** is comprised of formulaic program and competitive programs. In FY2017/2018 total amount available statewide is $200M and distribution is 50/50 for both formulaic and competitive programs. The formulaic program share distributions for the Local Partnership Program were presented at the CTC meeting in December 6-7, 2017. During the meeting the CTC Commission took action and approved the distribution of funds for the formulaic portion, the funding share for Imperial County in FY2017/2018 and in FY2018/2019 is estimated at $538,000. According to the program guidelines and CTC staff, there is one time opportunity to rollover funds to the following fiscal year in order to maximize opportunity to use funds. Project applications for formulaic program are due December 15, 2017 to CTC. For FY2017/2018, no projects were submitted for the formulaic program and funds will be rolled over to FY2018/2019. Applications for the competitive program are due January 30, 2018 to CTC. The following is the link to the 2018 Local Partnership Program guidelines:

### 20) Active Transportation Program (ATP) Augmentation Planning Grant Opportunity:

As a part of Senate Bill (SB) 1, the 2017 Active Transportation Program (ATP) Augmentation is funded from the approximately $200 million allocated from the Road Maintenance and Rehabilitation Account to the ATP in fiscal years 2017-18 and 2018-19. The Road Maintenance and Rehabilitation Account funds are state funds. The CTC has announced ATP Cycle 4 Call for Projects at the state level. The Cycle 4 Call for Projects is expected to include about $440M in ATP funding made up of Federal funding and State SB1 and State Highway Account (SHA) funding. The funding/programming years are expected to include 19/20, 20/21, 21/22 and 22/23 funding years. Applications were due on July 31, 2018. For more information refer to the Caltrans ATP page:

21) **SCAG’s Sustainability Grant Program – Imperial County Regional Climate Action Plan:** ICTC was awarded a SCAG Sustainable Planning Grant to develop a Regional Climate Action Plan. ICTC staff will work in collaboration with SCAG staff to develop and release a request for proposal to select a consultant that will develop the Regional Climate Action Plan. ICTC will serve as the day to day project manager and SCAG staff will serve as the administrative project manager. The goal of the project is to develop a regional framework for addressing Green House Gas (GHG) emissions for a Regional Climate Action Plan that allows each local agency to customize and fit into the context of the community each jurisdiction serves, that can be used at the local level in the development of jurisdiction – specific Climate Action Plans (CAPs). *ICTC has completed the scope of work language in collaboration with SCAG staff and plans to release a request for proposal in fall 2018.*

22) **Westshores Transit Opportunities:** In Preparation for the Short Range Transit Plan, staff is exploring transit connection opportunities with Sunline Transit that serves the Coachella Valley region, and pursuing grant opportunities for interregional transit services to/from Westshores and Coachella. Together we will be pursuing available grant opportunities to provide service connections. Update - On Friday, May 19, 2017, ICTC and IVT RIDE staff held a 2nd transit service outreach at the Imperial Valley Food Bank’s distribution site in Westshores from 7:30 am – 9:30 am. ICTC staff met with SunLine staff in Palm Springs on June 2, 2017 to continue dialogue for potential opportunities. *This area has been listed for review of services in the Short Range Transit Plan.*

23) **California-Baja California Binational Region:** A Fresh Look at Impacts of Border Delays: Building upon previous Caltrans, SANDAG, and ICTC studies, this project will refine the economic models developed to assess economic impacts of delays at the land ports of entry (POEs) between the San Diego and Imperial Counties region and Baja California, Mexico, on the border region economies. It will also estimate greenhouse gas (GHG) emissions of passenger and commercial vehicles due to northbound and southbound border delays at the six California POEs, and propose strategies to reduce GHG emissions at the border region. Lastly, extensive outreach to government agencies, local border communities, and private sector stakeholders was conducted. The study is scheduled to be completed in 2019.

24) **Meetings attended on behalf of ICTC:**
   - July 18, 2018 – Calexico TCP: Stakeholders meeting at ICTC offices
   - July 19, 2018 – Imperial Mexicali Binational Alliance Meeting, City of Mexicali

The following is the California Department of Transportation, District 11 report for the Imperial County Transportation Commission (ICTC) meeting of August 22, 2018:

1. **Project Updates:**

Please see maps at end of report for project level detail.

2. **Construction:**

Interstate 8 (I-8) Continuously Reinforced Concrete Pavement Project (CRCP)

I-8 CRCP Project was divided into five segments with segments 1-3 being complete. The entire project is scheduled for completion in 2019.

Segment 4: This segment is divided into two sections located near El Centro from west of I-8/SR-111 separation to just west of Anderholt Road overcrossing and from east of the East Highline Canal Bridge to west of the I-8/SR-98 separation. This segment began construction on July 10, 2017. The westbound lanes were switched back to their original location on August 1, 2018; meanwhile, Section One will continue under construction until October 2018. On Section Two, westbound traffic will be shifted onto Evan Hewes Highway on August 6, 2018 through the end of 2019.

Segment 5: Located near Winterhaven from west of Ogilby Road overcrossing to west of the I-8/SR-186 separation. This seven-mile segment began construction the week of June 12, 2017. All lanes are opened (with minor temporary closures), and work is expected to be completed by the end of September.

This project is expected to be completed one year ahead of schedule.
Construction (continued):

SR-86/Heber Pedestrian Improvements

This project will construct sidewalks and a bus shelter. Construction on Phase 1 and 2 is complete. Due to issues with high temperatures, Phase 3 will be starting in fall 2018.

3. Traffic Operations:

SR-86/Customs & Border Protection Checkpoint Expansion

Caltrans recently provided a design alternative with cost estimate to ICTC. The design will allow for two lanes for use by CBP under a newly constructed canopy to be placed over SR-86, and two lanes of secondary inspection during peak periods, which should reduce or eliminate queuing of traffic during these time periods. This was approved by the Commission in late 2017.

The consultant met with ICTC, CBP and Caltrans to review the first design submittal on May 8, 2018. AECom will revise the design concept based on inputs from Caltrans and CBP and will submit the preliminary design.

SR-98/Birch Street

Caltrans Highway Operations has placed the order for two new speed feedback signs, and is waiting for a delivery date from the manufacturer. A new Traffic Investigative Report (TIR) was generated to update existing school zone signs, pavement markings and to provide two rectangular rapid flashing beacons at the C.N. Perry Avenue pedestrian crossing.

Signage on I-8 Directing Trucks to SR-7:

The two guide signs to direct trucks to use SR-7 from I-8, located on eastbound I-8 prior to SR-98 and SR-111, and one sign on southbound SR-111 to direct trucks to use east I-8 to south SR-7 were installed in May 2018.

No additional guide signs will be installed on westbound I-8 as there are existing guide signs to direct trucks to use SR-7 for border crossing prior to the I-8/SR-7 connector.

All American Canal Bridge/SR-186

A public hearing was held on February 21, 2018 at the County of Imperial Department of Public Works office in El Centro to place warning signs for weight restrictions.

The BOR has requested that Caltrans investigate constructing a separate structure over the All American Canal. Caltrans has agreed to do a Feasibility study to look at options for a new crossing.
4. **Planning:**

**Calexico Traffic Management Plan**

Caltrans has been awarded a grant from the Federal Highways Administration (FHWA) State Planning & Research funds, with an 80/20 in-kind match by the Imperial County Transportation Commission (ICTC) to fund a $100,000 Traffic Management Plan (TMP) for access to the Calexico West Port of Entry (POE).

This effort will have a two-phase approach. Phase one will address access for opening day traffic conditions. Phase two will provide further analysis and recommendations for potential traffic shifts for the 60-90 day period beyond opening day conditions.

The Calexico West POE is scheduled to be complete in late Summer 2018. Opening of the POE will require the City of Calexico to make necessary improvements to Cesar Chavez Boulevard which will serve as future access to the POE. Caltrans and the City of Calexico will work cooperatively with other local and regional partners to identify other traffic improvements and changes which may be required by changing patterns.

A public outreach event was held on Thursday, June 21, 2018 in the City of Calexico which was well attended by over 100 residents, business owners and local agencies. *The next public outreach will be held on August 23, 2018. Please see attached Public Workshop Flyer at the end of this report.*

Southbound access to the POE switched on Tuesday, July 10, 2018 at 7:00 a.m. *Construction of the northbound facility is scheduled to be complete on September 1, 2018; with northbound access expected to become operational in early September.*
Planning (continued):

Grants Underway:

A Fresh Look at Impacts of Border Delays at CA/BC POEs

In May 2016, the San Diego Association of Governments received two Caltrans grants for a total of $670,000 to study the Effects of Border Wait Times on the Economy and Air Quality/Climate Change Emissions. This is a cooperative effort between SANDAG, ICTC and Caltrans under contract with HDR.

Recent Activities:

Work on the Economic portion of the grant will continue until December 31, 2018.

5. Senate Bill 1 Projects:

Caltrans is currently working on one project in Imperial County as a result of funding received through SB1, with three additional projects set to begin in fall 2018. Those projects are as follows:

- SR-86 Pavement Improvement Project - Construction began July 9
- SR-111 & SR-98 Pavement Overlay - Construction expected to begin September 2018
- I-8, SR-86, SR-98, SR-111, SR-186 Bridges Project - Construction expected to begin September 2018
- SR-98, SR-111 - Construction expected to begin after September 2018

A. Agreement for Professional Financial Auditing Services - FY 2017-18 through FY 2019-20
August 17, 2018

Luis Plancarte, Chairman
Imperial County Transportation Commission
1503 N. Imperial Ave. Suite 104
El Centro, Ca. 92243

SUBJECT: Agreement for Professional Financial Auditing Services - FY 2017-18 through FY 2019-20

Dear Commission Members:

The competitive bid for professional audit services recently concluded. The audit agreement is for work associated with fiscal years FY 2017-18, FY 2018-19 and FY 2019-20.

A proposal review team consisting of SCAG and ICTC staff, and Mr. Josue Mercado, a CPA from JM Consulting Resources scored and ranked the five proposals. The scoring process utilized standard categories including but not limited to: relevant staff experience; audit schedule attainment; methodology; references; and costs.

The audit work involves the agency's multiple financial reports and program audits including:

- The State Controller’s Office Annual Report of Financial Transactions of Transit Operators
- State Controller’s Office Annual Report of Financial Transactions of Regional Transportation Planning Agencies
- Single Audit (for federal funds)
- Program audits to satisfy grant program requirements
- Audit Years two and three; a comprehensive annual agency financial audit (CAFR) - The CAFR is a new product required that was not performed in recent past audits

The following summarizes the estimated total hours, average cost per hour, and total costs for three years for each of the proposals received.

CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND, IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL
For comparison, the expiring contract’s final year allowed a total cost of $69,905.

The Evaluation Committee recommended that a contract be awarded to the firm of Vavrinek, Trine, Day & Co., LLP (VTD). A summary of the more responsive proposal from VTD indicated that:

1. The members of the project team are all CPAs, with experience focused on governmental accounting with several regional transportation planning and peer transit agencies in Southern California, and are familiar with the technical aspects of ICTC’s regulations and transit administrative practices.
2. The project team recently completed a three-year contract with the Local Transportation Authority and are familiar with ICTC staff and accounting practices and software.
3. The project team does not complete corporate or personal taxes, therefore there are no conflicts within the Scope of Work/project schedule.
4. The project team offered value added benefits through their knowledge and association with other similar agencies; including periodic review sessions with ICTC staff on financial reporting, validating and reporting transit related metrics, financial best practices, or a variety of other topics depending on the future needs and interests of ICTC.

The other proposals had shortcomings in one or more areas including but not limited to: a lack of a satisfactory CPA firm peer review, lack of understanding of the various ICTC programs and lack of mention of the required federal single audit report.

The original procurement documents; request for proposal and proposals; and contract exhibits referenced in the contract document are available for review at the ICTC administrative offices by request.

The expense for this project was identified and approved in the ICTC FY 2018-19 OWP and budget (7416001-525090, 7417001-525090, 7577001), approved on June 27, 2018.

The Executive Director forwards this item to the Commission for their review and approval after public comment, if any:

1. Authorize the Chairman to sign the agreement for the ICTC Agreement for Professional Financial Auditing Services effective September 1, 2018, for the audit period FY 2017-18 through FY 2019-20, with the firm of Vavrinek, Trine, Day & Co., LLP:
   A. For the fiscal reporting period of July 1, 2017 through June 30, 2018, the annual not to exceed fee set at $68,200

intended to be and should not be used by anyone other than these specified parties. If

To the fullest extent allowed by law, AUDITOR shall indemnify, hold harmless and defend ICTC and its members, board members, officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees and litigation expenses) that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of AUDITOR, its principals, officers, employees, agents or volunteers in the performance of this Agreement.

B. Other Indemnities. Other than in the performance of professional services, and to the fullest extent allowed by law, AUDITOR shall indemnify, hold harmless and defend ICTC and its members, board members, officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees and litigation expenses) arising or alleged to have arisen directly or indirectly out of performance of this Agreement. AUDITOR's obligations under the preceding sentence shall apply regardless of whether ICTC or any of its members, board members, officers, officials, employees, agents or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages.
caused solely by the gross negligence, or caused by the willful misconduct, of ICTC, or any of its members, board members, officers, officials, employees, agents or volunteers.

C. If AUDITOR should subcontract all or any portion of the services to be performed under this Agreement, AUDITOR shall require each subcontractor to indemnify, hold harmless and defend ICTC and its members, board members, officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraphs.

D. This section shall survive termination or expiration of this Agreement.

7. INSURANCE.

Throughout the life of this Agreement, AUDITOR shall pay for and maintain in full force and effect all policies of insurance required hereunder with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A- VII" in Best's Insurance Rating Guide, or (ii) as may be authorized in writing by ICTC's Executive Director or his/her designee at any time and in his/her sole discretion. The following policies of insurance are required:

(i) COMMERCIAL GENERAL LIABILITY insurance which shall be at least as broad as the most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01 and include insurance for “bodily injury,” “property damage” and “personal and advertising injury” with coverage for premises and operations (including the use of owned and non-owned equipment), products and completed operations, and contractual liability (including, without limitation, indemnity obligations under the Agreement) with limits of liability of not less than the following:

- $2,000,000 per occurrence for bodily injury and property damage
- $1,000,000 per occurrence for personal and advertising injury
- $4,000,000 aggregate for products and completed operations
- $4,000,000 general aggregate

(ii) COMMERCIAL AUTOMOBILE LIABILITY insurance which shall be at least as broad as the most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, and include coverage for all owned, hired, and non-owned
automobiles or other licensed vehicles (Code 1 - Any Auto) with limits of liability of not less
than $2,000,000 per accident for bodily injury and property damage.

(iii) WORKERS' COMPENSATION insurance as required under the California
Labor Code.

(iv) EMPLOYERS' LIABILITY insurance with limits of liability of not less than
$1,000,000 each accident, $1,000,000 disease policy limit and $1,000,000 disease each
employee.

(v) PROFESSIONAL LIABILITY (Errors and Omissions) insurance appropriate
to AUDITOR's profession, with limits of liability of $2,000,000 per claim/occurrence and
$2,000,000 policy aggregate.

In the event AUDITOR purchases an Umbrella or Excess insurance policy(ies) to meet the
minimum limits of insurance set forth above, this insurance policy(ies) shall "follow form" and afford
no less coverage than the primary insurance policy(ies).

AUDITOR shall be responsible for payment of any deductibles contained in any insurance
policies required hereunder and AUDITOR shall also be responsible for payment of any self-insured
retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the
ICTC's Executive Director or his/her designee in his/her sole discretion. At the option of the ICTC's
Executive Director or his/her designee, either (i) the insurer shall reduce or eliminate such
deductibles or self-insured retentions as respects ICTC, its members, board members, officers,
officials, employees and agents; or (ii) AUDITOR shall provide a financial guarantee, satisfactory to
the ICTC's Executive Director or his/her designee in his/her sole discretion, guaranteeing payment of
losses and related investigations, claim administration and defense expenses. At no time shall ICTC
be responsible for the payment of any deductibles or self-insured retentions.

All policies of insurance required hereunder shall be endorsed to provide that the coverage
shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day
written notice has been given to ICTC. Upon issuance by the insurer, broker, or agent of a notice of
cancellation, non-renewal, or reduction in coverage or in limits, AUDITOR shall furnish ICTC with a
new certificate and applicable endorsements for such policy(ies). In the event any policy is due to
expire during the work to be performed for ICTC, AUDITOR shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

The General Liability and Automobile Liability insurance policies shall be written on an occurrence form. The General Liability (including ongoing operations and completed operations) and Automobile Liability insurance policies shall name ICTC, its members, board members, officers, officials, employees and agents as an additional insured. All such policies of insurance shall be endorsed so AUDITOR’s insurance shall be primary and no contribution shall be required of ICTC, its members, board members, officers, officials, employees, agents or volunteers. The coverage(s) shall contain no special limitations on the scope of protection afforded to ICTC, its members, board members, officers, officials, employees and agents. Should AUDITOR maintain insurance with broader coverage and/or limits of liability greater than those shown above, ICTC requires and shall be entitled to the broader coverage and/or the higher limits of liability maintained by AUDITOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to ICTC.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made coverage form:

(i) The retroactive date must be shown, and must be before the effective date of this Agreement or the commencement of work by AUDITOR.

(ii) Insurance must be maintained and evidence of insurance must be provided for at least 5 years after completion of the work or termination of the Agreement, whichever first occurs.

(iii) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement, or work commencement date, AUDITOR must purchase extended reporting period coverage for a minimum of 5 years after completion of the work or termination of the Agreement, whichever first occurs.
(iv) A copy of the claims reporting requirements must be submitted to ICTC for
review.

(v) These requirements shall survive expiration or termination of the Agreement.

AUDITOR shall furnish ICTC with all certificate(s) and applicable endorsements effecting
coverage required hereunder. All certificates and applicable endorsements are to be received and
approved by ICTC’s Executive Director or his/her designee in his/her sole discretion prior to
ICTC’s execution of the Agreement and before work commences. Upon request of ICTC,
AUDITOR shall immediately furnish ICTC with a complete copy of any insurance policy required
under this Agreement, including all endorsements, with said copy certified by the underwriter to be a
true and correct copy of the original policy. This requirement shall survive expiration or termination
of this Agreement.

If at any time during the life of the Agreement or any extension, AUDITOR or any of its
subcontractors fail to maintain any required insurance in full force and effect, all work under this
Agreement shall be discontinued immediately, until notice is received by ICTC that the required
insurance has been restored to full force and effect and that the premiums therefore have been paid
for a period satisfactory to ICTC. Any failure to maintain the required insurance shall be sufficient
cause for ICTC to terminate this Agreement. No action taken by ICTC hereunder shall in any way
relieve AUDITOR of its responsibilities under this Agreement.

The fact that insurance is obtained by AUDITOR shall not be deemed to release or diminish
the liability of AUDITOR, including, without limitation, liability under the indemnity provisions of
this Agreement. The duty to indemnify ICTC shall apply to all claims and liability regardless of
whether any insurance policies are applicable. The policy limits do not act as a limitation upon the
policy limits do not act as a limitation upon the amount of indemnification to be provided by
AUDITOR. Approval or purchase of any insurance contracts or policies shall in no way relieve from
liability nor limit the liability of AUDITOR, its principals, officers, agents, employees, persons under
the supervision of AUDITOR, vendors, suppliers, invitees, subcontractors, or anyone employed
directly or indirectly by any of them.
If AUDITOR should subcontract all or any portion of the services to be performed under this Agreement, AUDITOR shall require each subcontractor to provide insurance protection in favor of ICTC, its members, board members, officers, officials, employees, agents and volunteers in accordance with the terms of each of the preceding paragraphs, except that the subcontractor’s certificates and endorsements shall be on file with AUDITOR and ICTC prior to the commencement of any work by the subcontractor.
