TRANSPORTATION COMMISSION MEETING
AGENDA

WEDNESDAY, JANUARY 25, 2017
6:00 p.m. (or immediately after IVRMA or LTA)

County of Imperial Administration Center
Board of Supervisors Chambers
940 W. Main Street, Second Floor
El Centro, CA 92243

CHAIR: JAMES PREDMORE       VICE CHAIR: DOUG COX

Individuals wishing accessibility accommodations at this meeting, under the Americans with Disabilities Act (ADA), may request such accommodations to aid hearing, visual, or mobility impairment by contacting ICTC offices at (760) 592-4494. Please note that 48 hours advance notice will be necessary to honor your request.

I. CALL TO ORDER AND ROLL CALL

II. EMERGENCY ITEMS
   A. Discussion/Action of emergency items, if necessary.

III. PUBLIC COMMENTS

Any member of the public may address the Commission for a period not to exceed three minutes on any item of interest not on the agenda within the jurisdiction of the Commission. The Commission will listen to all communication, but in compliance with the Brown Act, will not take any action on items that are not on the agenda.

IV. CONSENT CALENDAR

(Executive Director recommends approval of consent calendar items)

A. Approval of ICTC Board Draft Minutes: December 14, 2016 Pages 4-21
B. Receive and File:
   1. ICTC Management Committee Draft Minutes: January 11, 2017
   2. ICTC SSTAC Minutes: December 7, 2016
   3. ICTC TAC Minutes: December 15, 2016
C. Federal Transit Administration (FTA) Title VI Program (2017) for Federal Transit funds Page 23

ICTC Management Committee met on January 11th and forwards this item to the Commission for review and approval after public comment, if any:

1. Approve the Imperial County Transportation Commission Title VI Plan (2017).
V. REPORTS

A. ICTC Executive Director
   • See attached Executive Director Report Page 60
B. Southern California Association of Governments
   • See attached report Page 72
C. California Department of Transportation – District 11
   • See attached report Page 78
D. Commission Member Reports

VI. ACTION CALENDAR

A. Rotation of Chair and Vice-Chair Positions Page 87
   It is requested that the Commission take any appropriate action for the rotation and assignment of the Chair and Vice-Chair positions for 2017.

B. Appointments to the SCAG Community, Economy and Housing Development Committee (CEHD) and the SCAG Energy and Environment Committee Page 89
   It is recommended that the ICTC Commission take the following actions:

   1. Appoint two members of the Commission to sit on the SCAG Energy and Environment Committee (EEC).
   2. Appoint a member of the Commission to sit on the SCAG Community, Economic and Human Development (CEHD) Committee.

C. Appointment of an Alternate Member to the SANDAG Borders Committee Page 92
   It is recommended that the ICTC Commission take the following actions:

   1. Appoint a member of the Commission to sit on the SANDAG Borders Committee as an alternate.

VII. INFORMATIONAL CALENDAR

A. Status of Call For Projects for Article 3, Bicycle and Pedestrian Project Funding for Fiscal Year 2016-17 Page 94

VIII. NEXT MEETING DATE AND PLACE

A. The next meeting of the Imperial County Transportation Commission will be held on Wednesday, February 22, 2017 at 6:00 p.m., at the County of Imperial Board Chambers, at 940 W. Main Street, El Centro, CA.

IX. ADJOURNMENT

A. Motion to adjourn
IV. CONSENT CALENDAR

A. APPROVAL OF BOARD DRAFT MINUTES:
   DECEMBER 14, 2016

B. RECEIVE AND FILE:
   1. ICTC MC MINUTES:
      JANUARY 11, 2017
   2. ICTC SSTAC MINUTES:
      DECEMBER 7, 2016
   3. ICTC TAC MINUTES:
      DECEMBER 15, 2016
IMPERIAL COUNTY TRANSPORTATION COMMISSION
DRAFT MINUTES FOR DECEMBER 14, 2016
6:00 p.m.

VOTING MEMBERS PRESENT:
City of Brawley George Nava
City of El Centro Cheryl Viegas-Walker
City of Westmorland Lawrence Ritchie
City of Holtville James Predmore
City of Imperial Doug Cox
City of Calexico Maritza Hurtado
County of Imperial Jack Terrazas
County of Imperial Ryan Kelley

NON-VOTING MEMBERS PRESENT: Caltrans District 11 Marcelo Peinado

STAFF PRESENT: Mark Baza, Kathi Williams, David Aguirre, Michelle Bastidas, Virginia Mendoza, Vicky Hernandez

OTHERS PRESENT: Marcela Piedra: City of El Centro; Sam Amen: Caltrans; Robert Amparano: City of Imperial, Michele Martinez: SCAG; Hasan Inkrata: SCAG

The following action minutes are listed as they were acted upon by the Imperial County Transportation Commission and as listed on the agenda for the meeting held Wednesday December 14, 2016 together with staff reports and related documents attached thereto and incorporated therein by reference.

I. CALL TO ORDER AND ROLL CALL

Chair Predmore called the Commission meeting to order at 6:03 p.m. Roll call was taken and a quorum was present.

II. EMERGENCY ITEMS

There were none.

III. PUBLIC COMMENTS

Mr. Baza recognized Supervisor Jack Terrazas (County of Imperial) and Mayor Doug Cox (City of Imperial) for their leadership and commitment on the Imperial County Transportation Commission and wished them the best of luck on their retirement.

Mr. Baza introduced SCAG President Ms. Michele Martinez and SCAG Executive Director Hasan Inkrata. He welcomed them to Imperial County and they both expressed pleasure being in Imperial County and were grateful to be present at the ICTC Commission meeting.

IV. CONSENT CALENDAR

A. Approved ICTC Board Draft Minutes: October 26, 2016
B. Received and Filed:
   1. ICTC SSTAC Minutes: October 5, 2016
   2. ICTC SSTAC Minutes: November 2, 2016
   3. ICTC TAC Minutes October 29, 2016
C. 2017 Active Transportation Program (ATP) Project Nomination list

1. Approved the project Nomination List for the Imperial County ‘s 2017 Active Transportation Program (ATP)
2. Approved the award of ATP funds to the Imperial Office of Education’s Project Ride, Walk, Learn project in the amount $224,000.00.
3. Approved the award of ATP funds to the County of Imperial’s Aten Road Class I Bicycle Path Improvements project in the amount of $285,572.
4. Directed staff to submit formal Nomination List to SCAG and proceed with the State/Federal programming and documentation.

D. California Transit Security Grant Program FY 2014-15

1. Approved the attached resolution authorizing the Executive Director or his designee to take any actions necessary on behalf of the ICTC for the purposes of obtaining FY 2014-15 financial assistance provided by the Governor’s Office of Homeland Security under the California Transit Security Grant Program.

A motion was made by Viegas-Walker and seconded by Terrazas to approve consent items A through D, **Motion carried unanimously.**

V. REPORTS

A. ICTC Executive Director

Mr. Baza and staff had the following announcements:

- Mr. Baza stated that Mr. Peinado would be representing Caltrans today.
- Mr. Baza stated that Assemblyman Jim Frazier has introduced a new bill and a funding package for $6 billion to repair and maintain our state and local roads, improve our trade corridors, and support public transit and active transportation. See attached summary and supporting documentation as prepared by the Self Help Counties Coalition (SHCC). Additionally, an urgent provision permanently extends the existing National Environmental Policy Act (NEPA) delegation to Caltrans – this is very critical to our federal-aid funded projects as Caltrans currently assist us in streamlining the review and approval of our local projects, such as projects with CMAQ, RSTP, HSIP, federal earmark funds, etc. If this element is not approved, our local projects may be delayed so significantly that could result in the loss of funds to our region. Attached the agenda was a report about our economy and how it is looking. A meeting has not been set yet but the committee is planning to meet in December or January. Ms. Viegas-Walker asked if all jurisdictions require their Request for Authorization’s (RFAs) to get submitted. Mr. Baza stated that each city should have proper information.
- Mr. Kelley requested that we provide a monthly update to the Commission regarding his request in providing the community of Salton City transportation services to Riverside County.
- A complete list of ICTC updates can be found on Page 30 of the agenda.

B. Southern California Association of Governments (SCAG)

Mr. David Salgado had the following announcements:

- The 7th Annual Southern California Economic Summit was held on Thursday, December 1, 2016. The summit drew over four hundred stakeholders from throughout the state to discuss the state of the region’s economy and learn of key
issues which affect the region. This year’s focus centered on the innovation economy and the key issues that are affecting the region most.

- The City of El Centro had a very successful “Walk and Bike to School” event. The event was coordinated by School Resource Officer Michael Seaman. Officer Seaman was encouraged to have an event in El Centro after attending a SCAG Bicycle Safety Workshop held in El Centro as a part of the “GO Human” Campaign. Many stakeholders were in attendance. The event began at the Lotus Water retention basin where students, parents, teachers, and stakeholders congregated and were escorted to Sunflower Elementary School by the many stakeholders who were in attendance. Some of the stakeholders who participated included the El Centro Police Department, U.S. Marshalls Service, Imperial County Sheriffs and Probation, Imperial County Public Health, Customs and Border protection, ICE, Imperial County Fire, El Centro Fire, and El Centro Elementary School District. REACH Air Ambulance also landed their chopper at the school. Ms. Walker-Viegas commended Mr. Salgado on his services. Stated it was a great opportunity to talk to parents on the walk to school.

- SCAG was able to hold a workshop at the SCAG/ICTC offices regarding Affordable Housing Sustainable Community (AHSC) Capacity Building on Thursday, December 8, 2016 in order to build capacity for future potential AHSC grant opportunities in the Imperial County region. SCAG was able to have a consultant team, as well as a representative from the Strategic Growth Council (SGC) and SCAG staff, provide a comprehensive overview and review of potential project concepts for future AHSC opportunities. The workshop was very well attended and participants were able to provide valuable feedback to the SGC representative and SCAG staff regarding potential projects and unique challenges the region faces. Future prospects include more workshops and possible creation of a working group in order to continue dialogue.

- A SCAG report can be found on page 34.

C. California Department of Transportation (Caltrans)

- Mr. Peinado stated that a full report of Caltrans updates can be found on page 36 of the agenda.

- The I-8 CRCP Project is underway.
  - Segment 1, is near El Centro from 0.6 mile west of Anderholt Road overcrossing to 0.5 mile east of the East Highline Canal Bridge. It was awarded to Coffman Specialties, Inc. on November 18, 2015. Construction began the first week of February 2016 and completed early 2018. Both westbound and eastbound I-8 traffic are using the newly constructed eastbound side of the freeway.
  - Segment 2, which is located 26 miles east of El Centro from 0.8 mile west of SR-98/I-8 separation to 0.6 mile east of the All American Canal, was awarded to Coffman Specialties, Inc., on December 15, 2015. Construction began in early March 2016 and is scheduled to be complete in early 2019. Westbound traffic was been detoured on to Evans Hewes Highway from west of SR-98 to east of Gordons Well Road. Eastbound traffic has been diverted to the westbound lanes of I-8.
  - Segment 3, near Winterhaven from 0.7 mile west of the SR-186/I-8 separation to 0.3 mile east of Fourth Avenue overcrossing, was awarded to Security Paving Company, Inc., on December 22, 2015. Construction began mid-March 2016 and is scheduled to be completed in early 2018.

- The remaining two segments were advertised in November 2016 and are scheduled to being construction in April 2017. These two segments are:
  - Segment 4, near El Centro from 0.6 mile west of I-8/SR-111 separation to 0.6 mile west of Anderholt Road overcrossing and from 0.5 mile east of the East Highline Canal Bridge to 0.8 mile west of I-8/SR-98 separation.
Segment 5, near Winterhaven from 0.7 mile west of Ogilby Road overcrossing to 0.7 west
- The SR-98 / Cesar Chavez Widening Project was awarded in December and is scheduled to begin construction in Spring 2017.
- The El Centro Maintenance station is near completion.

D. Commission Member Reports
- Mr. Cox stated that the downtown improvements near Worthington Square are complete. He also stated that the Christmas parade was a success with 85-90 entries. New city council will be sworn at their next meeting. Mr. Kelley congratulated Mr. Robert Amparano.
- Ms. Hurtado stated that she is pleased with the new city council and is hopeful for the city in the New Year.
- Mr. Ritchie stated the Honey Festival was a success.
- Mr. Terrazas thanked everyone for their assistance throughout the years. He also stated that it’s been fun being on the ICTC/LTA Board. He thanked Mr. Baza including staff and Caltrans for everything. He stated that is was a pleasure to serve the community.
- Mr. Nava thanked Mr. Terrazas and Mr. Cox for their dedication and hard work for the region.
- Mr. Viegas-Walker introduced Marcela Piedra, new Deputy City Manager. Also, City of El Centro named Alex Cardenas the new Mayor of El Centro and Cheryl Viegas-Walker the Mayor Pro-Tem. Ms. Viegas-Walker stated she went to CalCog with Mark on November 14, 2016. She also stated that she participated on a tour today which stopped by the Salton Sea. Mr. Ikhrata and Ms. Martinez from SCAG also went on the tour.
- Mr. Predmore thanked Jack Terrazas and Doug Cox.

VII. ACTION CALENDAR

A. Funding Request from the City of El Centro to provide added Security at the El Centro Bus Transfer Terminal on 7th and State Streets

Ms. Williams stated that the City of El Centro requested for funding assistance from ICTC to address safety concerns at the transfer terminal on 7th and State streets. The request was presented to the Commission in October, for $90,000.00 for a one-year period and would be used to hire for security staffing.

ICTC Staff recognizes the need to address the ongoing issues the City has had with the overall security at the transfer terminal. Many of our Imperial Valley Transit (IVT) bus passengers have expressed that they are not comfortable using the transfer terminal and its restrooms due to excessive loitering, vandalism, the appearance of drug use/transactions and other violent crimes that have occurred.

The Commission met on October 26th and took the following actions:

1. Direct ICTC Staff to research funding sources in the amount of $90,000.00 to assist the City of El Centro in providing added security at the Bus Transfer Terminal on 7th and State Streets.
2. If funding is found available, direct staff to begin coordination with the City of El Centro to develop a fund transfer agreement and parameters of proposed armed security services for consideration to be approved by the Commission and the City.
ICTC staff have researched funding sources and are presenting the following for further direction/action.

Option A: Funding is available through the Local Transportation Authority 2% for Regional Transit. The LTA Board would need to take action on the funding request and a Memorandum of Understanding (MOU) would need to be created to address liability for the use of funds. In addition, the MOU would need to state that the funds would be treated as reimbursement to the City, after the submittal of documentation.

Option B: Funding is also available from the State Transportation Development Act (TDA) through Article 8c, if there is a contract between the City and a security company, or reimbursement is needed for police department expenses. A Memorandum of Understanding (MOU) would also need to be created to address liability for the use of funds. In addition, the MOU would need to state that the funds would be treated as reimbursement to the City, after the submittal of documentation.

ICTC staff recommended the use of LTA funds as described in Option A. The LTA 2% Regional Transit funds are available and eligible as it is proposed to provide needed security support for our IVT regional transit terminal and operations in the City of El Centro. In addition, the LTA funds are locally controlled and not subject to as many administrative burdens as the TDA funds in Option B.

Ms. Piedra reiterated that the funds requested would more than likely alleviate some of the issues at the transfer terminal. Due to the lack of funding the Police department cannot provide the level of service necessary and therefore looking to hire a private security company. Further discussion continued where Ms. Piedra addressed the safety concerns the City has been dealing with.

It was requested that the ICTC Management Committee forward this item to the Commission for their review and approval after public comment, if any:

1. Directed Staff to forward the request from the City of El Centro in an amount up to $90,000.00 to assist the City of El Centro in providing daily security at the Bus Transfer Terminal on 7th and State Streets, to the Board of the Local Transportation Authority (LTA) as a one-year demonstration.

A Motion was made by Nava, seconded by Cox, with 1 opposed (Ryan Kelly) Motion Carried.

B. Unmet Transit Needs Public Hearing - for Fiscal Year 2017-18

The Commission directed staff to set the FY 2017-18 Unmet Transit Needs Public Hearing for February 9, 2017 at 3:00PM. The hearing will take place at the IID Board Chambers in El Centro.

It was requested that ICTC Management Committee forward this item to the Commission for review and approval after public comment, if any:

1. Appointed the Unmet Transit Needs Hearing Panel: Cities of Cities of Brawley, El Centro Calexico and the County of Imperial. Alternates include the Cities of Holtville and Westmorland.
2. Selected a Public Hearing date of February 9, 2017
3. Selected the time of the meeting for 3 p.m.
4. Directed staff to conduct the administrative arrangements
A Motion was made by Cox, seconded by Viegas-Walker, **Motion Carried unanimously.**

ICTC Staff requested that the Management Committee forward this item to the Commission for their review and approval after public comment(s), if any:

2. Authorized the Chairperson to sign the Consultant Agreement.

A Motion was made by Viegas-Walker, seconded by Cox, **Motion Carried unanimously.**

**VIII. NEXT MEETING DATE AND PLACE**

A. The next meeting of the Imperial County Transportation Commission will be held on **Wednesday, January 25, 2017 at 6:00 p.m.**, at the County of Imperial Board Chambers, at 940 W. Main Street, El Centro, CA.

**IX. ADJOURNMENT**

A. Meeting adjourned at 7:37 p.m. (Cox/ Terrazas) **Motion carried.**
IMPERIAL COUNTY TRANSPORTATION COMMISSION
MANAGEMENT COMMITTEE
DRAFT MINUTES OF January 11, 2017
10:30 a.m.

VOTING MEMBERS PRESENT:
City of Brawley  Rosanna Bayon Moore
City of Calipatria  Rom Medina
City of Calexico  Armando Villa
City of El Centro  Marcela Piedra
City of Holtville  Nick Wells
City of Imperial  Stefan Chatwin

STAFF PRESENT:  Mark Baza, Kathi Williams, Virginia Mendoza, Michelle Bastidas, Cristi Lerma, David Aguirre

OTHERS PRESENT:  Liz Zarate: City of El Centro; David Salgado: SCAG; Sam Amen, Bing Luu: Caltrans

The following minutes are listed as they were acted upon by the Imperial County Transportation Commission Management Committee and as listed on the agenda for the meeting held Wednesday, January 11, 2017 together with staff reports and related documents attached thereto and incorporated therein by reference.

I. CALL TO ORDER AND ROLL CALL
Chair Chatwin called the Committee meeting to order at 10:35 a.m. Roll call was taken. Introductions were made.

II. EMERGENCY ITEMS
A. There were none.

III. PUBLIC COMMENTS
There were none.

IV. CONSENT ITEMS
A motion was made by Bayon Moore seconded by Medina to approve consent items 4A-4C. Motion carried unanimously.

A. Approved ICTC Management Committee Minutes for October 12, 2016
B. Received and filed:
   1. ICTC Board Draft Minutes for October 26, 2016
   2. ICTC TAC Minutes for October 27, 2016
   3. ICTC SSTAC Minutes for November 2, 2016
C. Federal Transit Administration (FTA) Title VI Program (2017) for Federal Transit funds

ICTC Staff requests that the Management Committee forward this item to the Commission for their review and approval after public comment(s), if any:

1. Approve the Imperial County Transportation Commission Title VI Plan (2017).
V. REPORTS

A. ICTC Executive Director

- In Preparation for the Short Range Transit Plan, staff is exploring transit connection opportunities with Sunline Transit that serves the Coachella Valley region, and pursuing grant opportunities for interregional transit services to/from Westshores and Coachella.

- ICTC has initiated discussions with management and staff from Customs and Border Protections (CBP) Border Patrol regarding the potential to add a second inspection lane at the State Route 86 (Northbound) Border Patrol checkpoint. Coordination efforts will follow with Border Patrol, Caltrans and the region to determine feasibility, costs and funding of required improvements within Caltrans right-of-way. A meeting was held on July 20th with all of the above stakeholders. Following the meeting input, Border Patrol drafted concept alternatives to meet short-term and mid-term needs. A second meeting was held on October 24, 2016, concept alternatives were reviewed. Discussion determined the need to develop a streamlined feasible option for possible funding from the Measure D Regional Highway Set-aside fund. The follow-up meeting was held on December 20, 2016. All parties agreed to a concept that has potential to be cost-effective. Caltrans staff will assist with developing the revised concept design. The next meeting is scheduled for late January 2017.

- The Federal Highways Administration (FHWA) passed the Consolidated Appropriations Act, 2016 which allows the State to repurpose any earmark that was designated on or before September 2005. It is anticipated that FHWA will approve the repurposing project list in early 2017. For Imperial County this is an opportunity to preserve over $6 million.

- Agencies are urged to submit request for allocations (RFA’s) for FY 2016-2017 Congestion Mitigation Air Quality (CMAQ), Regional Surface Transportation Program (RSTP), and Active Transportation Program (ATP) that are pending. For ease of receiving approvals, the local agency RFA’s should be submitted to Caltrans Local Assistance in March/April 2017.

- The Governor’s budget is $4.3 billion for transportation.

- A complete list of ICTC updates can be found on Page 58 of the agenda.

B. Southern California Association of Governments (SCAG)

Mr. Salgado had the following announcements:

- SCAG is committed to highlighting excellence in sustainable planning efforts and development projects throughout the region. These plans and projects are integral in carrying out the goals and policies of the 2016 RTP/SCS, and promote a cleaner, healthier, and happier Southern California. Each year SCAG honors projects which best exemplify the core principals of sustainability with awards at the annual Regional Conference and General Assembly. The SCAG 2017 Sustainability Awards program is open to all parties, including local governments, non-profits, developers, and others. Partnerships are welcome. Eligible submittals include plans, projects, and programs completed or adopted after January 1, 2013 and prior to December 20th, 2016. The criteria and nomination packet is available online. There are 6 award categories to include, Against All Odds, Integrated Planning, Collaborative Partnership, Healthy & Safe Communities, Green Region Initiative, and Active Transportation.

- Please save the date of May 4th and 5th for the SCAG 2017 General Assembly at the J.W. Marriot Desert Springs Resort and Spa in Palm Desert, CA. SCAG is working to present a new Strategic Plan at the GA which will drive SCAG moving forward.
The revised CalEnviro Screen Tool has been revised to version 3.0. CalEPA previously held a workshop in Imperial County to gather feedback from stakeholders regarding issues which may not be considered when establishing the disadvantage communities and environmental justice criteria for grant awards. Border air quality impacts were considered in the new tool amongst a whole host of other new criteria for implementation. A summary of the revisions can be found on the CalEPA website.

Sustainable planning grants will be awarded in February at the Regional Council meeting. ICTC submitted for a Regional Climate Action Plan that includes a plan for each city.

A complete list of SCAG updates can be found on Page 64 of the agenda.

C. Caltrans Department of Transportation – District 11
   - Mr. Amen introduced the new DLAE for District 11, Bing Luu. Mr. Luu stated agencies with inactive project to please submit an invoice to the district by February 20, 2017.
   - Mr. Amen gave project updates also listed on page 66-68 of the agenda.
   - A Caltrans report can be found on page 66 of the agenda for more information on project updates.

D. Committee Member Reports
   - There were none.

VI. ACTION CALENDAR

A. Rotation of Chair and Vice-Chair Positions

   It was requested that the Management Committee take any appropriate action for the rotation and assignment of the Chair and Vice-Chair positions for 2017.

   The Chair nominee was Rom Medina, City of Calipatria. A motion was made by Villa and seconded by Chatwin, **Motion Carried unanimously.**

   The Vice-Chair nominee was Armando Villa, City of Calexico. A motion was made by Wells and seconded by Bayon Moore, **Motion Carried unanimously.**

VII. LTA ACTION CALENDAR

A. Fund Request to the Local Transportation Authority (LTA) - Forrester Road/Westmorland Bypass Project Study Report (PSR)

   Mr. Baza provided background information on previous studies conducted on Forrester Rd. with the most recent study being the Forrester Road Interregional Corridor Study in 2009. The study was led by the Southern California Association of Governments (SCAG) and Imperial Valley Association of Governments (IVAG). It was funded by SCAG’s Consolidated Planning Grant, grant funds originated from U.S. DOT for Metropolitan Transportation Planning (FHWA Planning funds & FTA 5303 funds). This type of planning grant limits the analysis to conceptual engineering and development of “rough order of magnitude” cost estimates. The contract Amount was $69,683, the Consultant was Urban Crossroads, Inc. and the purpose was to forecast short-term and long-term traffic conditions and establish a sustainable strategic plan. The primary goal was to evaluate traffic demands, and develop short-term and long-term infrastructure needs to meet local and interregional / international traffic demands. Forrester Road is on the Imperial County’s most traveled off-system (or non-state highway route) and a vital north-south arterial running parallel to SR86.
and SR111. Based on 2009 traffic data collected and level of service projections, the study developed and recommended the following alternatives:

- **Alternative 1:** Forrester Road as a Caltrans Facility-$158.6 million to $165.9 million* (Forrester Road only – Widened to four lanes)
- **Alternative 2:** Forrester Road with the Westmorland Bypass-$248.1 million to $255.4 million* (Forrester Road four-lane widening, Westmorland Bypass, and two interchanges at Andre/Kingsley and Andre/SR78-86)
- **Alternative 3:** Forrester Road with the Eastern Bypass-$188.4 million to $188.7 million* (Baughman Road used as eastern connection to SR78/86)
- **Alternative 4:** Silicon Border Port of Entry (Proposed new highway to Mexico border - no cost estimate was prepared for this alternative)

The proposed PSR is a required project initiation document which is used to program the project development and support costs for State Transportation Improvement Program (STIP) or other candidate projects pursuing discretionary grant funds for environmental, design, right of way acquisition and construction.

- A PSR provides a key opportunity for the County, ICTC, Caltrans, key regional and local stakeholders to achieve consensus on the project’s purpose & need, scope, and schedule.
- A PSR is required to gain approval for the project to move into the Project Approval and Environmental Document (PA/ED) phase.
- A PSR identifies preliminary land use, environmental and constraints/risk analysis and the support costs needed to complete an approved PA/ED.
- A PSR prepares initial engineering analysis with detailed cost estimates for right of way acquisition and construction costs.

The following are key elements needed in the proposed Forrester Road/Westmorland Bypass PSR beyond traditional scope and schedule:

- Complete an analysis of alignment alternatives for the planned four to six lane north-south corridor from I-8 to SR78/86
- Phased approach to pursue funding to complete – A first phase of Safety and Operational improvements
  - Examples: Reduce/eliminate curves, and turn lanes or transition lanes at high volume intersections
- Develop a phased approach to completing the construction of the new four-lane highway.
- Develop engineering cost estimates for providing “state of good repair” improvements to existing SR86 within County of Imperial, City of El Centro and City of Brawley *Necessary for agencies to consider proposed relinquishments
- Complete an analysis of steps required to establish corridor as a new state highway, i.e., state legislation, California Transportation Commission approval, etc.

Ms. Bayon Moore suggested that leadership from the City of Westmorland be more involved before and during the study begins. She suggested that the presentation be given at a City Council meeting. Mr. Baza stated that could be done and also public participation would be conducted as part of the study.

ICTC Staff requested that the Management Committee forward this item to the LTA Board for their review and approval after public comment(s), if any:

1. Approve the allocation for funding needed in the amount of $617,500 for the proposed PSR from the 5% State Highway Set-Aside from the Measure D allocations
2. Authorize the Executive Director to execute the necessary agreements with Caltrans
A motion was made by Bayon Moore and seconded by Villa, Motion Carried unanimously, with stated encouragement to include the leadership in Westmorland.

VIII. INFORMATIONAL CALENDAR

A. Appointments to the SCAG Community, Economy and Housing Development Committee (CEHD) and the SCAG Energy and Environment Committee

Mr. Baza informed the Committee of the vacancies for both committees and encouraged their Commissioners to volunteer.

B. Appointment of an Alternate Member to the SANDAG Borders Committee

Mr. Baza informed the Committee of the alternate position vacancy for both committees and encouraged their Commissioners to volunteer.

C. Status of Call For Projects for Article 3, Bicycle and Pedestrian Project Funding for Fiscal Year 2016-17

ICTC issued a Call for Projects at the October 27, 2016 Technical Advisory Committee (TAC) Meeting for the FY 16-17 TDA Article 3 Bikes and Pedestrian Funding. All participants were provided a summary noting the funding allocation associated with their respective jurisdiction, in addition to being informed of the project submittal requirements. Said project submittals were to note the proposed project in addition to providing a cost estimate for the proposed project.

The funding allocation associated with all agencies is as follows:

<table>
<thead>
<tr>
<th>Agency</th>
<th>Allocation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Brawley</td>
<td>$26,245</td>
</tr>
<tr>
<td>Calexico</td>
<td>$34,689</td>
</tr>
<tr>
<td>Calipatria</td>
<td>$12,235</td>
</tr>
<tr>
<td>El Centro</td>
<td>$37,300</td>
</tr>
<tr>
<td>Holtville</td>
<td>$13,750</td>
</tr>
<tr>
<td>Imperial</td>
<td>$21,162</td>
</tr>
<tr>
<td>Westmorland</td>
<td>$11,389</td>
</tr>
<tr>
<td>County</td>
<td>$32,230</td>
</tr>
</tbody>
</table>

During the TAC Meeting, the participants were also informed that the submittal deadline associated with the Call for Projects was December 30, 2016. As of January 6, 2017 no applications were received. Funding allocations not requested will be accumulated for late requests by each jurisdiction. It was noted during the TAC meeting that agencies at times allow the balance to accumulate over various fiscal years to allow the agencies to facilitate a larger project.

This item was for informational purposes only.

VII. NEXT MEETING DATE AND PLACE

The next meeting of the Management Committee will be held on February 8, 2017 at the City of Westmorland, Westmorland, CA.

VIII. ADJOURNMENT

A. Meeting adjourned at 11:50 p.m.
Present: Letty Zuno, Access to Independence
Michael L. Hack, Consumer
Sofia Gomzalez, Area Agency on Aging
Mitzi Perez, ARC – Imperial Valley
Angie Pena, Work Training Center
Adrian Celis, Imperial County Behavioral Health
Everardo Martinez-Inzunza, Imperial Valley College
Kathi Williams, CTSA – ICTC
Guillermo Gonzalez, CTSA – ICTC

Non-Voting Attendees:
Raul Martinez, Imperial County Public Health
Cristi Lerma, ICTC
Mark McCumsey, Caltrans
Ramon Aguirre, ARC – Imperial Valley
Charles Brockwell, IVT/IVT Access/IVT Ride/IVT MedTrans
Cesar Sanchez, IVT/IVT Access/IVT Ride/IVT MedTrans
Narcisa Silva, IVT/IVT Access/IVT Ride/IVT MedTrans
Karla Pacheco, IVT/IVT Access/IVT Ride/IVT MedTrans
Helio Sanchez, IVT/IVT Access/IVT Ride/IVT MedTrans

1. Ms. Zuno called the meeting to order at 10:00 a.m. A quorum was present. Introductions were made.

3. CTSA Reports:

Ms. Williams had the following announcements:
- FTA Section 5310 Program will have applicant workshops throughout California. The closest one to Imperial County is in Riverside on January 11, 2017 at RCTC. A flyer was attached to the agenda with more information.
- The IVT Happy Holidays “Free Day” is unknown but will occur sometime in December. All IVT, IVT Access and IVT Ride Riders will ride for free on this day.

Mr. Gonzalez had the following announcements:
- Staff is still reviewing the Do Not Leave Alone (DNLA) Policy. For additional comments, please email Mr. Gonzalez.
- IVT had a Military Appreciation Day for Veteran’s Day on November 10, 2016.
- IVT had a “Stuff the Bus” Food Drive from Monday, November 7th until Friday, November 18th. IVT collected over 800 cans of food or 921 pounds of food.
- On Monday, December 26, 2016, IVT will be operating on a Saturday schedule.
- IVT will be closed on January 2, 2016 in observance of New Year’s Day.

4. Review of Agencies’ Missions and Clientele; Transportation; and, of Perceived Transportation Needs

Agencies that were not able to provide a presentation the previous month were given an opportunity to describe their agencies mission and clientele, and transportation and/or perceived transportation needs.

Ms. Perez presented on behalf of ARC – Imperial Valley
- Formally established in 1973
- ARC Imperial Valley is a private nonprofit corporation
- ARC’s Mission is serving individuals with intellectual and developmental disabilities
- Services provided are:
  - Residential Services
  - Day Programs
  - Vocational Programs
  - Para Transit
  - Health Care Training and Advocacy
  - Recycling Center
  - Car Wash
- ARC operates 3 groups (17 individuals) homes for people with significant needs including medical needs.
  - Residential programs are based on the needs of a resident
- Activity Centers serve individuals with moderate needs including performance limitations. The program provides a vocational component plus socialization and community integration.
- Behavior programs are available for those individuals that exhibit the need for one.
- ARC Transportation provides clients transportation to their job sites and special events
- Health Education and Training
  - First Aid Training
  - CPR Training – adult, child, and infant.
  - National Safety Council and American Heart Association – Red Cross
- ARC Imperial Valley employs over 350 individuals. There are people working for 24/7 365 days a year.
- ARC did not have any perceived transportation needs.

Ms. Gonzalez (AAA) provided a summary of their presentation
- Perceived transportation needs
  1. Heber: Currently there is no IVT Ride service available to the Heber Senior Nutrition Congregate Meal Site. Seniors walking to and from the site do not attend the nutrition program from June to September because of the scorching summer heat, thereby missing an opportunity for food security;
  2. Intercity IVT Ride: Currently only Intracity is available. Older adults would benefit from an intercity curb to curb service in receiving medical care, lower supermarket prices of food and personal items, including warehouse consumer items that are available in the larger cities;
  3. Post the respective Bus Route Schedule at all Bus Stops. Schedules that are simple and easy to read would be popular with all riders, not just older people. Informative, easy to read signs at bus stops would also be helpful. There is a need to develop good models that can be adopted more widely by each city; and
4. Calexico: Designated IVT Ride bus for seniors attending the Calexico Congregate Meal Site.

5. FY 2017-18 Master Needs List

Ms. Williams reviewed the Master Needs List and the following changes were made via motion(s).

A **motion** was made by Zuno and seconded by Hack to change #2 on the list from “under review” to “Inventory Project Under Way”;

Delete #3 (regarding Med-Express) from the list;

Add “Review of “FAST” trip from El Centro to Holtville.” **Motion Carried.**

A **motion** was made by Martinez-Inzunza and seconded by Hack to add to the Master Needs List “Add an IVC Express route from Calexico to IVC and from IVC to Calexico in the evening after 5:30 p.m.” **Motion Carried.**

A **motion** was made by Gonzalez and seconded by Hack to add to the list “Allow IVT Ride to provide transportation services to seniors to congregate meal sites in Heber from June to September.” **Motion Carried.**

A **motion** was made by Gonzalez and seconded by Hack to add to the list “Provide a designated IVT Ride Bus for seniors to congregate meal sites and to their home in Calexico.” **Motion Carried.**

6. FY 2017-18 UTN Letter to the Hearing Panel

Ms. Williams reviewed last year’s letter. SSTAC agreed to address it at the meeting in January.

7. Transit Operator Reports

- **Imperial Valley Transit**: Updates were given by Mr. Sanchez for the month of November
  - Gold Line: 58 average passengers per day
  - IVC Express: An average of 40 passengers per trip in the morning and an average of 45 passengers in the evening.
  - Saturdays: 1160 per Saturday
  - Sundays: 467 passengers per Sunday
  - Holtville Direct had 16 passengers in the morning and 13 passengers in the evening.
  - Brawley Direct had 26 passengers

- **IVT Access**: Updates were given by Ms. Pacheco for the month of November
  - On time performance was 97%
  - No Shows: 123
  - Wheelchairs: 834
  - Passenger Count: 2,700
  - Weekdays: 130 passengers per week day
  - Saturdays: 15 per Saturday
  - Sundays: 12 per Sunday
  - Late Cancellations: 11
  - No-Shows: 123

- **IVT Ride** – Updates were given by Ms. Montemayor for the month of November
  - City of Brawley
    - 60 or older or disabled can use this service with an ID card
    - Passenger per revenue hour: 2.42
    - On time performance was 99%
    - Wheelchairs: 212
- Passenger Count: 760 weekday 43 average per day, Saturday 6 average per day
  - 18 No-Shows

ii. City of Calexico
  - 60 or older or disabled can use this service with an ID card
  - On time performance was 98%
  - Passenger per revenue hour: 2.73
  - Wheelchairs: 36
  - Passenger Count: 1,612; weekday; 73 average per day, Saturday 13 average per day and Sunday 22 average per day
  - 36 No-Shows

iii. City of El Centro
  - 60 or older or disabled can use this service with an ID card
  - On time performance was 96%
  - Passenger per revenue hour: 2.48
  - Wheelchairs: 74
  - Passenger Count: 2,106; weekday; 101 average per day Saturday 17 average per Saturday
  - 74 No-Shows

iv. City of Imperial
  - 60 or older or disabled can use this service with an ID card
  - On time performance was 98%
  - Passenger per revenue hour: 2.07
  - Wheelchairs: 26
  - Passenger Count: 428; 19 average per week day; 7 average per Saturday
  - 5 No-Shows

v. West Shores
  - 60 or older or disabled can use this service with an ID card
  - On time performance was 97%
  - Tuesdays/Thursdays service
  - Passenger per revenue hour: 1.13
  - Wheelchairs: 0
  - Passenger Count: 55, average 6 per day
  - 2 No-Shows

- IVT MedTrans – Updates were given by Mr. Sanchez for the month of November
  - 376 registered
  - Transportation services to San Diego County medical facilities
  - All buses are now equipped with Wi-Fi services
  - On time performance was 100%
  - Passenger per revenue hour: 1.9
  - Wheelchairs: 13
  - Late Cancellations: 0
  - No-Shows: 4
  - Passenger Count: 550
    - Primary: 348
    - Personal Care Attendant (PCA): 197

8. General Discussion
   - Mr. Hack announced that Peoples’ First will have a silent auction at ARC but would follow up with more information.

9. Adjournment
   - The next meeting of the SSTAC will be on January 4, 2017 at 10:00 a.m.
   - Meeting adjourned at 11:48 p.m.
1. The meeting was called to order by Chair Alvarez at 10:04 a.m. A quorum was present and introductions were made.

2. A motion was made to adopt the minutes for November 17, 2016, (Orozco/Fenley) Motion Carried.

3. Caltrans SHOPP Asset Management Plan Update

   Mr. Seth Cutter provided a presentation regarding the State Highway Operation Protection Program (SHOPP) Asset Management Plan Update.
   - Reviewed the categories of the SHOPP
   - The SHOPP Executive Order B-30-15 states:
     - Identify project performance
     - Develop integrated SHOPP projects
o Climate preparedness and GHG reduction
o Protect state’s vulnerable populations
o Complete Streets
o Incorporate Sea Level Rise
o Consider mode shift options
o Economic Impacts

- An asset management plan is the strategic plan for managing an organization's infrastructure and other assets to deliver an agreed standard of service.

- Imperial County: Critical Assets / Vulnerability / Regional Priorities
  o Corridors, Bridges, Culverts, Arizona/Mexico Border
  o Economic Impacts
  o Environment
  o Active Transportation
  o Multimodal Transportation

- Keep strategic management plan objectives in mind
  o Goal 1: Safety and health
  o Goal 2: Stewardship and efficiency
  o Goal 3: Sustainability, Livability, Economy
  o Goal 4: System Performance

- Existing data collection vs new methods and procedures
- ADA
- Park and ride connectivity / solar charging stations / solar parking spots / hubs for autonomous transit service

4. ICTC Updates / Announcements

➢ Transit Planning Updates (By Virginia Mendoza):
  - The Unmet Transit Needs (UTN) Public Hearing is scheduled for February 9, 2017 at 3 p.m. at the IID Board Chambers.
  - The ICTC Commission and the LTA Board approved City of El Centro’s Fund Request for $90,000 for security services at the Transfer Terminal. The funds used will be from the 5% Transit Set-Aside fund. The next step will be to develop an MOU.

➢ Transportation Planning Updates (By Virginia Mendoza):
  - For ATP Cycle 3, no local agencies were successful at the State level. Staff has reviewed the local share of $509,000 and the two projects approved by the Commission were:
    o Imperial County Office of Education’s Project Ride, Walk, Learn project in the amount of $224,000
    o County of Imperial’s Aten Road Class I Bicycle Path Improvements project in the amount of $285,572
  - ICTC submitted a Regional Climate Action Plan under SCAG’s Sustainability Program.
  - For agencies participating in an earmark re-purposing, staff is still waiting to hear from FHWA. SCAG will be programming those funds in outer years and will expedite back to current year as necessary.

➢ LTA Updates (By Virginia Mendoza):
  - Ms. Mendoza requested that all agencies submit their project requests for the LTA Bond. She stated that the County of Imperial has a zero balance, Brawley has a balance of $1.9, Calexico has a balance of $6 million and Imperial has $264,000.
5. Cities and County Planning / Public Works Updates:
   - There were none.

6. SCAG Updates / Announcements: (By Mr. Salgado)
   - There were none.

7. Caltrans Updates / Announcements
   - Mr. Lima was present and provided all with the DLAE updates. A handout was distributed.
   - Mr. Lima stated that Mr. Joseph Chua will be the new contact for Imperial County.

8. General Discussion / New Business
   - Ms. Mendoza stated that for the January meeting ICTC staff would like to have a meet and greet with all TAC members and alternates including Caltrans staff.
   - Next TAC meeting will be on January 19, 2017.

9. Meeting adjourned at 10:59 a.m.
C. FTA TITLE VI PROGRAM (2017) FOR FEDERAL TRANSIT FUNDS
January 20, 2017

ICTC Commission Members
Imperial County Transportation Commission
1405 N. Imperial Ave Suite 1
El Centro, CA 92243

SUBJECT: Federal Transit Administration (FTA) Title VI Program for Federal Transit funds

Dear Commission Members:

As a recipient of Federal Transit Administration (FTA) dollars, the ICTC is required to adopt and implement a plan that complies with Title VI of the Civil Rights Act of 1964 as amended. It requires that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program or activity which is federally funded. Prohibited practices include but are not limited to:

- Denying a person any service or benefit because of race, color, or national origin.
- Providing a different service or benefit, or providing services or benefits in a different manner.
- Locating facilities in any way that would limit or impede access to a federally funded service or benefit.

FTA requires that all recipients document their compliance by submitting a Title VI Program once every three years. The Title VI Program must be approved by the governing entity prior to submission to FTA. ICTC is required to have a single plan document that incorporates multiple items including the policy statement, a bilingual public notice, the procedures for filing a complaint and the complaint forms. The process also requires a review of the demographics and languages spoken in the region, and accommodations for public participation through interpreters and the use of bilingual documentation.

The single reference document called the “Title VI Plan” facilitates its usefulness and availability for staff, as well as, members of the general public.

The Management Committee met on January 11, 2017 and forwards this item to the Commission for review and approval after public comment, if any:

1. Approve the Imperial County Transportation Commission Title VI Plan.

Sincerely,

MARK BAZA
Executive Director

Attachment

MB/mb/cl

CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND, IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL
Introduction

This document was prepared by ICTC and approved by the Commission in order to comply with Title VI of the Civil Rights Act of 1964, including new provisions detailed in U.S. Department of Transportation’s FTA circular 4702.1B “Title VI Requirements and Guidelines for Federal Transit Administration Recipients.”

As a recipient of funds administered by the U.S. Department of Transportation, it is the policy of the Imperial County Transportation Commission to effectuate Title VI of the Civil Rights Act of 1964 as amended. It requires that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program or activity which is federally funded.

Prohibited practices include but are not limited to:
- Denying a person any service or benefit because of race, color, or national origin.
- Providing a different service or benefit, or providing services or benefits in a different manner.
- Locating facilities in any way that would limit or impede access to a federally funded service or benefit.

The Environmental Justice component of Title VI guarantees fair treatment for people of all races, cultures, and incomes regarding the development of environmental justice laws, regulations and policies.

Under Title VI, ICTC must:
- Ensure involvement of low-income and minority groups in the decision making process (public involvement).
- Safeguard low-income and minority groups against disproportionately high and adverse human health or environmental impacts of its programs, policies and activities.
- Ensure low income and minority groups receive their fair share of benefits.

The Executive Director is responsible for initiating and monitoring Title VI activities, preparing required reports and ensuring that the Commission adheres to other compliance responsibilities as required by applicable regulations. ICTC’s Title VI Plan provides the direction and program structure for ensuring the Commission’s compliance with Title VI. Functional responsibility rests with ICTC staff and each and every transit provider under contract with ICTC. ICTC will not accept discrimination against any participant or beneficiary of ICTC programs or services by an employee or contractor in the performance of assigned duties, services or programs.

In the event ICTC distributes federal funds to another entity, the ICTC will monitor and ensure the compliance of each member agency and third party contractor at any tier and each sub-recipient at any tier under the project, with all requirements prohibiting discrimination on the basis of race, color, or national origin; and will include non-discrimination language in all written agreements.

Any person believing they have been discriminated against based on race, color, or national origin in the provision of services, programs, activities, or benefits, may file a formal complaint directly with ICTC or with the Federal Transit Administration.

MARK BAZA, Executive Director

**Regulatory Authority**

Because Title VI is comprehensive in scope, it covers all of an agency’s federally funded programs or activities. This is the case because Title VI of the Civil Rights Act of 1964, as amended, provides that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance.

The impact of Title VI has been further extended by the Civil Rights Restoration Act of 1987. The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms “programs or activities” to include all programs or activities of federal aid recipients, sub-recipients, and contractors, whether such programs and activities are federally assisted or not [Pub. L. No. 100-259, 102 Stat. 28 (1988)]. Authorities and citations that espouse the requirements of Title VI include:

Imperial County Transportation Commission
Title VI Program Policy

Policy Statement

ICTC is committed to ensuring that no person is excluded from participation in, denied benefits of, or otherwise subjected to discrimination under any of its programs activities, or services on the basis of race, color or national origin. All persons regardless of their citizenship are covered under this policy. In addition, ICTC prohibits discrimination on the basis of race, color or national origin in its employment and business opportunities.

As a Federal Transit Administration (FTA) fund recipient. ICTC will ensure that its program policies and activities comply with the Department of Transportation (DOT) Title VI regulations of the Civil Rights Act of 1964.

ICTC will ensure that the level and quality of its services and programs are provided without regard to race, color or national origin.

ICTC will promote the full and fair participation of all affected populations in any decision or policy making process.

ICTC will ensure that Limited English Proficient (LEP) individuals have access to ICTC’s programs, activities and services.

Applicability

This policy is applicable to all ICTC employees, contactors hired by ICTC and the members of the public. Failure of an ICTC employee to follow this policy and procedure may subject the employee to disciplinary action up to an including employment termination.

Administration of the Regulation

ICTC will integrate the provisions of the Title VI program into all programs activities and services.
ICTC’s Title VI Notice to the Public

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin in programs receiving federal financial assistance. Any person who feels they have been discriminated against with respect to transit services or benefits on the basis of race, color, or national origin may file a written complaint with the Imperial County Transportation Commission.

For more information or to file a complaint, you may contact the Title VI Program Administrator, Michelle Bastidas at (760) 592-4494; or by email: michellebastidas@imperialctc.org; or visit ICTC at:

Imperial County Transportation Commission
1405 N. Imperial Ave. Suite 1
El Centro, Ca. 92243

Complainants also may be filed directly with the Federal Transit Administration (FTA).

Title VI Complaint Procedures

TITLE VI DISCRIMINATION COMPLAINT PROCEDURE  (ENGLISH)

General
Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin in programs receiving federal financial assistance. Individuals, or individuals as members of a specific class of persons, who feel they have been discriminated against with respect to transit services or benefits on the basis of race, color, or national origin may file a written complaint with the Imperial County Transportation Commission. Complainants also may be filed directly with the Federal Transit Administration (FTA).

Complaint Procedures
Complaints alleging discrimination on the basis of race, color, or national origin may be submitted to the Title VI Coordinator of the Imperial County Transportation Commission, 1405 N. Imperial Ave Suite 1, El Centro, CA 92243. Every effort will be made to obtain early resolution of complaints.

1. The complaint must meet the following requirements:

   a. The Complaint shall be in writing and signed by the complainant(s) In the event that the complainant cannot complete a written statement, a verbal complaint may be made. The Title VI Coordinator will interview the Complainant and assist the person in converting the verbal complaint to writing. All complaints must be signed by the Complainant or his/her representative.

   b. The Complaint must contain information about the alleged discrimination such as name, address, and phone number of complainant, and location, date and description of the issue. The description of the alleged act of discrimination or disparate treatment should include, as appropriate: type or name of service, bus number, location (city/streets) date and time of day, employee name, position or badge number if available, and any person(s) involved or witnesses to the problem.

   c. Per federal law the complaint must be filed within 180 days of the alleged incident.

   d. The complaint should be submitted to:
      Imperial County Transportation Commission
      Attn: Michelle Bastidas, Title VI Coordinator
      1405 N. Imperial Ave, El Centro Ca, 92243
      Office: (760) 592-4494
      Fax: (760) 592-4497
      E-mail address: michellebastidas@imperialctc.org
2. The ICTC Title VI coordinator will acknowledge receipt of the complaint within ten (10) working days.

Investigation of Complaints

The Title VI Coordinator will review all complaints to determine if there is sufficient merit to warrant investigation. In some cases there may be a written request to the complainant to provide additional information. If a complaint is found to have sufficient merit to warrant investigation, the Title VI Coordinator will proceed with an investigation. If the complaint does not warrant investigation, the Title VI Coordinator will then respond within thirty (30) working days to the Complainant and so state.

A complaint can be rejected or dismissed for the following reasons:

1. The complaint is filed past the 180 days of the alleged occurrence
2. The complaint is not signed or is anonymous
3. The complainant fails to respond to repeated request for additional information
4. The complainant cannot be located
5. The complainant request the withdrawal of the complaint

Disposition of Complaints

A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the Title VI Coordinator and a copy forwarded to the complainant no later than sixty (60) calendar days after its filing.

A recommendation will be made by the Title VI Coordinator and will be subject to review by the ICTC Executive Director and ICTC Legal Counsel.

In the event that the ICTC or its federally funded contractors and consultants are in non compliance with the Title VI regulations, remedial actions will be noted.

The notice of the determination will be mailed to the Complainant. Notice shall include information on appeal rights and instructions for initiating an appeal.

A copy of the complaint and the Title VI Coordinator’s report shall be issued to the FTA within 120 days of the receipt of the complaint.

A summary of the complaint, the finding or resolution will be included as a part of the Title VI updates to the FTA.

Appealing Disposition of Complaints

Complainants that are not satisfied with the disposition of the complaint may appeal to the Executive Director.

1. The appeal should be made with the Title VI Coordinator within ten (10) working days of the date of the resolution.
2. The Executive Director will acknowledge receipt of the appeal within ten (10) working days of receiving the request for appeal.
3. The Executive Director may make a final determination or may choose to refer the matter to the Commission for final action.
4. The resolution and/or referral to the Commission will be communicated to the complainant. The Commission’s decision will be communicated to the complainant and/or his/her designee in writing.

Record Keeping Requirements

The Title VI Coordinator shall maintain a record of each complaint and appeal, the ICTC’s response(s), and steps taken to resolve the complaint. The individual’s right to a prompt and equitable resolution of a complaint will not be impaired by his/her pursuit of other remedies. The use of this grievance process is not a prerequisite to the pursuit of other remedies.

Filing Title VI Discrimination Complaints with the Federal Transit Administration

Individuals may also file Title VI discrimination complaints with the Federal Transit Administration. The Federal Transit Administration’s Complaint Procedure is contained in the FTA Circular C4702.1B.

Title VI Complaint Procedures

PROSEDIMIENTO DE RECLAMO DE DISCRIMINACION DE TITULO VI

General

Título VI de la acta de los derechos civiles de 1964 prohíbe discriminación en la base de raza, color, u origen nacional en programas que reciben ayuda financiera federal. Individuos, o individuos como miembros de una clase específica de personas, que sienten que han sido objeto de discriminación con respecto a los servicios de tránsito o beneficios sobre la base de raza, color u origen nacional puede presentar una queja por escrito a la Comisión de Transporte del Condado de Imperial. Las quejas también pueden ser sometidas directamente con la Administración Federal de Tránsito (FTA).

Procedimientos de Quejas

Quejas de presunta discriminación en la base de raza, color, u origen nacional pueden ser enviadas al Coordinador del Título VI de la Comisión de Transporte del Condado de Imperial, 1405 N. Imperial Ave., Suite 1, El Centro, CA 92243. Todo esfuerzo será hecho para obtener resolución temprana de quejas.

1. La queja debe tener los requisitos siguientes:
   a. La queja debe ser escrita y firmada por el reclamante. En caso de que el reclamante no pueda completar una declaración por escrito, una queja verbal puede ser aceptada. El Coordinador del Título VI entrevistará al reclamante y ayudará a la persona a convertir la queja verbal a la escritura. Todas las quejas deben ser firmadas por el Reclamante o su representante.
   b. La queja debe contener información sobre la discriminación pretendida como nombre, dirección, y el número de teléfono del reclamante, y de la ubicación, la fecha y la descripción del asunto. La descripción del acto pretendido de discriminación o trato desigual debe incluir, como apropiada: tipo o nombre de servicio, número de camión, la ubicación (las ciudades/calles) la fecha y el tiempo de día, nombre del empleado, número de posición o insignia si disponible, y cualquier persona involucrada o los testigos al problema.
   c. Por la ley federal la queja debe ser archivada dentro de 180 días del incidente pretendido.
   d. La queja debe ser sometida a:
      Comisión de Transporte del Condado de Imperial (ICTC)
      A la atención de: Michelle Bastidas, Coordinador del Título VI
      1405 N. Imperial Ave., Suite 1, El Centro, CA 92243
      Oficina: (760) 592-4494
      Fax: (760) 592-4497
      Correo electrónico: michellebastidas@imperialctc.org

2. El Coordinador del Título VI de ICTC reconocerá recibo de la queja dentro de diez (10) días hábiles.
Investigación de Quejas

El Coordinador del Título VI revisará todas las denuncias para determinar si hay méritos suficientes para justificar una investigación. En unos casos podría ver una petición por escrito al reclamante para proporcionar información adicional. Si una queja es encontrada de tener mérito suficiente para justificar investigación, el Coordinador de Título VI continuará con una investigación. Si la queja no justifica investigación, el Coordinador de Título VI entonces responderá dentro de treinta (30) días hábiles al reclamante e indica.

Una queja puede ser rechazada o puede ser despedida por las razones siguientes:

1. La queja es archivada por delante de los 180 días de la ocurrencia pretendida
2. La queja no es firmada o es anónimo
3. El Reclamante falla de responder a la petición repetido para la información adicional
4. El Reclamante no puede ser colocado
5. El Reclamante solicita la retirada de la queja

Disposición de Quejas

Una determinación por escrito sobre la validez de la queja y una descripción de la resolución, en su caso, se expedirá por el Coordinador del Título VI y se enviará una copia al reclamante dentro de sesenta días naturales (60) después de su presentación.

Una recomendación será hecha por el Coordinador de Título VI y será dispuesta de reviso por el Director Ejecutivo de ICTC y Asesoría Legal de ICTC.

En caso de que el ICTC o sus contratistas y consultores que son financiados federalmente no estén en conformidad con las regulaciones de Título VI, acciones correctivas serán notadas.

La anotación de la determinación será enviada al Reclamante. La nota incluirá información en derechos de apelación e instrucciones para iniciar una apelación.

Una copia de la queja y del reporte de el Coordinador de Titulo VI será publicado al FTA dentro de 120 días del recibo de la queja.

Un resumen de la queja, el hallazgo o la resolución serán incluidos como una parte de las actualizaciones de Título VI al FTA.

Apelación de Disposición de Quejas

Los reclamantes que no son satisfechos con la disposición de la queja pueden apelar al Director Ejecutivo.

1. La apelación debe ser presentada por medio del Coordinador de Título VI dentro de diez (10) días hábiles de la fecha de la resolución.
2. El Director Ejecutivo reconocerá recibo de la apelación dentro de diez (10) días hábiles de recibir la petición para apelación.
3. El Director Ejecutivo puede hacer una determinación final o puede escoger referirse el asunto a la Comisión para la acción final.
4. La resolución y/o la referencia a la Comisión serán comunicadas al reclamante. La decisión de la Comisión será comunicada al reclamante y/o su designado por escrito.
Requisitos de Archivado

El Coordinador del Título VI llevará un registro de cada queja y apelación, la respuesta de ICTC, y las medidas adoptadas para resolver la queja. El derecho del individuo a una resolución pronta y equitativa de una denuncia no se verá afectada por su búsqueda de otros recursos. El uso de este proceso de queja no es un requisito previo para la búsqueda de otros recursos.

Presentación de Reclamo de discriminación de Título VI a la Administración Federal de Tránsito

Individuos también pueden presentar quejas de discriminación Título VI a la Administración Federal de Tránsito. El procedimiento de demanda de la Administración Federal de Tránsito está contenido en el FTA Circular C4702.1B.

PUBLIC PARTICIPATION PLAN
FOR TITLE VI

ICTC and sub-recipients are required to seek out and consider the viewpoints of the public in its services area and specifically minority, low-income, and Limited English Populations (LEP) in the course of conducting public outreach and involvement activities. An agency's public participation strategy shall offer continuous opportunities for the public to be involved in the identification of social, economic, and environmental impacts of proposed transportation decisions.

ICTC will continue to employ the following measures to seek out and consider the viewpoints of minority, low-income, and LEP populations in the course of conducting public outreach and involvement activities. These measures are adopted from the ICTC Public Participation Plan and also in the Title VI Program. The public outreach and involvement activities listed below were also undertaken since the last Title VI Program report and shall remain in place to ensure that minority, low-income and LEP people have meaningful access to these activities.

1. Bilingual (English & Spanish) information operators are available to respond to customers calling the ICTC and transit service information lines.

2. Bilingual-speaking (English & Spanish) staff is available to answer telephone inquiries for ICTC ADA certification interviews and ADA paratransit scheduling.

3. Bilingual-speaking (English & Spanish) staff will perform the ADA certification interview as requested, or if the interview scheduler believes that it would be necessary or beneficial.

4. The following materials shall be available in both English and Spanish: (1) ADA Certification Brochure; (2) ADA Certification Application; (3) IVT Riders Guides (4) Disabled Transit Services information.

5. ICTC shall provide bilingual (English & Spanish) language media advertising as part of the countywide transit marketing program.

7. Bilingual-speaking (English & Spanish) staff is available at public meetings, public hearings and Commission meetings and committees.
Summary of Outreach Efforts Made Since Last Title VI Documentation Submission

Over the last reporting period, ICTC conducted the following public outreach and involvement activities:

Printed Bus Schedules and Transit Information on the website.
All public bus schedules and the Riders Guides include Spanish sections and information is available on the IVT and IVT Access websites.

Bilingual Outreach:
Bilingual assistance is utilized in outreach programs when needed and appropriate. ICTC conducts on-going advertising and public hearing notices in a bilingual format. In addition, the recent: 1. The ADA Certification and Eligibility Process 2017. 2. The 2014 Coordinated Plan Project required significant bilingual public outreach. 3. The 2016-17 Unmet Transit Needs Public Hearing process has interpreters available for translation for both public meetings.

Phone Access
A bilingual receptionist is available to answer phone inquiries for Spanish speaking customers during business hours. The ICTC phone system currently includes a Spanish option on the ICTC’s recorded greeting. After business hours inquiries can be left on the bilingual voice mail and are responded to promptly the next business day.

All IVT and IVT Access dispatchers reservationists and drivers are bilingual and able to provide monolingual speaking guests with information on public transit services.
Access for Persons with Limited English Proficiency (LEP)

Introduction

Many individuals in the United States read, write, speak and understand English. However, there are many individuals whose primary language is not English. Individuals who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English can be limited English proficient, or “LEP.” This language barrier may prevent individuals from accessing services and benefits.

There are two pieces of legislation that provide the foundation for the development of an LEP plan: Title VI of the Civil Rights Act of 1964, and Executive Order 13166. In some circumstances, failure to ensure that LEP persons can effectively participate in federally assisted programs may constitute discrimination based on national origin under Title VI. In order to comply with Title VI, agencies should take reasonable actions for competent language assistance.

Executive Order 13166 clarifies requirements for LEP persons under Title VI. The Executive Order requires the agency to examine the services it provides and develop and implement a system by which LEP persons can meaningfully access those services.

Four Factor Analysis

The U. S. Department of Transportation (DOT) issued its *Policy Guidance Concerning Recipient’s Responsibilities to Limited English Proficient (LEP) Persons* [Federal Register: December 14, 2005 (Volume 70, Number 239)]. This policy states that DOT recipients are required to take reasonable steps to ensure meaningful access to programs by LEP persons. This coverage extends to the recipient’s entire program. There are four factors for agencies to consider when assessing language needs and determining what steps they should take to ensure access for LEP persons:

- The number or proportion of LEP persons eligible to be served or likely to be encountered by a program, activity or service of the recipient;
- The frequency with which LEP individuals come in contact with the program;
- The nature and importance of the program, activity or service provided by the recipient to people’s lives;
- The resources available to the recipient and costs.

A brief description of the self-assessment undertaken in each of these areas follows.
1. The number or proportion of LEP persons eligible to be served or likely to be encountered by a program, activity or service.

Spanish speakers are the category of LEP persons likely to be encountered by Imperial Valley Transit (IVT) and ADA Paratransit services. For Imperial County, the Census 2010 information shows that the total population over 5 years of age and over is 174,528. Of that number 80.4% or 140,271 are reported to be of Hispanic or Latino descent.

According to the 2008-2012 American Community Survey (ACS) Estimates for Imperial County (conducted by the US Census Bureau) also indicates that persons who speak only English at home comprise 25.7% of persons in the County of Imperial. While those that speak Spanish are estimated to be at 74.3%.

These percentages show a slight decrease in English speakers and a slight increase in Spanish speakers from the 2000 Census and prior 2005 ACS survey data.

2. The frequency with which LEP individuals come in contact with the program.

ICTC staff in conjunction with IVT and the ADA Paratransit operator staff have assessed the frequency at which staff has or could possibly have contact with LEP persons. This includes examining census data, phone inquiries, requests for translated documents, and staff feedback. Census data, as well as empirical data indicate that there is a fairly large percentage of the general population who are Spanish-speaking persons. As a public transportation provider, it is necessary to recognize this large segment of the general population. Phone inquiries and staff feedback also indicate that Spanish-speaking LEP persons have regular contact with the service.

3. The nature and importance of the program, activity or service provided by the recipient to people’s lives.

Public transportation is vital to many people’s lives. According to the Department of Transportation’s Policy Guidance Concerning Recipient’s Responsibilities to Limited English Proficient (LEP) Persons, “Providing public transportation access to LEP persons is crucial. An LEP person’s inability to effectively utilize public transportation may adversely affect his or her ability to obtain health care, or education, or access to employment.”

4. The resources available to the recipient and costs.

ICTC staff have also assessed their available resources that could be used to provide language assistance. This included identifying bilingual staff, reviewing an existing contract for professional translation services, determining which documents should be translated, and deciding what level of staff training is needed. After analyzing the four
factors outlined in U. S. DOT policy guidance, ICTC staff developed the following plan for providing language assistance to LEP persons.

Components of the Plan

There are five areas that comprise ICTC’s LEP plan:

- Identifying LEP individuals who need language assistance
- Language assistance measures
- Training staff
- Providing notice to LEP persons
- Monitoring and updating the LEP plan

1. Identifying LEP individuals who need language assistance

As stated above, the Census 2010 and American Community Survey data show that Spanish-speaking LEP persons are the group requiring language assistance. This information can also be used to identify concentrations of LEP persons within the service area. There are nine zip code areas with a high percentage of LEP persons 92231, 92243, 92244, 92250, 92251, 92227. Higher percentages of LEP persons can also be identified more accurately by census tracts.

In general, there are higher populations of LEP persons on the southern areas of the County of Imperial, in immediate proximity to the international border with Mexico. Identifying concentrations of LEP persons helps to ensure that they receive the necessary language assistance measures. There are also several measures that can be taken to identify individual persons who may need language assistance:

- When open houses or public meetings are held, set up a sign-in table, and have a staff member greet and briefly speak to each attendee, in order to informally gauge his/her ability to speak and understand English.
- Post a notice of available language assistance at open houses/public meetings to encourage LEP persons to self-identify.

2. Language assistance measures

There are several language assistance measures available to LEP persons, including both oral and written language services. There are also various ways in which ICTC staff responds to LEP persons, whether in person, by telephone or in writing. Oral language services include bilingual front line staff for ICTC office technician positions, as well as, at community presentations and events. Professional interpreters are available as needed for a variety of presentations and events.

In addition to these oral language services, written language services are available. Documents that are determined to be available for the general public are translated into Spanish. Vital documents are defined as those documents without which a person would be
unable to access services. The following are written communications that are printed in both Spanish and English:

- Public Notices and Public Service announcements
- Interior bus posters and stickers displaying safety or system information
- Fare cards on fare boxes
- Onboard surveys

There are several measures in place to respond to LEP individuals. Bus operators, who are the most direct point of contact for LEP persons, have several methods to respond to an LEP individual. Many bus drivers are bilingual; however, if the bus driver operator is not bilingual, they are instructed to ask for assistance from a bilingual passenger. In the few cases where there is no one on the bus who can offer language assistance, the bus driver contacts dispatch, and a supervisor is sent to the bus to assist. Spanish speaking callers are directed to a bilingual dispatcher.

Office Technicians serve as a primary in-person contact for LEP persons. They are present at special events, community functions, school presentations and other locations upon request. The need for a professional interpreter is determined by the venue, the area, and the subject of the event. The person coordinating the event can indicate if there will be Spanish speaking people in attendance, and can request a bilingual professional interpreter. Office technician’s, dispatchers and drivers are also responsible for forwarding complaints to the appropriate management level. They ensure that complaints from LEP persons that could be considered as national origin discrimination are forwarded to the person designated to handle all Title VI complaints.

IVT

The IVT oral language services include bilingual representatives for the reservation line, which serves as the primary contact with customers, as well as bilingual staff in the dispatch center, including bilingual Supervisors. Between these two centers there is at least one bilingual person on staff at all times. The IVT service also has a majority of bilingual vehicle operators. In addition to these oral language services, several written language services are available. The following are written communications that are printed in both Spanish and English:

- The IVT Schedule Guide
- Marketing materials i.e. television and radio commercials
- Interior vehicle posters and stickers displaying vital information, such as safety information
- Brochures with information about accessibility and general riding

There are several measures in place to respond to LEP individuals. Vehicle operators, who are the primary in-person contact for LEP persons, have several methods to respond to an LEP individual. Many vehicle operators are bilingual; however, if the vehicle operator is not bilingual, they can contact dispatch for radio assistance with a Spanish-speaking passenger. They
can also request a bilingual supervisor or vehicle operator to be sent for further assistance. Spanish speaking callers are directed to a bilingual dispatcher.

ADA Paratransit

The ADA Paratransit service oral language services include bilingual representatives for the reservation line, which serves as the primary contact with customers, as well as bilingual staff in the dispatch center, including bilingual Supervisors. Between these two centers there is at least one bilingual person on staff at all times. The ADA Paratransit service also has several bilingual vehicle operators. In addition to these oral language services, several written language services are available. The following are written communications that are printed in both Spanish and English:

- The ADA Paratransit brochure
- Marketing materials i.e. television and radio commercials
- ADA Paratransit Eligibility application
- Interior van posters and stickers displaying vital information, such as safety information
- Brochures with information about accessibility and general riding

There are several measures in place to respond to LEP individuals. Vehicle operators, who are the primary in-person contact for LEP persons, have several methods to respond to an LEP individual. Many vehicle operators are bilingual; however, if the vehicle operator is not bilingual, they can contact dispatch for radio assistance with a Spanish-speaking passenger. They can also request a bilingual supervisor or vehicle operator to be sent for further assistance. Spanish speaking callers are directed to a bilingual dispatcher.

3. Training Staff

It is important that staff members, especially those having contact with the public, know their obligation to provide meaningful access to information and services for LEP persons. Even staff members who do not interact regularly with LEP persons should be aware of and understand the LEP plan. Properly training staff is a key element in the effective implementation of the LEP/plan.

There are four primary groups of staff members who are critical to the LEP plan: ICTC staff, bus operators, dispatchers and customer contact personnel, marketing staff and management. Bus operators have the most frequent contact with LEP persons, through daily interaction with passengers. Dispatch and customer contact personnel also have frequent contact with LEP persons, either in-person or by telephone. These two groups are most likely to encounter LEP persons and thus to provide language assistance. LEP training for both of these groups occurs during their initial training. Additionally, this training is included in an annual safety meeting held for all bus operators. Training topics for these two groups include:

- Understanding the Title VI LEP responsibilities
- What language assistance services are offered
Specific procedures to be followed when encountering an LEP person

Management is also crucial in implementing LEP policy. It is their responsibility to disseminate LEP plan information to appropriate administrative and technical staff. Management should also ensure staff understands Title VI responsibilities.

IVT and ADA Paratransit

There are three primary groups of staff members who are critical to the LEP plan: bus operators, dispatch and customer contact personnel. Bus operators have the most frequent contact with LEP persons, through daily interaction with passengers. Customer contact personnel also have frequent contact with LEP persons, through the telephone reservation lines. These two groups are most likely to encounter LEP persons and thus to provide language assistance. LEP training for both of these groups occurs during their initial departmental training. Training topics for these two groups include:

- Understanding the Title VI LEP responsibilities
- What language assistance services are available
- Specific procedures to be followed when encountering an LEP person

4. Monitoring and updating the LEP plan

This plan is designed to be flexible, and should be viewed as a continuing work in progress. As such, it is important to consider whether new documents and services need to be made accessible for LEP persons, and also to monitor changes in demographics and types of services, and to update the LEP plan when appropriate. At a minimum, ICTC, IVT and the ADA Paratransit services will follow the Title VI Program update schedule for the LEP plan. Each update should examine the following:

- How many LEP persons were encountered?
- Is the existing language assistance meeting the needs of LEP persons?
- What is the current LEP population in Imperial County?
- Has there been a change in the types of languages where services are needed?
- Have available resources, such as technology, staff and finances changed?
- Were any complaints received?
- Do staff members understand the LEP plan policies and procedures?

There are several methods that can be used to assist in answering these questions. One method is to review customer comments and complaints to determine if services are accessible to Spanish speakers. Feedback from the LEP community will be sought through community outreach events and presentations to determine the effectiveness of the plan in reaching LEP persons. Special consideration will be given to the LEP plan when service enhancements or service reductions are scheduled, to ensure that LEP persons are aware of these services. Census data will also be reviewed as it becomes available to determine changes in the LEP population.
Future considerations for the LEP plan include:

- Continuing to providing future websites in a bilingual format with English/Spanish
- Translating other brochures i.e. (Bike and Ride) into Spanish
- Providing group travel training to LEP persons by working with bilingual staff

This plan outlines five key areas of an effective LEP strategy: Identifying LEP individuals who need language assistance, primarily through Census data; Language assistance measures, including written and oral language services, and responding to LEP persons on the telephone, in writing and in person; Training staff, including coach operators, customer service representatives and management employees; Providing notice to LEP persons through both oral and written communications; and Monitoring and updating the LEP plan through a variety of means.
Description of Subrecipient Monitoring and Schedule of Subrecipient Title VI Program Submission

ICTC periodically monitors to determine a subrecipient’s compliance with the FTA Title VI regulations. These reviews include service measurements, location of transit service and facilities, participation opportunities in the transit planning and decision-making processes, and communication needs of persons with limited English proficiency (LEP).
Title VI Equity Analysis

ICTC has not constructed any facilities, therefore no Title VI equity analysis have been conducted during the planning state with regard to the location of the facility.
Additional Information for Transit Providers that operate less than 50 fixed route vehicles in peak service and are not located in an Urbanized Area (UZA) of 200,000: System-Wide Policies and Service Standards

Effective Practices to Fulfill the Service Standard Requirement

Vehicle Load Standards

The average of all loads during the peak operating period should not exceed the following load factors for that service type:

Primary Corridor Bus: Loads not to exceed 1.57 passenger / seat
Local Services: Loads not to exceed 1.25 passengers / seat

Vehicle Headway Standards

Peak period headways on 1 N and 1 S will be 35 minutes, Monday through Friday. ICTC will explore the possibility of instituting 35-minute headways on route 2N and 2S within and throughout the Primary Corridor depending on the availability of funding.

Other lines may operate at longer headways, based on the long distances traversed, ridership, demand and transfer opportunities at the terminus of these lines.

On-Time Performance Standards

Fixed Route [Local and Intercity]:
ICTC endeavors to operate with no early departures before the time shown in the schedule brochure.

90 percent of all trips should be operated "on-time," defined as departing a published time-point no more than ten (10) minutes later than the published scheduled to accommodate the deviation pick-ups.

Demand Response:

95 percent of all monthly trips operate on-time ten minutes past the scheduled pick-up time, with the pick-up time defined as within the 30 minute manifest block.
Service Availability Standards

ICTC will endeavor to provide services where the populace lives and works. The updates to the Short Range Transit Plan will conduct a route spacing and route coverage analysis.

Effective Practices to Fulfill the Service Policy Requirement

Vehicle Assignment Policy

Fixed Route [Local and Intercity]:

Bus assignments take into account the operating characteristics of the various buses within the ICTC fixed route fleet, which are matched to the operating characteristics of the route. In the absence of specific operating requirements, vehicle assignments will be done so as to ensure a random rotation of fleet vehicles through the routes in the ICTC system.

Demand Response:

Except for situations requiring the assignment of a trip to a specific vehicle for reasons such as lift capacity, interior clearance or operating characteristics within the service area, demand response trips shall be assigned so as to ensure that vehicles are randomly operated in these services.

Transit Amenities Policy

The following policies will be applied as funding allows:

Installation of a shelter should be considered at bus stops with an average per trip boarding of 5 or more passengers. Seating/benches should be considered at bus stops with an average per trip boarding of 3 or more passengers.

Priority for benches and shelters should be given to bus stops serving senior housing or activity centers, or facilities which serve clients with mobility impairments.

V. REPORTS

A. ICTC EXECUTIVE DIRECTOR REPORT
B. SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS
C. CALTRANS - DISTRICT 11 REPORT
Memorandum

Date: January 3, 2017
To: ICTC Commission
From: Mark Baza, Executive Director

Re: Executive Director’s Report

The following is a summary of the Executive Director’s Report for the Commission Meeting on January 25, 2017.

1. **Regional Bus Stop Inventory, Signage Replacement and Technology Assessment Project Request for Proposals:** On January 6th, ICTC issued the Request for Proposals (RFP) to complete the “Regional Bus Stop Inventory, Signage Replacement and Technology Assessment” project. The requested services will provide ICTC with a comprehensive bus stop inventory inclusive of an assessment of supporting infrastructure, uniform bus stop signage and recommendations for technology based upgrades pertaining to real time route and schedule service information and kiosk upgrades. The project goal is to have an inventory database and assessment for use by ICTC and its member agencies, and that can be used to acquire and prioritize funding for future infrastructure and facility/equipment improvements. The project budget is established in the FY 2015-16 ICTC Overall Work Plan and Budget. ICTC staff will request a member agency staff person to participate in the proposal, evaluation and scoring process in February.

2. **IVT Transit Services Maintenance Audit Request for Proposals:** On December 14th, ICTC issued the Request for Proposals (RFP) to complete an annual maintenance audit for the IVT fleet. The requested services will provide ICTC with a comprehensive review annually of the care and maintenance performed on the 53 transit vehicles now owned by ICTC. The project goal is to have an annual report for use by ICTC that can be used to manage fleet resources and insure compliance with industry practices and contractual requirements. If a contract is approved by the Commission in February, the project budget will need to be established in the FY 2016-17 ICTC Overall Work Plan and Budget.

3. **Update to the 2011 Short Range Transit Plan (SRTP) Request for Proposals:** ICTC staff are developing a Request for Proposals (RFP) for release in late February to complete an update to the 2011 Short Range Transit Plan (SRTP). This is a planning document that identifies transit services and capital improvements over the next three to five year period, with expected available resources. The project unfolds over an approximately 12 month period. The goal is to have an updated report with bilingual public participation. Special Planning Emphasis Areas anticipated in the report include but are not limited to: a review of transit service options on the West side of the Salton Sea, expansion of IVT RIDE into other member agencies’ service areas and expansion of the IVT Blue, Green and Gold lines for Saturday and Sunday services. The project budget is established in the FY 2016-17 ICTC Overall Work Plan and Budget.

4. **Westshores Transit Opportunities:** In Preparation for the Short Range Transit Plan, staff is exploring transit connection opportunities with Sunline Transit that serves the Coachella Valley region, and pursuing grant opportunities for interregional transit services to/from Westshores and Coachella.
5. **State Route 86 (Northbound) Border Patrol Checkpoint:** ICTC has initiated discussions with management and staff with Customs and Border Protections (CBP) Border Patrol regarding the potential to add a second inspection lane at this very busy checkpoint. Coordination efforts will follow with Border Patrol, Caltrans and the region to determine feasibility, costs and funding of required improvements within Caltrans right-of-way. A meeting was held on July 20th with all of the above stakeholders. Following the meeting input, Border Patrol drafted concept alternatives to meet short-term and mid-term needs. A second meeting was held on October 24, 2016, concept alternatives were reviewed. Discussion determined the need to develop a streamlined feasible option for possible funding from the Measure D Regional Highway Set-aside fund. The follow-up meeting was held on December 20, 2016. All parties agreed to a concept that has potential to be cost-effective. Caltrans Traffic Operations has completed a draft concept that would include four canopied inspection lanes (allowing two inspection lanes for vehicles and two inspection lanes for trucks) and improved secondary inspection, impound and employee parking areas. The concept has been emailed to USCBP to expedite review and then cost estimates will be estimated by Caltrans. Another meeting is anticipated for late February.

6. **Imperial Mexicali Binational Alliance Meeting:** On October 13, 2016 the Imperial Mexicali Binational Alliance (IMBA) held the second annual strategic planning meeting at the San Diego State University – Calexico campus. During the meeting the group discussed the achievements and goals for the upcoming year. Nomination for 2017 Chair and Vice-Chair remain the same, Sergio Tagliapietra will be the Chair and Tom Dubose will be Vice-Chair. After the Strategic Planning Meeting the group conducted a regular scheduled IMBA meeting. During the regular IMBA meeting there were presentations by the U.S. General Services Administration (GSA) on the Calexico Urban Planning Feasibility Study as well as a presentation by the Southern California Association of Governments (SCAG) on the Goods Movement Border Crossing Study – Phase II. The next meeting is scheduled for January 26, 2017 at 10 a.m. at CETYs University in Mexicali.

7. **Local Transportation Authority – FY 2015/16 Audit:** Audit team has finalized the draft audit. All member agencies have been very responsive and the draft audit is scheduled to be presented to the Measure D Local Taxpayer (or Oversight) Committee and the LTA Board in on January 25, 2017.

8. **Unmet Transit Needs Hearing for FY 2017-18:** At the December 14th Commission meeting the Commission directed staff to set the FY 2017-18 Unmet Transit Needs Public Hearing on February 9th at 3:00PM. The hearing will take place at the El Centro City Council Chambers in El Centro. Participating agencies include the Cities of Brawley, El Centro Calexico and the County of Imperial. Alternates include the Cities of Holtville and Westmorland.

9. **Regional Mobility Hubs Strategy for Imperial and San Diego:** This project funded by Caltrans will develop a Regional Mobility Hubs Implementation Plan for San Diego County and Imperial Valley. This project is led by SANDAG in collaboration with ICTC. The focus of the plan will be to develop recommended improvements, conceptual designs, and implementation strategies for different mobility hub station place types for both regions. Mobility hubs can help maximize the capital investment in transit services and support the emphasis on smart growth and transit-oriented development.

   The Consultant has completed draft Mobility Hub Concept Designs for the intermodal facilities in the City of Brawley, Imperial Valley College and the City of El Centro. The draft concept designs will be distributed for feedback from project stakeholders. The project is anticipated to be completed by June 2017. For more information about the project or to access the draft concepts please visit the ICTC website at [http://www.imperialctc.org/mobility-hubs-strategy/](http://www.imperialctc.org/mobility-hubs-strategy/). Please forward any comments on the concept plans to Virginia Mendoza at [virginiamendoza@imperialctc.org](mailto:virginiamendoza@imperialctc.org) by no later than 5 p.m. on January 31, 2016. Virginia Mendoza, Project Manager

10. **Community of Niland Bus Stop Bench and Shelter Request:** The ICTC submitted a formal request to the California Department of Transportation (Caltrans) District 11 requesting their assistance in identifying a location for a bus stop bench and shelter in the Community of Niland along State Route 111 (SR-111). Caltrans and ICTC are finalizing a preferred location and any improvements necessary for installation of the bench and shelter. Project is in design phase. Construction will begin and completed in late 2017.
11. **Heber Bus Stop & Pedestrian Access Improvements on State Route 86:** The community of Heber has had a need to improve pedestrian and bus stop access along State Route 86. The ICTC Commission granted the use of Regional Set-Aside Local Transportation Account (LTA) funds for the project. Caltrans has served as the project lead; the first phase will begin in January and completed February 2017. Phase 2 is scheduled for completion in June/July 2017 and Phase 3 in October/November 2017. Community outreach will be necessary prior to initiating construction in Phase 2 and 3 as road closures and detours will be necessary.

12. **Repurposing Demo Funds:** The Federal Highways Administration (FHWA) passed the Consolidated Appropriations Act, 2016 which allows State to repurpose any earmark that was designated on or before September 2005. It is anticipated that FHWA will approve the repurposing project list in mid to late January 2017. For Imperial County this is an opportunity to preserve over $6 million for the following projects:

13. **2016 Regional Transportation Plan (RTP)/Sustainable Communities Strategy (SCS), Amendment #1:** The Southern California Association of Governments (SCAG) has approved the regional 2016 RTP/SCS that has been accepted by the Air Resource Board. SCAG developed the RTP/SCS in collaboration with ICTC, other County Transportation Commissions, and local governments from the six county Southern California region through a bottoms-up, collaborative process. The RTP/SCS addresses many challenges including projected growth, changing demographics, climate change adaption, housing needs, and transportation demands.

SCAG has opened Amendment 1 of the 2016 RTP/SCS for any changes to existing projects or adding new projects. Projects listed in the RTP/SCS must be of regional significance and increase the road capacity. ICTC has received a request to submit 3 projects as part of Amendment 1. The amendments are necessary to our ability to fund and complete these projects if funding is made available. At their January 5th meeting SCAG Regional Council approved the release of the draft amendment for 30 day public review.

16. **Funding for Phase II of the Calexico West Port of Entry Project in the President’s FY17 Budget – Press Release (Summary)**: (February 9, 2016) – Rep. Juan Vargas (CA-51) announced the inclusion of $248 million for the Calexico West Land Port of Entry (LPOE) reconfiguration and expansion project in the Fiscal Year (FY) 2017 budget released today. If approved, the funding would be sufficient to complete
the project.” As previously noted, Congress authorized $98 million for Phase 1. The U.S. General Services Administration (GSA) began construction for Phase 1 in December 2015 with completion scheduled for January 2018. Phase II funding is pending Congressional approval.

As part of the POE Expansion project, traffic will be rerouted from the existing roadways to SR-98 and Cesar Chavez Boulevard which are not designed to handle the high volumes of traffic associated with the border travel. As result, ICTC submitted a 2016 TIGER grant in the amount of $12,046,400 to improve SR-98 and Cesar Chavez Boulevard. Improvements will include widening, signalization, channelization, lighting, pedestrian/bicycle and ADA improvements. The TIGER grant application was submitted on April 29, 2016. TIGER awards were approved by the U.S. Department of Transportation in July 2016 and ICTC did not receive an award.

17. Calexico East Commercial Vehicle Port of Entry Expansion Project: ICTC submitted the Calexico East Commercial Vehicle Port of Entry Expansion Project under the California Sustainable Freight Action Plan: Pilot Project Ideas. The project is a proposed public-private partnership for the construction costs of the freight elements of the Calexico East Expansion that include: bridge expansion, commercial vehicle primary inspection booths and road construction totaling $30 million. The California Environmental Protection Agency Air Resources Board has reviewed the project ideas submitted and presented pilot project concepts at the Sustainable Freight Action Plan workshop held on February 1, 2016. The concepts presented in the workshop included “Advanced Technology Truck Fast Lane (Border)”. Additionally in December 2015, Safer Community Foundation, Inc. in partnership with the County of Imperial and ICTC submitted the expansion proposal to Customs and Border Protection through their “559 Donation Authority.” In addition to the Sustainable Freight Action Plan submittal, ICTC also submitted a FASTLane grant application on April 14, 2016 and a 2016 TIGER program on April 29, 2016.

The 559 Donation proposal was not approved due to concerns related to the toll collections within federal property. The discretionary grant application submittals for FASTLane and TIGER grant programs were also not successful for this year’s grant programs. All stakeholders are considering options that will address federal agencies concerns. ICTC is pursuing discretionary grant funding for the bridge expansion, 3 new truck inspection lanes and Intelligent Transportation System (ITS) technologies.

18. California-Baja California Binational Region: A Fresh Look at Impacts of Border Delays: Building upon previous Caltrans, SANDAG, and ICTC studies, this project will refine the economic models developed to assess economic impacts of delays at the land ports of entry (POEs) between the San Diego and Imperial Counties region and Baja California, Mexico, on the border region economies. It will also estimate greenhouse gas (GHG) emissions of passenger and commercial vehicles due to northbound and southbound border delays at the six California POEs, and propose strategies to reduce GHG emissions at the border region. Lastly, extensive outreach to government agencies, local border communities, and private sector stakeholders will be conducted. Extensive data collection and modeling work has been conducted on these areas by ICTC, SANDAG and other agencies, this project will build upon that work. The consultant team is completing the development of the survey instrument that will be used in all 6 POEs.

19. State Legislation for Transportation Funding and the National Environmental Policy Act: Assemblyman Jim Frazier has introduced a new bill and funding package for $6 billion to repair maintain our state and local roads, improve our trade corridors, and support public transit and active transportation. See attached summary and supporting documentation as prepared by the Self Help Counties Coalition (SHCC). Additionally, an urgent provision permanently extends the existing National Environmental Policy Act (NEPA) delegation to Caltrans – this is very critical to our federal-aid funded projects as Caltrans currently assist us in streamlining the review and approval of our local projects, such as projects with CMAQ, RSTP, HSIP, federal earmark funds, etc. If this element is not approved, our local projects may be delayed so significantly that could result in the loss of funds to our region. See attached bill summaries.
20. Meetings attended on behalf of ICTC:

- December 15, 2016 - County Transportation Commission CEOs'/SCAG Meeting in Los Angeles
- December 21, 2016 – Participated on an interview panel at the Sand Diego Association of Governments (SANDAG)
- January 5, 2017 – Southern California Association of Governments (SCAG) Regional Council Meeting in Los Angeles
- January 10, 2017 – California Council of Governments (CalCOG) Directors Association of California (CDAC) Meeting in Sacramento
- January 13, 2017 – Smart Border Coalition Meeting in San Diego
- January 18, 2017 – CHP Commercial Industry Day in Calexico (attended by staff)
- January 20, 2017 – Mobility 21 Board Meeting (Joint with Advisory Board) in Los Angeles
- January 20, 2017 – County Transportation Commission CEOs'/SCAG Meeting in Los Angeles
## Program Activity through December 31, 2016

*** 1 job for every $117,000 invested.
AB XXX (Frazier) Transportation Funding Package

➢ A $6 billion annual funding package to repair and maintain our state and local roads, improve our trade corridors, and support public transit and active transportation.
➢ A $706 million repayment of outstanding transportation loans for state and local roads.
➢ Eliminates the BOE “true up” that causes funding uncertainty and is responsible for drastic cuts to regional transportation projects.
➢ Indexes transportation taxes and fees to the California CPI to keep pace with inflation.
➢ Includes reforms and accountability for state and local governments to protect taxpayers.
➢ Streamlines transportation project delivery to help complete projects quicker and cheaper.
➢ Protects transportation revenue from being diverted for non-transportation purposes.*
➢ Helps local governments raise revenue at home to meet the needs of their communities.*

New Annual Funding
➢ State -- $1.9 billion annually for maintenance and rehabilitation of the state highway system.
➢ Locals -- $2.4 billion annually for maintenance and rehabilitation of local streets and roads.
➢ Regions -- $577 million annually to help restore the cuts to the State Transportation Improvement Program (STIP).
➢ Transit -- $563 million annually for transit capital projects and operations.
➢ Freight -- $600 million annually for goods movement.
➢ Active Transportation -- $80 million annually, with up to $150 million possible through Caltrans efficiencies, for bicycle and pedestrian projects.
➢ Constitutional Amendment to help locals raise funding at home by lowering the voter threshold for transportation tax measures to 55 percent.*

Reforms and Accountability
➢ Restores the independence of the California Transportation Commission (CTC).
➢ Creates the Office of Transportation Inspector General to oversee all state spending on transportation.
➢ Increases CTC oversight and approval of the State Highway Operations and Protection (SHOPP) program.
➢ Requires local governments to report streets and roads projects to the CTC and continue their own funding commitments to the local system.

Streamlining Project Delivery
➢ Permanently extends existing CEQA exemption for improvements in the existing roadway.
➢ Permanently extends existing federal NEPA delegation for Caltrans.
➢ Creates an Advance Mitigation program for transportation projects to help plan ahead for needed environmental mitigation.

New Annual Funding Sources
➢ Gasoline Excise Tax -- $1.8 billion (12 cents per gallon increase)
➢ End the BOE “true up” -- $1.1 billion
➢ Diesel Excise Tax -- $600 million (20 cents per gallon increase)
➢ Vehicle Registration Fee -- $1.3 billion ($38 per year increase)
➢ Zero Emission Vehicle Registration Fee -- $21 million ($165 per year starting in 2nd year)
➢ Truck Weight Fees -- $500 million (return to transportation over five years)
➢ Diesel Sales Tax -- $263 million (increase increment to 5.25%)
➢ Cap and Trade -- $300 million (from unallocated C&T funds)
➢ Miscellaneous transportation revenues -- $185 million

Keeping Promises and Protecting Revenues
➢ One-time repayment of outstanding loans from transportation programs over two years. ($706 million)
➢ Return of half of the truck weight fees to transportation projects over five years. ($500 million)
➢ Constitutional amendment to ensure new funding cannot be diverted for non-transportation uses.

*These provisions will be in companion bills.
*Revenue estimates using 2016 LAO funding projections and $500 million weight fee return in 2021
California’s Economy Fueled by Local Sales Tax Measures

THROUGHOUT California, 19 county transportation agencies have formed the Self-Help Counties Coalition (SHCC). Californians depend on these agencies for accessible, safe, innovative and cutting-edge transportation solutions. Each county delivers voter-approved (by super-majority) transportation sales tax measures that fund transit, highway, freight, bicycle, pedestrian and other mobility programs. Together, these counties pump $3 to $4 billion each year into California’s transportation infrastructure, creating jobs, expanding mobility and enhancing local communities and the environment.

IN CALIFORNIA, 19 Self-Help Counties will fund over $95 billion of voter-approved transportation investments by mid-century, pumping $3 to $4 billion each year for essential transportation programs and projects.

- **Self-Help Counties create and maintain jobs** for transportation infrastructure, operations and maintenance.
- **The SHCC provides a reliable and stable funding stream** that far outstrips state and federal funding on an annual basis.
- **The SHCC has extensive accountability** measures and local elected official oversight on all taxpayer’s dollars.
- **The public has direct access to local decision-makers**, and public meetings are held each month throughout the state with public opportunities to participate in every self-help county.
- **Expenditure plans explicitly detail how funds will be spent**, allowing the public to fully understand where their local transportation dollars go.

---

**81% of California’s population is in Self-Help Counties**

Local Funding for Major Transportation Initiatives

California Represents
the United States’ largest economy, and the ninth largest in the world. Its diverse industries range from agriculture to mining to biotechnology to the Internet — all of which support the state’s economic strength. Each industry relies on a backbone of transportation to move its people, goods and services. Local sales tax dollars represent a stable fund source to finance critical transportation programs and projects, despite volatile federal and state funding. The Self-Help Counties spend a small portion of the sales tax on administration. The majority of sales tax expenditures result in:

✓ **Job Creation:** Local sales tax dollars are pumped back into the local economy through contracts with local firms. Transportation system improvements require the services of architects, engineers, construction workers, project managers and other professionals. High-quality, efficient transportation systems attract and retain businesses in California.

✓ **Mobility:** The Self-Help Counties invest in multimodal transportation that provides choices for the traveling public — from express bus services, pathways for bicyclists and pedestrians, and public transit for youth, seniors and people with disabilities, to road and highway investments — Self-Help Counties move people, goods and services that are vital to the quality of life and economic strength of California.

✓ **Technological Innovation:** Implementing technologies on heavily traveled roadways such as express lanes, adaptive ramp metering, real-time signage, monitoring and incident management reduces congestion and travel time and improves safety. Throughout California, the SHCC is implementing state-of-the-art transportation solutions.

✓ **Sustainability:** Multimodal investments — bicycle and pedestrian improvements, public transit and paratransit for seniors and people with disabilities — support greenhouse gas reduction mandates in California Assembly Bill 32, the Global Warming Solutions Act, and California Senate Bill 375, the Sustainable Communities and Climate Protection Act of 2008. These investments also support Sustainable Communities Strategies across the state.

Self-Help Transportation Spending in California

Based on the Self-Help Counties’ expenditure plans, over $95 billion will be infused in California’s transportation infrastructure from local transportation sales tax measures over the next 28 years. These figures are based on the individual projections from the counties.

*Figures are based on projections from the Individual Self-Help Counties; each has a different basis for projecting dollar values.
Averting a Transportation Fiscal Cliff

Exponential population growth, climate change legislation to reduce greenhouse gas emissions and a growing economy are increasing the demand for transportation services, despite diminishing financial resources. Statewide voters have funded transportation by passing infrastructure bonds, some countywide sales taxes and other local measures to help meet basic, ongoing transportation needs. But, these sources are time-limited. Most Proposition 1B Bond projects are under construction and will be complete within two years, many sales tax measures have delivered promises to voters early, and others have been thwarted by the current two-thirds voter threshold requirement to pass new sales tax measures. At a time when needs are growing, transportation funding is heading toward a cliff.

Actual and Estimated Transportation Expenditures Dramatically Decline

Ongoing challenges

A growing economy coupled with new legislative mandates requires a transportation system that is reliable, efficient and clean. At the state and federal levels, transportation funding is on the decline, while maintenance, transit operations and capital investments to meet growing travel demands are on the rise. The federal Highway Trust Fund has had to borrow almost $50 billion since 2008 to meet authorized expenditures. MAP-21, the federal transportation bill, did not increase revenues for transportation, nor address a future funding mechanism to create a reliable funding stream.

If the U.S. fails to increase infrastructure investments between now and 2020, the nation will lose:

- $3.1 trillion in gross national product.
- $1.1 trillion in trade.
- $3,100 per year in personal disposable income.
- $2.4 trillion in consumer spending.
- Over 3.1 million jobs.
Transportation Needs Rise

Gas Tax Loses Buying Power

State and federal revenue streams for transportation are primarily funded through the fuel tax, which hasn’t increased since 1993. According to the federal Department of Labor’s statistics, the gas tax has lost almost 37 percent of its buying power since 1993. Higher fuel efficiency vehicles, increases in electric vehicle use (which do not pay any gas tax) and changes in vehicle use patterns all affect the current revenue stream and foreshadow continuing declines in fuel tax receipts for future transportation investments.

Even though vehicle miles traveled in California have increased by 25 percent and fuel prices have fluctuated significantly in that same time period, the California gas tax remains flat with no index to inflation. Combined with recent sales tax measure losses, this creates serious transportation and economic issues.

Ways to increase transportation funding

As local governments take on more fiscal responsibility for their transportation systems, supporting key legislation that increases transportation funding is critical. Ways to increase funding include:

✅ Lower the two-thirds majority:
Support bills that decrease the voter threshold for transportation sales tax measures. This will support passage of measures to fund transportation investments that far exceed available state and federal sources.

✅ Support cap-and-trade:
Ensure that cap-and-trade funding for transportation is commensurate with the green house gas emissions of the transportation sector (38 percent statewide) to support projects and programs that protect the environment, reduce emissions and spur economic growth.

2“The Impact of Current Infrastructure Investment on America’s Economic Future,” ASCE.
Memorandum

Date: Wednesday January 25, 2017
To: ICTC Commission Meeting
From: David Salgado, Regional Affairs Officer
Re: Southern California Association of Government’s Report

The following is a summary of the SCAG Executive Director’s Report and/or Federal and State Legislature Staff Report for the Imperial County Transportation Commission Meeting for January 25, 2017.

1. **SCAG 2017 Sustainability Awards** - SCAG is committed to highlighting excellence in sustainable planning efforts and development projects throughout the region. These plans and projects are integral in carrying out the goals and policies of the 2016 RTP/SCS, and promote a cleaner, healthier, and happier Southern California. Each year SCAG honors projects which best exemplify the core principals of sustainability with awards at the annual Regional Conference and General Assembly. The awards program is open to all parties, including local governments, non-profits, developers, and others. Partnerships are welcome. Eligible submittals include plans, projects, and programs completed or adopted after January 1, 2013 and prior to December 20th, 2016. The criteria and nomination packet is available online. There are 6 award categories to include, Against All Odds, Integrated Planning, Collaborative Partnership, Healthy & Safe Communities, Green Region Initiative, and Active Transportation. Please feel free to contact David Salgado, SCAG RAO, with any questions.

2. **SCAG Policy Committee Appointments** - ICTC has posted notice to current sitting ICTC commissioners and alternates regarding 2 current vacancies on SCAGs Policy Committees. The 2 policy committees with vacancies include Community, Economic, and Human Development Committee (CEHD) and the Energy and Environment Committee (EEC). Any ICTC Commissioner (that is a member of SCAG) that is interested in being on a SCAG policy committee, should notify the Secretary to the Commission (cristilerma@imperialctc.org) no later than Thursday, January 19, 2017 of their interest. Appointments will take place at our January 25th meeting. The ICTC Chair shall consider all candidates with input and recommendations of the preferred candidates by the full ICTC board to take action for appointment.

The SCAG Committees generally meet on the first Thursday of each month at 10 AM at their downtown Los Angeles office. SCAG does provide reimbursement for travel expenses. For more information contact David Salgado, SCAG Regional Affairs Officer at
salgado@scag.ca.gov or 760-353-7800.

3. **Regional Transportation Plan- Sustainable Communities Strategy (RTP-SCS) Amendment #1 Public Hearing** - A public hearing was held at the SCAG Los Angeles Office on Wednesday January 18th, 2017 from 3:00pm to 5:00pm. The hearing was provided via video conference throughout the SCAG region and in the Imperial County Office located at 1405 N. Imperial Ave., Suite #1, El Centro, CA, 92243. Please feel free to contact SCAG RAO David Salgado with any questions.

4. **2017 SCAG Regional Conference and General Assembly** - Please save the date of May 4th and 5th! SCAG will be having the 2017 GA at the J.W. Marriot Desert Springs Resort and Spa in Palm Desert, CA. SCAG is working to present a new Strategic Plan at the GA which will drive SCAG moving forward. For questions please contact Imperial County RAO, David Salgado.

5. **SCAG Regional Council and Policy Committees** - SCAG’s Regional Council and policy committee meetings will take place Thursday February 2, 2017 at SCAG’s main offices in Los Angeles.

6. **CalEPA-Cal Enviro Screen Tool 3.0 UPDATE** - The revised CalEnviro Screen Tool has been revised. Version 3.0 has been released and is improved from the 2.0 version. CalEPA previously held a workshop in Imperial County to gather feedback from stakeholders regarding issues which may not be considered when establishing the disadvantage communities and environmental justice criteria for grant awards. Border air quality impacts were considered in the new tool amongst a whole host of other new criteria for implementation. A summary of the revisions can be found on the CalEPA website.

7. **2016 RTP/SCS FINAL APPROVAL** - On April 7, 2016, SCAG’s Regional Council adopted the 2016 RTP/SCS, a long range visioning plan that balances future mobility and housing needs with economic, environmental and public health goals. The Plan charts a course for closely integrating land use and transportation – so that the region can grow smartly and sustainably. It outlines more than $556.5 billion in transportation system investments through 2040. The Plan was prepared through a collaborative, continuous, and comprehensive process with input from local governments, county transportation commissions, tribal governments, non-profit organizations, businesses and local stakeholders within the counties of Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura.

The 2016 RTP/SCS is available for download by chapter or as one file. Please note that some files are large and may take longer to download depending on individual connection speeds. We strongly recommend that you first download it onto your computer before opening the file. All files are in Adobe Acrobat PDF format. The executive summary is available upon request. For further information please contact David Salgado.
SCAG STRATEGIC PLAN UPDATE

I am pleased to announce that SCAG is undergoing an update to its Strategic Plan – last adopted in 2009 – to be more responsive to the changing needs of the region and our membership. The initiative is being led by President Michele Martinez and builds upon the previous plan, which helped lay the foundation for the successful agency that we are today. A President’s Strategic Plan Committee has been formed and is supported by a staff committee. The first meeting of the President’s Strategic Plan Committee was held on Dec. 7 and an assessment survey emailed to board members and stakeholders last month. The survey assesses SCAG’s communications and services and what issues SCAG should be addressing in the future. Survey participants have until Friday, Jan. 6 to provide feedback. The President’s Strategic Plan Committee plans to present an updated plan to the Regional Council in April and to the full General Assembly in May.

ECONOMIC SUMMIT HIGHLIGHTS SOUTHERN CALIFORNIA’S RECOVERY AND OPPORTUNITIES

On Dec. 1, 2016, over 400 local leaders convened to attend the Seventh Annual Southern California Economic Summit in downtown Los Angeles. Independent economists from across the region confirmed that the Southern California economy is poised to continue its steady recovery, but emphasized that there is still much work to be done. A special session on innovation addressed the potential for the region’s key industries to breathe new life into our economy. The program was bookended by remarks from former California Governor Gray Davis and Lieutenant Governor Gavin Newsom that vigorously promoted strategies for job growth and building an inclusive economy. To view photos, downloads and presentations from this year’s event, visit the Seventh Annual Southern California Economic Summit page at our Regional Economic Strategy & Data website. Archival videos of the summit, including remarks from former Governor Gray Davis and California Lieutenant Governor Gavin Newsom will soon be available as well.

CALL FOR NOMINATIONS: 2017 SCAG SUSTAINABILITY AWARDS

SCAG is now accepting nominations for the 2017 SCAG Sustainability Awards. Each year, SCAG recognizes outstanding sustainable planning efforts and development projects in Southern California. Nominations are open to projects that coordinate land use and transportation actions and that improve the mobility, livability, prosperity and sustainability of our region. Eligible submittals include plans, projects and programs completed or adopted after Jan. 1, 2013 and prior to Dec. 20, 2016. Award nominations are open to all parties, including local governments, non-profits and private developers. Winning projects will be presented at the 2017 Regional Conference and General Assembly, to be held at the JW Marriott Desert Springs Resort & Spa on May 4-5, 2017. Please visit http://sustain.scag.ca.gov/Pages/Awards.aspx for more information and to download the nomination packet. Nomination packets must be submitted no later than Tuesday, Jan. 23, at 2:00 p.m. If you have questions, please contact India Brookover at brookover@scag.ca.gov.

SCAG LEADERSHIP TOURS IMPERIAL COUNTY

On Dec. 14, 2016, SCAG President Michele Martinez and I traveled to Imperial County to meet with Imperial County Transportation Commission (ICTC) representatives and local elected officials on critical issues for the subregion. The visit included a tour of major sustainability sites in Imperial County, with stops at the Salton Sea to highlight ongoing mitigation projects which are helping slow the deterioration of the Salton Sea. The group also stopped at the Imperial Irrigation District’s geothermal energy plant and brand new utility-scale battery storage facility, which is the first of its kind in the western United States. The batteries are charged
through a nearby solar farm and can be put online almost instantly. All of the facilities toured highlight Imperial County’s potential as a new renewable energy hub, which presents economic opportunities in addition to meeting state mandates for GHG reduction and clean energy production.

**SCAG SEEKS COMMUNITY INPUT FOR NORWALK GREEN LINE EXTENSION STUDY**

SCAG, in coordination with the Los Angeles County Metropolitan Transportation Authority (Metro) and the Cities of Norwalk and Santa Fe Springs, is conducting a planning study to identify and evaluate feasible alternatives for extending the Metro Green Line east from the Norwalk Station to connect to the Norwalk/Santa Fe Springs Metrolink Station. This study will evaluate alternative routes and potential station locations and identify ways to provide safe and convenient “first/last mile” access to stations. The study will also identify and evaluate opportunities to develop transit-oriented land uses around the stations that support community needs and goals. SCAG is seeking input from residents, businesses and stakeholders to understand the benefits and costs of the project and to help shape the development of transportation and land use strategies so that they best support local and regional goals. SCAG will hold two community “open house” meetings, on Saturday, Jan. 7, from 1:00 p.m. to 3:00 p.m. and on Wednesday, Jan. 11, from 6:00 p.m. to 8:00 p.m. Further information is available at www.scag.ca.gov/norwalkgreenlinestudy.

**SCAG CONVENES NATURAL & FARM LANDS WORKING GROUP**

On Nov. 17, SCAG convened a meeting of the Natural & Farm Lands Working Group. Formerly known as the Open Space Working Group, this is a collection of stakeholders and experts in the fields of habitat and agricultural land conservation from throughout the region. The working group has been meeting since 2014 and was instrumental in finalizing the policies and strategies for Natural & Farm Lands Appendix in the 2016 RTP/SCS. The most recent meeting focused how the group can help SCAG implement these policies and strategies and on how to further define conservation goals for future planning initiatives. Topics discussed at the meeting included best practices, funding opportunities and improving ease of data sharing. The next meeting will be held in early February 2017. If you have questions, please contact India Brookover at brookover@scag.ca.gov.

**AIR RESOURCES BOARD RELEASES DRAFT EMISSION REDUCTION SCOPING PLAN**

After a series of public workshops, the California Air Resources Board (ARB) released the Discussion Draft 2030 Target Scoping Plan on Dec. 2, 2016. ARB also released initial recommendations from its Environmental Justice Advisory Committee. The Scoping Plan includes the state’s vision, goals and strategies for addressing climate change and reducing greenhouse gas emissions to meet targets through 2030. Based on the current schedule, ARB will release a proposed Draft 2030 Target Scoping Plan this month for a 45-day public review and comment period. ARB is planning to release a proposed second Draft 2030 Target Scoping Plan in the spring of 2017, followed by a public hearing to present the proposed second Draft 2030 Target Scoping Plan to the ARB Board for consideration and approval. For more information on the Discussion Draft 2030 Target Scoping Plan, please visit: https://www.arb.ca.gov/cc/scopingplan/scopingplan.htm.

**UPDATE ON 2016 SOUTH COAST AIR QUALITY MANAGEMENT PLAN**

As reported previously, the 2016 South Coast Air Quality Management Plan (AQMP) is being jointly developed by the South Coast Air Quality Management District (SCAQMD), the California Air Resources Board (ARB) and SCAG to meet federal and state Clean Air Act requirements. On Dec. 2, 2016, the SCAQMD released the Draft Final 2016 AQMP for the 60-day Set Hearing. If no major public comments are received, the Draft Final AQMP will be presented to the SCAQMD Governing Board for adoption on Feb. 3, 2017. At its meeting on Jan. 5, the SCAG Energy and Environment Committee is scheduled to take action on staff’s recommendation that the Regional Council approve the transmittal of SCAG’s portion, commonly known as the Appendix IV-C, to the SCAQMD for inclusion in the Final AQMP. Upon adoption by the SCAQMD Governing Board, the Final AQMP is scheduled to be submitted to the ARB for approval in March 2017 and subsequent submittal to the U.S. Environmental Protection Agency (EPA) for review and approval.
The adoption and ultimate approval of this air plans by the U.S. EPA will help the region comply with health-based national air quality standards set out by the Clean Air Act and allow SCAG to perform the required transportation conformity analysis. For additional information, visit [http://www.aqmd.gov/home/library/clean-air-plans/air-quality-mgt-plan](http://www.aqmd.gov/home/library/clean-air-plans/air-quality-mgt-plan). Additional air plans are also under development by the ARB and other local air districts in the SCAG region; their status will be reported as appropriate in the future.

**UPCOMING CAP-AND-TRADE FUNDING OPPORTUNITIES**

This year, several competitive Greenhouse Gas Reduction Fund (GGRF) programs present opportunities to advance sustainability in the SCAG region. Early in 2017, guidelines and/or notices of funding availability are expected to be released for the following projects:

- Urban Greening Program ($80 million available through state Natural Resources Agency) [http://resources.ca.gov/grants/urban-greening/](http://resources.ca.gov/grants/urban-greening/)
- Organics Grant; Recycle Fiber, Plastic and Glass Grant; and Food Waste Prevention and Rescue Grant ($40 million total, available through CalRecycle) [http://www.calrecycle.ca.gov/Climate/GrantsLoans/](http://www.calrecycle.ca.gov/Climate/GrantsLoans/)

SCAG recommends that local jurisdictions keep tabs on these opportunities and determine their interest in applying for these resources once funds become available. SCAG will remain engaged with these and other GGRF funding programs including Transformative Climate Communities, Affordable Housing and Sustainable Communities and Sustainable Agricultural Land Conservation and will keep the Regional Council informed as program guidelines and applications become available.

**FUNDING OPPORTUNITIES FOR PARKS AND SUSTAINABLE COMMUNITIES**

The California Department of Housing and Community Development (HCD) released a Notice of Funding Availability for their Housing-Related Parks Program. This program is designed to reward local governments that approve housing units for lower-income households with grant funds to create or rehabilitate parks. Approximately $35 million is available statewide for the 2016 funding round. The grant is non-competitive; all eligible applications will receive funding. All jurisdictions are encouraged to apply. Grant applications are due to HCD by Feb. 23. For the complete grant guidelines and more information, please visit [http://bit.ly/2iAPEYk](http://bit.ly/2iAPEYk).

The Strategic Growth Council (SGC) in partnership with the Office of Planning and Research has announced the release of the Sustainable Communities Planning Grant and Incentives Program: Best Practices Pilot, Guidelines and Application. This grant program supports local land use planning related to climate and the State’s statutory planning priorities. SCPGIP funding in the amount of $250,000 will be available for applicants to apply for up to $50,000. Proposed applications must support local implementation of state policies, with a focus on creating more resilient communities through climate adaptation and mitigation. This is a request for proposals to be submitted by Feb. 9. For the complete grant guidelines and more information, please visit [http://bit.ly/2iQfJ3b](http://bit.ly/2iQfJ3b) or contact scpgip@opr.ca.gov.

**SCAG HOSTS EVENT TO DISCUSS ELECTRIC VEHICLE CHARGING STATIONS FOR MULTIFAMILY HOUSING**

On Dec. 13, SCAG hosted a well-attended mini-conference on electric vehicle (EV) charging stations and multifamily housing, discussing approaches to overcoming the obstacles in providing EV infrastructure to the 40% of Californians that live in multifamily housing. SCAG staff organized the event in collaboration with the South Bay Cities Council of Governments and SCAG Clean Cities Coalition. One panel focused on how the region is being affected by state’s legislation around EV and its goals in reducing greenhouse gases and vehicle miles travelled. A second panel shared the viewpoint of building and property managers, including...
what obstacles they face for installing EV on their properties and what they believe the state can do to incentivize additional EV and charging infrastructure. The final panel convened professionals from local utilities, the South Coast Air Quality Management District and the California Energy Commission to present the plans their organizations have for deploying additional EV infrastructure within the SCAG region in the future.

**SCAG ATTAINS GREEN BUSINESS CERTIFICATION**

In December 2016, SCAG was certified as a Green Business under the City of Los Angeles Green Business Program. This program aims to provide resources to help businesses become greener and more sustainable in their operations and recognizes environmental achievements through an official certification. The certification acknowledges organizations that are committed to increasing energy and water efficiency, generating cost savings, reducing waste and creating a healthier environment for Angelenos. SCAG is committed to environmental stewardship in its internal operations and endeavors to maintain a work environment that encourages healthy lifestyles by offering employee programs that encourage transit use, ridesharing and increased physical activity.

**SCAG CONTINUES INTERNATIONAL COLLABORATION**

In late November, SCAG hosted a 16-member Chinese delegation from the Zhejiang Provincial Development and Reform Commission. High-level delegates visited SCAG to learn policies, regulations and measures of regional transportation and land use planning that aim to reduce Greenhouse Gas emissions and improve economic growth in Southern California. SCAG staff introduced regional governance and shared strategies and experiences on integrated transportation planning, big data, innovation in planning, regional collaboration and the latest development of the 2016 RTP/SCS. The delegates expressed interest in further collaboration with SCAG on sustainable economic development and greenhouse gas reduction strategies.
Date: January 20, 2017
To: ICTC Commission
From: Laurie Berman, Caltrans District 11, District Director
Re: District Director’s Report

The following is the California Department of Transportation, District 11 report for the Imperial County Transportation Commission (ICTC) meeting of January 25, 2017:

1. Project Updates:

Please see maps at end of report for project level detail.

2. Maintenance:
Caltrans Maintenance staff normally assigned to Imperial County assisted with snowplow work during the recent winter storms in the San Diego County mountains. There was no major damage associated with the storms in Imperial County.

Within Imperial County, work continues to inspect and clean drains/culverts on all routes in preparation of continued inclement weather.

3. Construction:

Interstate 8 (I-8) Continuously Reinforced Concrete Pavement Project

The first three segments of the Interstate 8 Continuously Reinforced Concrete Pavement Project (CRCP) are under construction.

- Segment 1, is near El Centro from 0.6 mile west of Anderholt Road overcrossing to 0.5 mile east of the East Highline Canal Bridge. It was awarded to Coffman Specialties, Inc. on November 18, 2015. Construction began the first week of February 2016. Construction is expected to be completed in June 2017. Both westbound and eastbound I-8 traffic are using the newly constructed eastbound side of the freeway.
Construction (continued):

• **Segment 2**, which is located 26 miles east of El Centro from 0.8 mile west of SR-98/I-8 separation to 0.6 mile east of the All American Canal, was awarded to Coffman Specialties, Inc., on December 15, 2015. Construction began in early March 2016 and is scheduled to be complete in July 2017. Westbound traffic was been detoured on to Evans Hewes Highway from west of SR-98 to east of Gordons Well Road. Eastbound traffic has been diverted to the westbound lanes of I-8.

For both segments 1 & 2, construction will be completed one full year ahead of the estimated schedule, thereby lessening congestion and delay for the motoring public.

• **Segment 3**, near Winterhaven from 0.7 mile west of the SR-186/I-8 separation to 0.3 mile east of Fourth Avenue overcrossing, was awarded to Security Paving Company, Inc., on December 22, 2015. Construction began mid-March 2016 and is scheduled to be completed in early 2018. Traffic is reduced to one lane in each direction from the Agricultural Checkpoint to the Arizona state line.

The remaining two segments were advertised in November 2016 and are scheduled to being construction in summer 2017. These two segments are:

• **Segment 4**, near El Centro from 0.6 mile west of I-8/SR-111 separation to 0.6 mile west of Anderholt Road overcrossing and from 0.5 mile east of the East Highline Canal Bridge to 0.8 mile west of I-8/SR-98 separation.

• **Segment 5**, near Winterhaven from 0.7 mile west of Ogilby Road overcrossing to 0.7 west of the I-8/SR-186 separation.
Construction (continued):

I-8/Dogwood Road

The I-8/Dogwood Road interchange project is completed and all lanes are open to traffic. Decorative fencing will be installed in spring 2017.

I-8/Dogwood Road Landscape Project

The follow-up landscape project has started and will be completed in summer of 2017.

Caltrans El Centro Maintenance Station

Phase 1 construction on the Caltrans El Centro Maintenance Station will be complete in spring 2017.

Phase 2 of the El Centro Maintenance Station is scheduled to be complete in summer 2017.

SR-98 / Cesar Chavez Widening Project

Contract approval is anticipated for January 2017, with construction scheduled to begin in March 2017 and end in spring 2018. Utility relocation work has already begun with good progress being made.

SR-86/Heber Pedestrian Improvements

This project will add much needed sidewalks and a bus shelter. Bids were opened and construction is scheduled to begin in January 2017. This project is a coordinated effort between Caltrans and ICTC.

SR-111/Main Street in Niland

This project will install a bus stop and shelter in an existing parking lot on the east side of SR-111. Efforts have begun and a Cooperative Agreement has been drafted and is in the process of completion between ICTC and Caltrans.

4. Traffic Operations:

SR-98/C. N. Perry

In mid-December 2016, Caltrans Maintenance installed flashing beacons on school speed limit signs ahead of the crosswalks and refreshed the crosswalk delineation. Unfortunately, the beacons did not function due to outdated software. New software will be installed and assistance will be obtained from the manufacturer and/or vendor. It is anticipated that this will be resolved in late January or early February.
Traffic Operations (continued):

SR-86/Customs & Border Protection Checkpoint

Coordination and meetings continue between ICTC, Caltrans and CBP to develop a viable and affordable design concept for the checkpoint facility on SR-86.

Caltrans Traffic Operations has completed a draft concept that would include four canopied inspection lanes (two inspection lanes for vehicles and two inspection lanes for commercial trucks), improved secondary inspection, impound and employee parking areas. The concept has been emailed to USCBP to expedite review. Caltrans next task will be to prepare cost estimates. An interim proposal for one inspection lane for trucks and/or reduced durability or size of CBPs infrastructure could be developed if the cost is deemed prohibitive. Longer-term enhancements that would require Federal funding to further improve traffic flow out of the facility have also been discussed.

It is anticipated that the next meeting will be scheduled in late February.

5. Planning Studies:

A Fresh Look at Impacts of Border Delays at CA/BC POEs

In May 2016, the San Diego Association of Governments received two Caltrans grants for a total of $670,000 to study the Effects of Border Wait Times on the Economy and Air Quality/Climate Change Emissions. This is a cooperative effort between SANDAG, ICTC and Caltrans under contract with HDR.

a. The Economic Impacts of Border Delays will update and enhance previous studies to estimate the effects of delays at the San Diego and Imperial Counties Ports of Entry (POEs) on the regional, statewide, and national economies of the United States and Mexico.

b. The Air Quality and Climate effects of Border Wait Times will develop a methodology to estimate air quality pollution and greenhouse gas emissions due to vehicular delays to cross the San Diego and Imperial Counties POEs.

c. Plans are being developed to hold an Emissions Roundtable event with stakeholder representatives in early 2017.

6. Local Assistance:

Inactive Projects

Please submit an invoice to the District by February 20, 2017, if you have not yet done so. A complete list of inactive projects can be found at the link provided below.

http://www.dot.ca.gov/hq/LocalPrograms/Inactiveprojects.htm
Local Assistance (Continued):

Subsidized Classes for Local Agencies

The California Local Technical Assistance Program (LTAP) is a jointly funded effort between the FHWA and Caltrans to provide local governments with training, information, technology and direct assistance in order to help improve their transportation infrastructure. Upcoming classes are listed by following the link provided below.

https://registration.techtransfer.berkeley.edu/wconnect/ShowSchedule.awp?&Mode=GRO UP&Group=:.FULL&Title=Complete+Listing

Federal Aid Series
January 30 - February 3, 2017  Eureka, CA
March 13 - 17, 2017  San Luis Obispo, CA
June 12 - 16, 2017  Los Angeles, CA

Registration is online at:  http://www.californialtap.org/index.cfm?pid=1077

Resident Engineers Academy
February 6 - 9, 2017  Redding, CA
April 24 - 27, 2017  San Jose, CA
June 5 - 8, 2017  Los Angeles, CA

If you are interested in participating, please contact debora.ledesma-ribera@dot.ca.gov. Upon completion of the registration list, you will receive an email from the registrar on how to register online.

Division of Local Assistance Listserver Subscription
Sign up to Division of Local Assistance “Listserver” to receive significant updates to changes or additions to Local Assistance web pages, including changes to the Local Assistance Procedures Manual and Local Assistance Program Guidelines or the issuance of Office Bulletins and Local Programs Procedures or Call for Projects.

http://lists.dot.ca.gov/mailman/listinfo/dla-website-updates-announce

Division of Local Assistance Blog (LAB)
A Local Assistance Blog (LAB) was created to provide clarity on issues and contribute to the successful delivery of transportation projects using federal resources. Categories covered by the LAB are: Subsidized Classes for Local Agencies, Policy/Procedures, Program Guidelines, Training, Environmental and Right of Way.

http://www.localassistanceblog.com/
7. **Communications:**

The latest edition of “The Mile Marker” is now available. This publication raises the bar on transparency and accountability, providing in one place a clear way to communicate Caltrans performance. “The Mile Marker” delivers information that policy experts want in plain language and with clear illustrations. The report is written for anyone who wants to know how well the Department of Transportation does its job.

VI. ACTION CALENDAR

A. ROTATION OF CHAIR AND VICE-CHAIR
January 19, 2017

James Predmore, Chair
Imperial County Transportation Commission
1405 N. Imperial Ave Suite 1
El Centro, CA 92243

SUBJECT: Rotation of Chair and Vice-Chair Positions

Dear Commission Members:

The ICTC Commission has historically rotated the chairperson’s position in from amongst its member agencies. In addition there has been a Vice Chairperson. Both of these positions serve for a period of approximately one year.

It is requested that the Commission take any appropriate action in the consideration of the rotation and assignment of the two positions.

Sincerely,

MARK BAZA
Executive Director
VI. ACTION CALENDAR

B. APPOINTMENTS TO THE SCAG CEHD AND THE SCAG ECC
January 19, 2017

James Predmore, Chair
Imperial County Transportation Commission
1405 N. Imperial Ave., Suite 1
El Centro, CA 92243

SUBJECT: Appointments to the SCAG Community, Economy and Housing Development Committee (CEHD) and the SCAG Energy and Environment Committee (EEC)

Dear Commission Members:

The Southern California Association of Governments (SCAG) has opportunities for elected representatives from the Imperial County region to be appointed to serve as a voting member on their Community, Economy and Housing Development Committee (CEHD) and their Energy and Environment Committee.

The CEHD Committee has oversight of the Growth Visioning and Growth Forecasting processes, as well as the Regional Housing Needs Assessment, the Intergovernmental Review effort and the monitoring and analysis of the Regional Economy. This committee reviews projects, plans and programs of regional significance for consistency and conformity with applicable regional plans. This committee has once vacancy.

The role of the SCAG Energy & Environment Committee (EEC) considers environmental and energy issues of regional significance, including but not limited to air quality, water quality, solid and hazardous waste, habitat preservation, environmental justice, and environmental impact analysis. This committee has two vacancies.

SCAG Committees generally meet on the first Thursday of each month at 10 AM at their downtown Los Angeles office.

ICTC requested that any Elected Official (that is a member of SCAG) that is interested in being on a SCAG policy committee shall notify the Secretary to the Commission (cristillerma@imperialctc.org) no later than Thursday, January 19, 2017 of their interest. Appointments will take place at the Commission meeting on January 25th. The ICTC Chair shall consider all candidates with input and recommendations of the preferred candidates by the full ICTC board to take action for appointment.
As of Thursday, January 19, 2017, Supervisor Luis Plancarte (County of Imperial) has expressed interest in serving on the SCAG Energy and Environment Committee (EEC). Councilmember Bill Hodge (City of Calexico) has expressed interest in serving on the SCAG Community, Economic and Human Development (CEHD) Committee.

It is recommended that the ICTC Commission take the following actions:

1. Appoint two members of the Commission to sit on the SCAG Energy and Environment Committee (EEC).
2. Appoint a member of the Commission to sit on the SCAG Community, Economic and Human Development (CEHD) Committee.

Sincerely,

MARK BAZA
Executive Director
C. APPOINTMENT OF AN ALTERNATE TO THE SANDAG BORDERS COMMITTEE
January 19, 2017

James Predmore, Chair
Imperial County Transportation Commission
1405 N. Imperial Ave., Suite 1
El Centro, CA 92243

SUBJECT: Appointment of an Alternate Member to the SANDAG Borders Committee

Dear Commission Members:

The San Diego Association of Governments (SANDAG) Borders Committee has requested that an elected representative from the Imperial County region be appointed to serve as the alternate voting member on their Borders Committee. The alternate member is welcome to attend each meeting but will only vote in the event that Supervisor Renison is unable to attend the meetings. Members of the Commission are encouraged to express interest in serving as the alternate.

The Borders Committee provides a forum for coordinating planning activities that impact the borders of the San Diego region with the counties of Orange, Riverside and Imperial; and The Republic of Mexico as well as tribal nations in San Diego County. The preparation and implementation of SANDAG’s Bi-national, Interregional, and Tribal Liaison Planning programs are included under this purview. Borders Committee meetings are held on the fourth Friday of each month from 12:30 to 2:30 p.m.

ICTC was requested that any Elected Official that is interested in being on an alternate on the SANDAG Borders Committee notify the Secretary to the Commission (cristilerma@imperialctc.org) no later than Thursday, January 19, 2017 of their interest. The Appointment will take place at the Commission meeting on January 25th. The ICTC Chair shall consider all candidates with input and recommendations of the preferred candidates by the full ICTC board to take action for appointment.

As of Friday, January 19, 2017, Council Member Bill Hodge (Calexico), Council Member Cheryl Viegas-Walker (El Centro) and Supervisor Luis Plancarte (County) have expressed an interest in serving on the SANDAG Borders Committee as an alternate member.

It is recommended that the ICTC Commission take the following actions:

1. Select and appoint a Commission member to the SANDAG Borders Committee as an alternate.

Sincerely,

MARK BAZA
Executive Director

A. STATUS OF CALL FOR PROJECTS FOR ARTICLE 3, BIKE AND PEDS PROJECT FUNDING FOR FY 2016-17
January 19, 2017

James Predmore, Chair
Imperial County Transportation Commission
1405 N. Imperial Ave Suite 1
El Centro, CA 92243

SUBJECT: Status of Call For Projects for Article 3, Bicycle and Pedestrian Project Funding for Fiscal Year 2016-17

Dear Commission Members:

ICTC issued a Call for Projects at the October 27, 2016 Technical Advisory Committee (TAC) Meeting for the FY 16-17 TDA Article 3 Bikes and Pedestrian Funding. All participants were provided a summary noting the funding allocation associated with their respective jurisdiction, in addition to being informed of the project submittal requirements. Said project submittals were to note the proposed project in addition to providing a cost estimate for the proposed project.

The funding allocation associated with all agencies is as follows:

<table>
<thead>
<tr>
<th>Population Agency</th>
<th>Population $10K Minimum</th>
<th>Total Population</th>
<th>% of Total</th>
<th>Minimum</th>
<th>Allocation</th>
</tr>

T:\projects\ICTC\TDA Article 3 Bike and Peds funding request 2017 COM

94
During the TAC Meeting, the participants were also informed that the submittal deadline associated with the Call for Projects was December 30, 2016. As of January 6, 2017 no applications were received. Funding allocations not requested will be accumulated for late requests by each jurisdiction. It was noted during the TAC meeting that agencies at times allow the balance to accumulate over various fiscal years to allow the agencies to facilitate a larger project. ICTC staff will continue efforts to work with city/county to receive their project submittals in late March 2017, and subsequent funding requests in May 2017.

This item is for informational purposes only.

Sincerely,

MARK BAZA
Executive Director
