The grant will cover a 3-year period. ICTC will be the fiscal agent and is working on developing an MOU which will define roles and responsibilities (Audits, Administration and Project Management) for ICTC and IVEDC. Since award, IVEDC staff has been meeting monthly with Consortia members and other webinars toward development of strategies for providing Broadband services for underserved communities. On April 27, 2018, the SBBC held its quarterly meeting highlighting activities by key stakeholders in San Diego and Imperial Valley. SBBC has been setting up meetings with many agencies and ISPs throughout this quarter. Timothy Kelley and Glenna Barrett have presented at several board meetings in San Diego and Imperial Counties in the past few months. The quarterly meeting was held in El Cajon in April. SBBC have assisted in quite a few grant applications and helped with the ICCEDS. Staff will provide an oral update at the Commission meeting in August.

b) **The Brawley Transit Corridor Brownfield Assessment:** ICTC in partnership with IVEDC received a U.S. Environmental Protection Agency (EPA) Brownfields Communitywide Assessment Grant award of $300,000 from the Environmental Protection Agency’s Brownfields Assessment Program. This assessment will be focused along the transit circulator route within the 13 mile Imperial Valley Transit’s (IVTs) Brawley Gold Line Transit Route and the Brawley Transit Center that serves as the IVTs North Imperial County transfer terminal. The commercial corridors in the target assessment area include over 100 known commercial properties and suspected historical gas station sites with known or suspected underground tanks in the target area. ICTC will be the fiscal agent and has developed an MOU which will define roles and responsibilities (Audits, Administration and Project Management) or ICTC and IVEDC. SCS Engineers has initiated early Tasks that include the Quality Assurance Project Plan (QAPP) and project management plan as required by EPA. The Steering Committee consisting agency partners is planned to meet in late August. The draft QAPP is nearing completion. The first community outreach meeting is planned for September 2018.

Re: Southern California Association of Government’s Report

The following is a summary of the SCAG Executive Director’s Report and/or Federal and State Legislature Staff Report for the Imperial County Transportation Commission Management Committee Meeting September 26th, 2018.

1. **SCAG Executive Director:** On Friday September 14th the San Diego Association of Governments (SANDAG) Executive Board took action to approve the employment contract for current SCAG Executive Director Hasan Ikhrata. Hasan has spent ten years as the leader of SCAG and helped to strengthen the regions multimodal transportation network through collaboration, increased funding acquirement, and strong inclusive leadership. Hasan will assume his new role as SANDAG Executive Director on December 3rd. An interim director has not yet been appointed. PRESS RELEASE ATTACHED.

2. **SCAG Go Human Campaign:** SCAG is entering the 3rd year of the GO-Human Marketing and Advertising Safety and Encouragement Campaign which has been implemented throughout the 6 county SCAG region. We’ve had great participation and engagement in Imperial County and would like to build upon the success. The new round of advertising will integrate Vison Zero and new messaging developed from gathered from direct feedback. The campaign will run through the month of May to coincide with “National Bike Month” and during July and August to promote safe walking and biking during “back to school.” If any agencies would like to participate and partner with SCAG to promote GO Human, please reach out to SCAG Regional Affairs Officer (RAO) David Salgado or Assistant Regional Planner Julia Lippe-Klein (213) 236-1856.

3. **WALKTOBER:** October is a month to celebrate and encourage walking and bicycling. October 10th is National Walk to School Day and we’re hoping to encourage as many walking events in the region as possible. Many schools will be taking part in the event. For any assistance with planning for events please feel free to contact David Salgado at salgado@scag.ca.gov.
4. 2020-2045 Regional Transportation Plan/Sustainable Communities Strategy (RTP-SCS):
SCAG is actively continuing its outreach efforts as it pertains to the local input PROCESS for
the RTP-SCS. SCAG’s Director of Planning, Kome Ajise, will be in Imperial County on October
10th to discuss with City Managers the upcoming RTP-SCS and Regional Housing Needs
Process (RHNA) and answer any questions. As a part of the RTP-SCS development all local
jurisdictions and Caltrans need to work closely with the CTC’s in order to get all project
updates incorporated into the 2020-2045 plan. This will ensure all of the projects in the plan
are most current and up to date.

5. Regional Housing Needs Assessment (RHNA) Working Group: As a part of the upcoming
RHNA Cycle SCAG President Alan Wapner has appointed 2 elected officials from each SCAG
county to participate in the SCAG RHNA Working Group. The group will meet periodically to
ensure participation from each county throughout the RHNA development process. Imperial
Counties representative is City of Holtville Councilman, ICTC Commissioner, and SCAG
Regional Council and Policy Committee Member Jim Predmore with Councilman Bill Hodge as
the alternate. Please feel free to contact SCAG RAO David Salgado with any questions regarding
RHNA or reach out to your local delegate to carry any concerns to the presidents sub-committee.
We appreciate everyone’s responsiveness to requests to provide the most accurate and current
information for the RHNA process.

6. SCAG Policy Committee Appointments: At the April 5th, 2018 Regional Council Policy
Committee meetings Imperial County Supervisor and Regional Council Member Luis Plancarte
was appointed as the Vice-Chair of the Energy and Environment Committee (EEC). El Centro
Mayor and SCAG Past President Cheryl Viegas-Walker was appointed as the Vice Chair of the
Transportation Committee (TC) Vice-Chair.

7. SCAG Downtown Los Angeles Relocation: SCAG relocated to the new Downtown
Headquarters located at The Wilshire Grand Center. The new address is 900 Wilshire Boulevard,
17th Floor, Los Angeles, CA 90017. The building is a brand new LEED Certified Class A
Building and provides for a more advanced space for SCAG to grow into. The new space will
also have improved spaces for SCAG’s regular public meetings and workshops.

8. SB 1 Road Repair and Accountability Act of 2017: The bill passed by a vote of 27-11. The
bill provides $52.4 billion over 10 years for transportation by raising California’s gas excise tax
12 cents to 30 cents a gallon, with annual adjustments for inflation. The diesel excise tax will
also go up 20 cents to 36 cents a gallon. Funds will also be raised by fee increases on vehicle
registrations which will be proportionate to the vehicle model year and will range from $25 to
$175 a year annually. Zero emission vehicles will incur a $100 annual fee. There will be a constitutional amendment put on the 2018 ballot to allow a vote to ensure the funds will be provided for road projects.

9. **SCAG 2017 Local Profiles:** 2017 Final Local Profiles are posted on the SCAG website and readily available. Hard copies may be provided upon request. Questions can be directed to Ping Chang or Mike Gainor at SCAG.

The Plan charts a course for closely integrating land use and transportation – so that the region can grow smartly and sustainably. It outlines more than $556.5 billion in transportation system investments through 2040. The Plan was prepared through a collaborative, continuous, and comprehensive process with input from local governments, county transportation commissions, tribal governments, non-profit organizations, businesses and local stakeholders within the counties of Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura.

The 2016 RTP/SCS is available for download by chapter or as one file. Please note that some files are large and may take longer to download depending on individual connection speeds. We strongly recommend that you first download it onto your computer before opening the file. All files are in Adobe Acrobat PDF format. The executive summary is available upon request.

SUBJECT: Calexico Intermodal Transportation Center Architectural and Engineering Services
– Award Recommendation

Dear Committee Members:

ICTC staff recently completed a competitive bid process to acquire a consultant firm for the completion of Architectural and Engineering services for design of the Calexico Intermodal Transportation Center. This project is funded by Congestion Mitigation and Air Quality (CMAQ) program funds with a local match from Transportation Development Act (TDA).

The purpose of the Request for Proposals (RFP) was to acquire qualified engineering professionals to provide architectural/engineering and project management services for Design. The project services will include but are not limited to: preliminary right-of-way assessment and access agreements; topographic survey, environmental site assessment (including applicable studies and geotechnical investigation and report); conceptual design; final design; preparation of contract documents and specifications, engineer’s opinion of probable quantity, costs assistance and recommendations with regard to construction advertisement and contract award and construction support services.

A proposal evaluation committee was coordinated to complete the review of proposals and interviews of qualified firms. The evaluation committee was comprised of staff from Caltrans, City of Calexico, City of El Centro and ICTC.

The committee met on May 17, 2018 to review and rank all three (3) proposals received. Based on the proposal rankings all three (3) firms were then called back for oral interviews conducted on June 1, 2018.
The final ranking of the consultants teams listed below was based on the following criteria: Technical Approach; Project Management; References; Familiarity and/or specific experience with local, state and federal project procedures using Caltrans’ Local Assistance Procedures Manual for local agency advertised projects; Overall quality of proposal, including qualifications and thoroughness; Attainment of Disadvantage Business Enterprise (DBE) goal of 15%; and Completion of response and references.

The ranking is listed as follows:

Said compensation is to be arrived at by mutual agreement between ICTC and CONSULTANT; should the Parties fail to agree on said compensation, an independent arbitrator shall be appointed and the decision of the arbitrator shall be binding upon the Parties.

CONSULTANT shall furnish ICTC with every reasonable opportunity for ICTC to ascertain that the services of CONSULTANT are being performed in accordance with the requirements and intentions of this Agreement. All work done and materials furnished, if any, shall be subject to ICTC’s inspection and approval. CONSULTANT shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and CONSULTANT shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the ICTC’s Executive Director or his/her designee. At the option of the ICTC’s Executive Director or his/her designee, either: (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects to ICTC, its board members, officers, employees, agents and volunteers: or (ii) CONSULTANT shall provide a financial guarantee, satisfactory to ICTC’s Executive Director or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. Such policy(ies) of insurance shall be endorsed so CONSULTANT’S insurance shall be primary and no contribution shall be required of ICTC. The Workers’ Compensation insurance
policy shall contain a waiver of subrogation as to ICTC, its members, board members, officers, employees, agents and volunteers.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made form:

CONSULTANT shall furnish ICTC with all certificate(s) and applicable endorsements effecting coverage required hereunder. All certificates and applicable endorsements are to be received by ICTC and approved by ICTC’s Executive Director or his/her designee prior to ICTC’s execution of the Agreement and before work commences. Upon request of ICTC, CONSULTANT shall immediately furnish ICTC with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

If at any time during the life of this Agreement or any extension, CONSULTANT or any of its subcontractors fail to maintain any required insurance in full force and effect, all work under this Agreement shall be discontinued immediately, and all payments due or that become due to CONSULTANT shall be withheld until notice is received by ICTC that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to ICTC. Any failure to maintain the required insurance shall be sufficient cause for ICTC to terminate this Agreement. No action taken by ICTC hereunder shall in any way relieve CONSULTANT of its responsibilities under this Agreement.
The fact that insurance is obtained by CONSULTANT shall not be deemed to release or diminish the liability of CONSULTANT, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify ICTC shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by CONSULTANT. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of CONSULTANT, its principals, officers, employees, agents, persons under the supervision of CONSULTANT, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

If CONSULTANT should subcontract all or any portion of the services to be performed under this Agreement, CONSULTANT shall require each subcontractor to provide insurance protection in favor of ICTC, its board members, officers, employees, agents and volunteers in accordance with the terms of each of the preceding paragraphs, except that the subcontractors' certificates and endorsements shall be on file with CONSULTANT and ICTC prior to the commencement of any work by the subcontractor.

SUBJECT: IVT RIDE - Calexico, Public Dial-a-Ride Paratransit Services
Review FY 2017-18

Dear Committee Members:

Based on the results of the FY 2014/15 competitive bid process, we have achieved greater efficiencies, better compliance with regulations, new technology for reservations/dispatching and performance management, and cost reductions achieved through the consolidation of the operations including: management, dispatch, reservationists, maintenance and marketing under one provider under one contract.

Included in the service contract is the benefit of coordinated bilingual dispatching and a computerized reservation system, a fuel escalator for fuel prices that exceed the negotiated price per a gallon, a marketing and public outreach allowance (to be developed annually based on available funding per year), replacement of the any previous vehicles with fourteen (14) new, smaller and ramp equipped paratransit buses, in house maintenance support services and a dedicated management team.

In FY 2016-17, the Paratransit Coordination Committee (PCC) developed several recommendations for service changes to remain cost effective, which were approved by the Commission and implemented in January 2018. These included several reduction in service hours; on Saturdays in Imperial and on weekdays in the late afternoon in Brawley. In addition, the West Shores IVT RIDE bus now travels into Brawley on a reservation basis on Tuesdays only. No changes were recommended for El Centro or Calexico at that time.

In FY 2017-18, as a result of not attaining the projected 10% fare revenue goal, the contractor did not receive the compensation amount that meets the operational cost of the service. First Transit has requested an additional year end payment for FY 2017-18 in an amount of $10,636.18. ICTC Staff recommends payment to cover finals costs of operations with the following input and recommendations.

CITIES OF BRAWLEY, CALExico, CALIPATRIA, EL CENTRO, HoltVILLE, IMPERIAL, WESTMORLAND, IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL
There are three items that should now be considered. This includes not extending the contract options for the sixth, seventh and eighth years. ICTC will be conducting a competitive bid for several other transit services and including IVT RIDE in the competitive bid process may create an opportunity for pricing reductions and economies of scale.

In addition, ICTC staff recommends that additional service changes to reduce inefficient operating hours and reduce operations cost in Calexico be implemented effective Nov 1, 2018 after a period of public notice. This service reduction would take the form of reducing the service hours on the third bus from 8 to 6 hours per day.

Lastly, IVT RIDE has different fares in each of the service areas which may need to be adjusted. Staff recommend that any fare increases be deferred until a system wide fare study of all of the transit services can be completed.

Therefore, it is requested the ICTC Management Committee forward this item to the Commission for review and approval after the receipt of public comment:

1. Authorize a FY 2017-18 year end payment to FIRST TRANSIT Inc. for the IVT RIDE - Calexico, in an amount of $10,636.18 from the transit services account (7416001) fund balance.
2. Direct staff to implement the recommend changes to the IVT RIDE Calexico service operations; reduction from 8 to 6 services hours on the third bus, as of November 1, 2018 after public notice.
3. Direct staff to not seek the extension options for the sixth, seventh and eighth year of operations, thereby conducting a competitive bid for the IVT RIDE concurrent with the IVT and IVT Access competitive bid for FY 2019-20.

SUBJECT: Review for the IVT MedTrans; Non-emergency Transportation to Medical Facilities in San Diego - Operating Agreement, FY 2017-18 to FY 2020-21

Dear Committee Members:

From 1994 through 2016, Medexpress had been the public non-emergency transportation to medical facilities in the San Diego County area and had been in existence without any service changes since 1994. The service operated four days a week for disabled and transit dependent persons, focusing on getting children to Rady’s Hospital for specialized services. The IVT MedTrans service was created in 2016 and replaced the Medexpress service model with expansion in the scope of services.

The service expansion has completed its second year of operation in its three-year demonstration phase. Several items were observed during the first two years.

1. The service is continuing to attract new riders and is operating with unsold seats. The unrealized fare revenue contributes to a subsidy shortfall.
2. The first bus to depart typically has more passengers than the second bus. The departure time of the second bus was changed and increased ridership slightly, because passengers will then be able access appointments earlier in the day.
3. There have been a number of trips whereby the bus has been delayed due to passengers who almost miss the return trip pick up due to delayed medical appointments or other reasons. On several occasions, a third vehicle has been dispatched to San Diego to recover these passengers, adding additional hours and mileage expense.
4. Public outreach has continued by ICTC and First Transit staff.
5. First Transit continues to pursue vendor relationships where vouchers are appropriate to facilitate the sale of seats.
6. The fare price has not been increased since inception of the service in 1994. It may be appropriate to increase the fare price.
7. Additionally, the farebox ratio may need to be adjusted downward from the 15%. This would increase the annual not to exceed subsidy for the operator.

CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND, IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL
As a result of not attaining the projected 15% fare revenue goal in FY 2017-18, the contractor did not receive the compensation amount that meets the operational cost of the service. First Transit has requested an additional year end payment for FY 2017-18 in an amount of $31,957.45. ICTC staff recommends payment to cover the final costs of operations with the following input and proposed actions.

New transit services can take several years to mature. First Transit and ICTC staff have agreed on several actions mentioned previously, and both entities have taken measures to ensure the continued success of operations.

However, there are two items that should now be considered. This includes not extending the contract options for years 4 and 5. ICTC will be conducting a competitive bid for several other transit services and including IVT MedTrans in the competitive bid process may create an opportunity for pricing reductions and economies of scale.

The second issue is the fare pricing. A larger region-wide fare study will be initiated within the current fiscal year. But recommendations will not be available until the project is completed in approximately 12 months. The current fare of $15.00 has remained unchanged since the service inception in 1994. Staff considers this the most significant contributing factor to the inability to achieve the farebox ratio. To address this pressing issue, staff proposes to develop a repricing recommendation and present this to the Commission in October. As a result of IVT MedTrans receiving federal funds, a public hearing is required for input on changes in fares.

It is requested that ICTC Management Committee forward this item to the ICTC Commission for review and approval after the receipt of public comment, if any:

1. Authorize a FY 2017-18 year end payment to FIRST TRANSIT Inc. for the IVT MedTrans service, in an amount of $31,957.45 from the transit services account (7416001) fund balance.
2. Direct staff to not seek the two, one year extension options for the fourth and fifth year of operations, thereby conducting a competitive bid for the IVT MedTrans concurrent with the IVT and IVT Access competitive bid for FY 2019-20.
3. Direct staff to make arrangements for a public hearing on October 24, 2018 at 6:00 PM for the purpose of receiving public input on a fare pricing adjustment for the IVT MedTrans.

Sincerely,

MARK BAZA
