V. PRESENTATION
A. Imperial County Transportation Model

Mr. Eaton introduced the consultant, Mr. McAtee who presented regarding the Imperial County Transportation Model. A copy of the presentation can be found on the ICTC website or click here for a copy.

VI. REPORTS
A. ICTC Executive Director
Mr. Baza had the following updates:
- ICTC and IVEDC hosted the Imperial Valley General Assembly and Economic Summit on May 31, 2018 at the Old Eucalyptus Schoolhouse in El Centro. The keynote speakers for the Economic Summit were Michael Bracken from Development Management Group and Iddo Benzeev from Highland Fairview. The
keynote speaker for the General Assembly was Congressman Juan Vargas of the 51st District of California.
- The cities of Calipatria, Calexico and Holtville are pursuing a new series of LTA bonding to assist in the completion of projects. The cities will take action to proceed by mid-June 2018. The LTA Board will take final action to proceed on June 27, 2018.
- In August 2017 following a year of coordination, Caltrans, the County of Imperial and ICTC met with CBP management and operations staff achieved consensus for a new conceptual alternative prepared by Caltrans. The LTA Board met on September 27, 2017, staff presented the Board with a fund request for $1.3 million from the 5% Regional Highway Set-Aside from the Measure D allocations. The request was approved. Staff met with Caltrans and CBP on December 20, 2017 at the ICTC to finalize agreements and discuss next steps. A meeting was held on February 13, 2018 with CBP, Caltrans, County of Imperial and ICTC at the ICTC offices. The project team proposes to design and construct two lanes for primary inspection, a newly constructed canopy placed over State Route 86, and two lanes of secondary inspection to use during peak periods. A Consultant Agreement with AECOM for design and construction engineering was approved by the LTA on February 28, 2018. Currently design is underway by the consultant. The Consultant has completed 15% of the conceptual design. The consultant team and project stakeholders met on May 8, 2018. All stakeholders provided good input to the consultant team towards development of 35% design plans. Drafts of 35% plans are scheduled for completion in late June 2018.

Ms. Mendoza had the following updates:
- Caltrans authorized a special planning grant to perform a traffic management study to assist the City of Calexico and the Imperial Valley region to analyze and propose traffic management strategies and alternatives to serve traffic flow for the Calexico West Port of Entry expansion. The expansion will have two access points: One, from current access at SR-111/Imperial Ave.; and, a Second at Cesar Chavez Blvd and 2nd St. SCAG, Caltrans and ICTC will lead study in partnership with the City of Calexico, Customs and Border Protection and General Services Administration. The Request for Proposals (RFP) was due on March 14, 2018 and the consultant selected was KOA. The project kick-off meeting took place on April 19, 2018 in the City of Calexico. In attendance at the Kick-off meeting was staff from SCAG, ICTC, Caltrans, KOA, and the City of Calexico. Technical stakeholder meetings were held on May 1, 2018 and on June 6, 2018 in Calexico. A public workshop is scheduled for June 21, 2018, at the Carmen Durazo Cultural Arts Center in Calexico. ICTC staff will also be presenting at the County Board of Supervisors meeting on June 26, 2018.

- A list of ICTC updates can be found on Page 52 of the agenda.

B. Southern California Association of Governments (SCAG)
Updates were provided by Mr. Salgado and can be found on Page 64 of the agenda.

C. Caltrans Department of Transportation – District 11
The following updates were provided by Ms. Landrum and Mr. Vargas and can be found on page 67 of the agenda.

D. Committee Member Reports
- There were none.

VII. ACTION CALENDAR

A. Draft ICTC Overall Work Program (OWP) and Budget, FY 2018/2019
Mr. Baza and Ms. Williams presented the draft budget.

It was requested that the ICTC Management Committee forward this item to the Commission for review and approval after public comment, if any.

VIII. NEXT MEETING DATE AND PLACE

A. The next meeting of the Imperial County Transportation Commission will be held on Wednesday, July 25, 2018 at 6:00 p.m., at the County of Imperial Board Chambers, at 940 W. Main Street, El Centro, CA.

IX. ADJOURNMENT

A. Meeting adjourned at 8:26 p.m.
V. REPORTS

A. ICTC EXECUTIVE DIRECTOR REPORT
B. SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS REPORT
C. CALTRANS REPORTS
Memorandum

Date: July 2, 2018
To: ICTC Management Committee Meeting
From: Mark Baza, Executive Director
Re: Executive Director’s Report

The following is a summary of the Executive Director’s Report for the Management Committee Meeting on July 11, 2018.

1) Calexico Intermodal Transportation Center (ITC): A new Intermodal Transportation Center in the City of Calexico has been part of ICTC’s long range transit planning. The new Calexico ITC will serve as a regional mobility hub that will accommodate bus bays for Imperial Valley Transit in addition to the City of Calexico’s private transit operators, taxis and farm labor buses. ICTC received a Congestion Mitigation and Air Quality federal program fund to complete the environmental and design plans of the new Calexico ITC. ICTC staff is in the process of completing the contract award for a consultant firm that will complete the environmental and design phase. Currently, ICTC staff is completing the Caltrans award review process with multiple Caltrans’ departments. ICTC staff anticipates an award for design during the July Commission meeting.

2) Executive Director Annual Evaluation Process: As described in the ICTC Executive Director Evaluation Policy, the process began in April with the creation of the evaluation committee. The Commission is convening in an evaluation committee. The Commission will complete the process at the July meeting.

3) Calexico West Port of Entry Traffic Circulation Plan: Caltrans authorized a special planning grant to perform a traffic management study to assist the City of Calexico and the Imperial Valley region to analyze and propose traffic management strategies and alternatives to serve traffic flow for the Calexico West Port of Entry expansion. The expansion will have two access points: One, from current access at SR-111/Imperial Ave.; and, a Second at Cesar Chavez Blvd and 2nd St. SCAG, Caltrans and ICTC will lead study in partnership with the City of Calexico, Customs and Border Protection and General Services Administration. The Request for Proposals (RFP) was due on March 14, 2018 and the consultant selected was KOA. The project kick-off meeting took place on April 19, 2018 in the City of Calexico. In attendance at the Kick-off meeting was staff from SCAG, ICTC, Caltrans, KOA, and the City of Calexico. Two technical stakeholder meetings have been held, the first on May 1, 2018 and the second on June 6, 2018. In attendance at the technical stakeholder meetings was staff from KOA, ICTC, Caltrans, City of Calexico, GSA, CBP, and Mexican Aduanas. During the second technical stakeholder meeting, attendees agreed upon a traffic circulation that would serve as the new southbound vehicle travel into the newly constructed Calexico West POE. The new southbound access to the Calexico West POE will open on July 10, 2018. On Thursday, June 21, 2018, an all-day public outreach event was held at the Carmen Durazo Cultural Arts Center in Calexico to inform the public of the July 10th southbound traffic shift. A second public outreach event will be scheduled in late August 2018 to inform the public of the upcoming northbound traffic shift of the Calexico West POE that is anticipated to be completed in September 2018.
4) **Imperial Mexicali Binational Alliance Meeting:** IMBA met on May 10, 2018 at the Cultural Arts Center in the City of Calexico. The following items were addressed: Calexico POE Phase I Improvements by GSA and Aduanas; Border Delay Study by SANDAG, Air Quality Coordination Update; and, the New River Improvements by the City of Calexico. The next IMBA meeting is scheduled for July 19, 2018 in the city of Mexicali.

5) **Imperial Valley General Assembly and Economic Summit:** ICTC and IVEDC hosted the Imperial Valley General Assembly and Economic Summit on May 31, 2018 at the Old Eucalyptus Schoolhouse in El Centro. The keynote speakers for the Economic Summit were Michael Bracken from Development Management Group and Iddo Benzeev from Highland Fairview. The keynote speaker for the General Assembly was Congressman Juan Vargas of the 51st District of California. The event was well received with over 130 people that attended.

6) **LTA Bonding opportunity:** The cities of Calipatria, Calexico and Holtville are pursuing a new series of LTA bonding to assist in the completion of projects. The cities will take action to proceed by mid-June 2018. The LTA Board took action to proceed on June 27, 2018.

7) **State Route 98 and Cesar Chavez Blvd.:** As part of the POE Expansion project, SR-98 and Cesar Chavez Boulevard are being widened and improved to serve the expansion to the west. The City of Calexico received CTC approval for allocation of Border Infrastructure Program funds on March 21, 2018; and the project is scheduled to begin construction in early summer 2018. Caltrans’ SR-98 work between VV Williams and Ollie Avenue was completed in March 2018. Caltrans is working on a second segment on SR-98 between Rockwood Avenue and Ollie Avenue is in the design and right-of-way phase. ICTC and Caltrans submitted a grant application through SB 1 Trade Corridor Enhancement Program. The CTC approved $3.4 million from the SB 1 Trade Corridor Enhancement Program to complete construction.

8) **Calexico East Commercial Vehicle Port of Entry Expansion Project:** ICTC submitted the Calexico East Commercial Vehicle Port of Entry Expansion Project under the California Sustainable Freight Action Plan: Pilot Project Ideas. The proposed elements of the Calexico East Expansion include: bridge expansion, commercial vehicle primary inspection booths and road construction is estimated at $65 million. ICTC is pursuing discretionary freight program funding for the bridge expansion for an estimated total cost of $28 million. Pending the possible funds for the bridge expansion, ICTC will pursue a donation authority request to U.S. Customs and Border Protection. In October 2017, ICTC staff coordinated with Caltrans to submit an application for grant funding under the State’s Freight funding available under SB-1 and the State’s share of the 2015 federal transportation bill (FAST Act), response for this grant program in May 2018. The CTC approved our request for $3 million to complete the project approval and environmental proceed for the bridge expansion.

9) **State Route 86 (Northbound) Border Patrol Checkpoint:** In August 2017 following a year of coordination, Caltrans, the County of Imperial and ICTC met with CBP management and operations staff achieved consensus for a new conceptual alternative prepared by Caltrans. The LTA Board met on September 27, 2017, staff presented the Board with a fund request for $1.3 million from the 5% Regional Highway Set-Aside from the Measure D allocations. The request was approved. Staff met with Caltrans and CBP on December 20, 2017 at the ICTC to finalize agreements and discuss next steps. A meeting was held on February 13, 2018 with CBP, Caltrans, County of Imperial and ICTC at the ICTC offices. The project team proposes to design and construct two lanes for primary inspection, a newly constructed canopy placed over State Route 86, and two lanes of secondary inspection to use during peak periods. A Consultant Agreement with AECOM for design and construction engineering was approved by the LTA on February 28, 2018. Currently design is underway by the consultant. The Consultant has completed 15% of the conceptual design. The consultant team and project stakeholders met on May 8, 2018. All stakeholders provided good input to the consultant team towards development of 35% design plans. Drafts of 35% plans are scheduled for completion in late June 2018.

10) **Brawley Bus Stop Improvement Project** ICTC obtained funding to complete citywide bus stop improvements for the city of Brawley. Improvements consisted of but were not limited to sidewalk, handicap access ramps, loading pad and bus shelter improvements. The project was awarded to Pyramid Construction for approximately $1 million and construction activities began in February 2018. The City of Brawley’s contractor
has completed construction and installation of the bus shelter infrastructure. Final grant closeout is expected in June 2018.

11) Community of Niland Bus Stop Bench and Shelter Request: The ICTC submitted a formal request to the California Department of Transportation (Caltrans) District 11 requesting their assistance in identifying a location for a bus stop bench and shelter in the Community of Niland along State Route 111 (SR-111). The shelter has been installed in an existing parking lot on the east side of SR-111.

12) Heber Bus Stop & Pedestrian Access Improvements on State Route 86: The community of Heber has had a need to improve pedestrian and bus stop access along State Route 86. The ICTC Commission granted the use of Regional Set-Aside Local Transportation Authority (LTA) funds for the project. Caltrans has served as the project lead; the first phase was recently completed in November 2017. Phase 1 included bench, bus shelter and ADA access improvements. Phase 2 was recently completed in mid-June 2018 and consisted of curb and sidewalks improvements from Parkyns Ave to Heber Ave. Phase 3 will also have curb and sidewalk improvements and is located between Heffernan to Parkyns Ave. The Phase 3 construction improvements will be delayed until Fall 2018 when temperatures cool down. Community outreach may be necessary prior to initiating construction for Phase 3 as road closures and detours may be necessary.

13) 2018 ICTC Bus Stop Bench and Shelter Inventory: The Project Consultant team Kimley Horn and Associates, and Agency Stakeholders from ICTC, Brawley, Calexico, El Centro and Imperial met on January 31, 2018 to review and discuss the current status of the ICTC Bus Stop Inventory, Signage Replacement and Technology Assessment Project. The items reviewed included the consultant prepared Bus Stop Inventory, Asset Condition Report, ADA Assessment Report, Bus Stop Usage Priority List and Bus Stop Signage installation parameters and requirements. ICTC and member agency staff have worked together to complete the priority list for implementation and pursuit of funding. Bus stop signage specifications with specific route information are being finalized.

14) Preparation of FTIP 2019: The 2019 Federal Transportation Improvement Program (FTIP) Guidelines have been prepared to facilitate the work of the County Transportation Commissions (CTCs) (Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura Counties), transit operators, and the State of California Department of Transportation Caltrans in development of county Transportation Improvement Programs (TIPs) for inclusion in the Southern California Association of Governments (SCAG) 2019 FTIP. These Guidelines assist in the development of the county TIPs that fulfill the legal, administrative and technical requirements prescribed by the law and which minimizes duplicate efforts by the CTCs, Caltrans, SCAG and/or other agencies. The ICTC Board approved the resolution in February and was submitted to SCAG to proceed with project analysis. FTIP approval is scheduled for December 2018.

15) 2018 Short Range Transit Plan (SRTP): ICTC staff developed a Request for Proposals (RFP) that was released on September 1, 2017 to complete an update to the 2011 Short Range Transit Plan (SRTP). This is a planning document that identifies transit services and capital improvements over the next three to five year period, with expected available resources. The project unfolds over an approximately 12 month period. The goal is to have an updated report with bilingual public participation. ICTC awarded the contract to the firm AECOM at the December 13, 2017 Commission meeting. The project kick off meeting was held on January 17 at the ICTC offices. The outreach process began in February. The consultant team held intercept interviews at bus stops on February 13th and stakeholder meetings were held with social service agencies at the ICTC offices on February 14, 2018. Public workshops were held on April 23rd and 24th in the communities of Calexico, Niland, Brawley and El Centro. The public workshop concepts can be reviewed on the ICTC website at http://www.imperialctc.org/short-range-transit-plan/. The consultant team is currently reviewing and analyzing data; and preparing a list of proposed service improvements to evaluate and prioritize.

16) Funding for Phase II of the Calexico West Port of Entry: As previously noted, Congress authorized $98 million for Phase 1. The U.S. General Services Administration (GSA) began construction for Phase 1 in December 2015 with completion now scheduled for July 2018. $275 million for Phase 2 has been identified in the President’s budget for FY 2018/2019 and is pending Congressional approval.
17) **State and Federal funding Obligations:** Beginning October 1, 2017, agencies are allowed to move forward with request for authorization (RFA) for Congestion Mitigation Air Quality (CMAQ), Regional Surface Transportation Program (RSTP) and Active Transportation Program (ATP) programmed in FY 2017/2018. Agencies are encouraged to submit their RFA’s in May 2018.

**Regional Total FY2017/2018** $6,541,000

18) **Partnerships with IVEDC:**

a) **Southern Border Broadband Consortium (SBBC):** ICTC in partnership with IVEDC received a California Advanced Services Regional Consortia Grant award of $450,000 from their Rural and Regional Consortia program. The grant will cover a 3-year period. ICTC will be the fiscal agent and is working on developing dan MOU which will define roles and responsibilities (Audits, Administration and Project Management) for ICTC and IVEDC. Since award, IVEDC staff has been meeting monthly with Consortia members and other webinars toward development of strategies for providing Broadband services for underserved communities. On April 27, 2018, the SBBC held its quarterly meeting highlighting activities by key stakeholders in San Diego and Imperial Valley.

b) **The Brawley Transit Corridor Brownfield Assessment:** ICTC in partnership with IVEDC received a U.S. Environmental Protection Agency (EPA) Brownfields Communitywide Assessment Grant award of $300,000 from the Environmental Protection Agency’s Brownfields Assessment Program. This assessment will be focused along the transit circulator route within the 13 mile Imperial Valley Transit’s (IVTs) Brawley Gold Line Transit Route and the Brawley Transit Center that serves as the IVTs North Imperial County transfer terminal. The commercial corridors in the target assessment area include over 100 known commercial properties and suspected historical gas station sites with known or suspected underground
tanks in the target area. ICTC will be the fiscal agent and has developed an MOU which will define roles and responsibilities (Audits, Administration and Project Management) for ICTC and IVEDC. ICTC and IVEDC coordinated to develop a Request for Proposals (RFP) for qualified firms to carry out the study analysis. Ten proposals were received. The contract has been awarded to SCS Engineers and the kick-off meeting was on May 1, 2018. *SCS Engineers has initiated early Tasks that include the Quality Assurance Project Plan (QAPP) and project management plan as required by EPA.*

19) **I-8 / Imperial Avenue Interchange Reconstruction:** ICTC staff submitted the 2018 State Transportation Improvement Plan to the CTC on December 15, 2017. *Caltrans is working to complete the right-of-way acquisition, utility relocation and final design. As presented to the CTC, the current schedule to begin construction is in FY 2019/2020. Mr. Baza presented the STIP recommendations to the CTC at the STIP Hearing on January 25, 2018. The 2018 STIP was adopted by CTC at the March 2018 meeting.*

20) **California HERO Program:** The California Hero Program was launched in April 2014 in Imperial County with ICTC as the administering agency. A copy of the program activity report up to June 2018 is attached for your review.

21) **State Legislation for Transportation Funding – SB 1:** On August 24th ICTC staff hosted a TAC workgroup to discuss the upcoming expected actions to be undertaken by cities and county. The workshop discussed the Local Streets and Roads Program and the Local Partnership Program. Representatives from the cities and county were recommended to focus on the upcoming deadlines under the Local Streets and Roads Program. An estimate of Local Streets and Roads Program revenues were provided during the workshop. The estimates per agency included FY2017/2018 and FY2018/2019 Local Streets and Roads Program revenues. All cities and the county were responsible to submit a project list and an amended budget for FY2017/2018 to the California Transportation Commission (CTC) by October 16, 2017. ICTC staff has received confirmation that all agencies submitted a project list for FY 2017/2018 to CTC.

$1.5 Billion annually will go to cities and counties for local road improvements. The following are projected annual revenues for the Cities and the County of Imperial for FY 2017/2018.

The 2018 Local Partnership Program is comprised of formulaic program and competitive programs. In FY2017/2018 total amount available statewide is $200M and distribution is 50/50 for both formulaic and competitive programs. The formulaic program share distributions for the Local Partnership Program were presented at the CTC meeting in December 6-7, 2017. During the meeting the CTC Commission took action and approved the distribution of funds for the formulaic portion, the funding share for Imperial County in FY2017/2018 and in FY2018/2019 is estimated at $538,000. According to the program guidelines and CTC staff, there is one time opportunity to rollover funds to the following fiscal year in order to maximize opportunity to use funds. Project applications for formulaic program are due December 15, 2017 to CTC. For FY2017/2018, no projects were submitted for the formulaic program and funds will be rolled over to FY2018/2019. Applications for the competitive program are due January 30, 2018 to CTC. The following is the link to the 2018 Local Partnership Program guidelines:

22) Active Transportation Program (ATP) Augmentation Planning Grant Opportunity: As a part of Senate Bill (SB) 1, the 2017 Active Transportation Program (ATP) Augmentation is funded from the approximately $200 million allocated from the Road Maintenance and Rehabilitation Account to the ATP in fiscal years 2017-18 and 2018-19. The Road Maintenance and Rehabilitation Account funds are state funds. Therefore, projects funded in the 2017 ATP Augmentation do not need to be federal-aid eligible. The initial programming capacity for the 2017 ATP Augmentation program is in fiscal years 2017-18 and 2018-19. Some fiscal year 2019-20 and 2020-21 programming capacity may become available as previously programmed projects request advancement into fiscal years 2017-18 and 2018-19.

The County of Imperial was awarded an ATP Augmentation Grant for sidewalk improvements on Rio Vista in the Community of Seeley. The grant is $369,000 with a local match of 1.2 million for a total project of $1.5 million.

The CTC has announced ATP Cycle 4 Call for Projects at the state level. The Cycle 4 Call for Projects is expected to include about $440M in ATP funding made up of Federal funding and State SB1 and State Highway Account (SHA) funding. The funding/programming years are expected to include 19/20, 20/21, 21/22 and 22/23 funding years. Applications were due on May 16, 2018. For more information refer to the Caltrans ATP page: http://www.dot.ca.gov/hq/LocalPrograms/atp/cycle-4.html

23) SCAG’s Sustainability Grant Program – Imperial County Regional Climate Action Plan: ICTC was awarded a SCAG Sustainable Planning Grant to develop a Regional Climate Action Plan. ICTC staff will work in collaboration with SCAG staff to develop and release a request for proposal to select a consultant that will develop the Regional Climate Action Plan. ICTC will serve as the day to day project manager and SCAG staff will serve as the administrative project manager. The goal of the project is to develop a regional framework for addressing Green House Gas (GHG) emissions for a Regional Climate Action Plan that allows each local agency to customize and fit into the context of the community each jurisdiction serves, that can be used at the local level in the development of jurisdiction – specific Climate Action Plans (CAPs). ICTC staff is currently finalizing the scope of work language in collaboration with SCAG staff and plans to release a request for proposal August 2018.

24) Westshores Transit Opportunities: In Preparation for the Short Range Transit Plan, staff is exploring transit connection opportunities with Sunline Transit that serves the Coachella Valley region, and pursuing grant opportunities for interregional transit services to/from Westshores and Coachella. Together we will be pursuing available grant opportunities to provide service connections. Update - On Friday, May 19, 2017, ICTC and IVT RIDE staff held a 2nd transit service outreach at the Imperial Valley Food Bank’s distribution site in
Westshores from 7:30 am – 9:30 am. ICTC staff met with SunLine staff in Palm Springs on June 2, 2017 to continue dialogue for potential opportunities. This area has been listed for review of services in the Short Range Transit Plan.

25) **California-Baja California Binational Region:** A Fresh Look at Impacts of Border Delays: Building upon previous Caltrans, SANDAG, and ICTC studies, this project will refine the economic models developed to assess economic impacts of delays at the land ports of entry (POEs) between the San Diego and Imperial Counties region and Baja California, Mexico, on the border region economies. It will also estimate greenhouse gas (GHG) emissions of passenger and commercial vehicles due to northbound and southbound border delays at the six California POEs, and propose strategies to reduce GHG emissions at the border region. Lastly, extensive outreach to government agencies, local border communities, and private sector stakeholders will be conducted. Extensive data collection and modeling work has been conducted on these areas by ICTC, SANDAG and other agencies, this project will build upon that work. The consultant team is completing the development of the survey instrument that will be used in all 6 POEs. The Consultant team is currently working on the emission analysis deliverables. A project team meeting was held on May 22, 2018 to discuss the findings of the emission and economic impacts for Imperial County.

26) **Meetings attended on behalf of ICTC:**
- June 11, 2018 – City of Holtville City Council Meeting
- June 13, 2018 – ICTC Management Committee Meeting in El Centro
- June 15, 2018 – Regional CEO’s and County Transportation Commission CEO’s/SCAG Meetings in Los Angeles
- June 18, 2018 – Prioritizing Transportation Infrastructure Investments: Agricultural Supply Chains at the SANDAG Offices
- June 21, 2018 – Calexico TCP - Community Outreach in Calexico (attended by staff)

27) **Community Outreach Events attended on behalf of ICTC:**
- June 14, 2018 – Westshores CA – Senior Nutrition Center

28) **Upcoming Community Outreach Events:**
- TBA

Memorandum

Date:    July 11th, 2018
To:      ICTC Management Committee Meeting
From:    David Salgado, Regional Affairs Officer (RAO)
Re:      Southern California Association of Government’s Report

The following is a summary of the SCAG Executive Director’s Report and/or Federal and State Legislature Staff Report for the Imperial County Transportation Commission Management Committee Meeting July 11th, 2018.

1. **SCAG Go Human Campaign:** SCAG is entering the 3rd year of the GO-Human Marketing and Advertising Safety and Encouragement Campaign implemented throughout the 6 county SCAG region. We’ve had great participation and engagement in Imperial County and would like to build upon the success. The new round of advertising will integrate Vision Zero and new messaging developed from gathered feedback. The campaign will run through the month of May to coincide with “National Bike Month” and during July and August to promote safe walking and biking during “back to school.” If any agencies would like to participate and partner with SCAG to promote GO Human, please reach out to SCAG Regional Affairs Officer (RAO) David Salgado or Assistant Regional Planner Julia Lippe-Klein (213) 236-1856.

2. **2018 Active Transportation Program Call for Projects:** It is anticipated Cycle 4 of the Active Transportation Program (ATP) Call for Projects was released May 16, 2018 after adoption of the draft guidelines and fund estimates by the California Transportation Commission (CTC). **Applications will be due July 31, 2018.** SCAG is committed to ensuring the region is successful under the state call for projects and may be able to assist upon request. SCAG will also receive a separate pot of “regional” ATP funding following the state call for projects to be distributed at the regional level. This provides two opportunities for funding under one call for projects. All applications must be received under the initial state call for projects. Please feel free to contact SCAG RAO David Salgado with any questions.

3. **2020-2045 Regional Transportation Plan/Sustainable Communities Strategy (RTP-SCS) –** On June 7, 2018 SCAG held a joint policy committee meeting before it regularly scheduled
Regional Council meeting. This joint meeting served to provide SCAG staff an opportunity to present the framework for the 2020-2045 RTP/SCS which is the SCAG 6 county region long range regional transportation plan. The RTP/SCS provides for the development and integrated management and operation of transportation systems and facilities that will function as an intermodal transportation network for the SCAG metropolitan planning area. The overview was provided by the Director of Planning, Kome Ajise and provided a high level overview of the components, processes, and potential time frames of the plan. The process for development of the RTP takes into account all modes of transportation and is accomplished by a “continuing, cooperative and comprehensive” (3 C’s) planning approach, which is also performance driven and outcome based. Please feel free to contact SCAG with any questions.

4. **2019 Regional Conference and General Assembly:** Thank you to those of you who attended this year’s General Assembly and Regional Council meetings at the Renaissance Esmeralda Indian Wells Report and Spa in Indian Wells on May 3rd and 4th, 2018. SCAG had a great program line-up with over 900 registered attendees. Please mark your calendars for the 2019 SCAG General Assembly to take place May 2-3, 2019 at the J.W. Marriot Desert Springs Resort in Indian Wells. This year SCAG will not be providing the breakouts in a recorded files for later review. For questions please feel free to contact David Salgado @ SCAG.

5. **SCAG Policy Committee Appointments:** At the April 5th, 2018 Regional Council Policy Committee meetings Imperial County Supervisor and Regional Council Member Luis Plancarte was appointed as the Vice-Chair of the Energy and Environment Committee (EEC). El Centro Mayor and SCAG Past President Cheryl Viegas-Walker was appointed as the Vice Chair of the Transportation Committee (TC) Vice-Chair.

6. **SCAG Downtown Los Angeles Relocation:** SCAG relocated to the new Downtown Headquarters located at The Wilshire Grand Center. The new address is 900 Wilshire Boulevard, 17th Floor, Los Angeles, CA 90017. The building is a brand new LEED Certified Class A Building and provides for a more advanced space for SCAG to grow into. The new space will also have improved spaces for SCAG’s regular public meetings and workshops.

7. **SB 1 Road Repair and Accountability Act of 2017:** The bill passed by a vote of 27-11. The bill provides $52.4 billion over 10 years for transportation by raising California’s gas excise tax 12 cents to 30 cents a gallon, with annual adjustments for inflation. The diesel excise tax will also go up 20 cents to 36 cents a gallon. Funds will also be raised by fee increases on vehicle registrations which will be proportionate to the vehicle model year and will range from $25 to
8. **SCAG 2017 Local Profiles:** 2017 Final Local Profiles are posted on the SCAG website and readily available. Hard copies may be provided upon request. Questions can be directed to Ping Chang or Mike Gainor at SCAG.

9. **2017 SCAG Presidents Strategic Plan (PSP) Update:** SCAG has convened a strategic planning committee composed of executive management, leadership, and staff in order to develop and update SCAG’s Strategic Planning Document. The new SCAG Strategic Plan was adopted as one of the first items of the new year at the February 2018 Regional Council Meeting. The Strategic Plan has not been updated since 2009 and provides a framework for the agencies work Plan and continued success. Imperial County RAO David Salgado participated on the PSP Committee.

10. **2016 RTP/SCS FINAL APPROVAL** – On April 7, 2016, SCAG’s Regional Council adopted the 2016 RTP/SCS, a long range visioning plan that balances future mobility and housing needs with economic, environmental and public health goals. The Plan charts a course for closely integrating land use and transportation – so that the region can grow smartly and sustainably. It outlines more than $556.5 billion in transportation system investments through 2040. The Plan was prepared through a collaborative, continuous, and comprehensive process with input from local governments, county transportation commissions, tribal governments, non-profit organizations, businesses and local stakeholders within the counties of Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura.

The 2016 RTP/SCS is available for download by chapter or as one file. Please note that some files are large and may take longer to download depending on individual connection speeds. We strongly recommend that you first download it onto your computer before opening the file. All files are in Adobe Acrobat PDF format. The executive summary is available upon request.
The following is the California Department of Transportation, District 11 report for the Imperial County Transportation Commission (ICTC) Management Committee meeting of July 12, 2018:

1. **Project Updates:**

Please see maps at end of report for project level detail.

2. **Construction:**

**Interstate 8 (I-8) Continuously Reinforced Concrete Pavement Project (CRCP)**

I-8 CRCP Project was divided into five segments with segments 1-3 being complete. The entire project is scheduled for completion in 2019.

Segment 4: This segment is divided into two sections located near El Centro from west of I-8/SR-111 separation to just west of Anderholt Road overcrossing and from east of the East Highline Canal Bridge to west of the I-8/SR-98 separation. This segment began construction on July 10, 2017. Traffic was switched to the completed eastbound concrete lanes in late March. The westbound lanes are under construction with work expected to be completed in October 2018, before moving to section two.

Segment 5: Located near Winterhaven from west of Ogilby Road overcrossing to west of the I-8/SR-186 separation. This seven-mile segment began construction the week of June 12, 2017. All lanes are opened (with minor closures), and work is expected to be completed by the end of June.

This project is expected to be completed one year ahead of schedule.
Construction (continued):

SR-86/Heber Pedestrian Improvements

This project will construct sidewalks and a bus shelter. Construction on Phase 1 is complete. Phase two was completed at the end of June. Due to issues with high temperatures, Phase three will be starting in fall 2018.

3. Traffic Operations:

SR-86/Customs & Border Protection Checkpoint Expansion

Caltrans recently provided a design alternative with cost estimate to ICTC. The design will allow for two lanes for use by CBP under a newly constructed canopy to be placed over SR-86, and two lanes of secondary inspection during peak periods, which should reduce or eliminate queuing of traffic during these time periods. This was approved by the Commission in late 2017.

The consultant met with ICTC, CBP and Caltrans to review the first design submittal on May 8, 2018. AECom will revise the design concept based on inputs from Caltrans and CBP and will submit the preliminary design.

SR-98/Birch Street

Caltrans Highway Operations is obtaining quotes for new speed feedback posts. The speed feedback signs will be reset to a 24 hour schedule.

Signage on I-8 Directing Trucks to SR-7:

The two guide signs to direct trucks to use SR-7 from I-8, located on eastbound I-8 prior to SR-98 and SR-111, and one sign on southbound SR-111 to direct trucks to use east I-8 to south SR-7 were installed in May 2018.

No additional guide signs will be installed on westbound I-8 as there are existing guide signs to direct trucks to use SR-7 for border crossing prior to the I-8/SR-7 connector.

All American Canal Bridge/SR-186

A public hearing was held on February 21, 2018 at the County of Imperial Department of Public Works office in El Centro to place warning signs for weight restrictions.

The BOR has requested that Caltrans investigate constructing a separate structure over the All American Canal. Caltrans has agreed to do a Feasibility study to look at options for a new crossing.
4. **Planning:**

**Calexico Traffic Management Plan**

Caltrans has been awarded a grant from the Federal Highways Administration (FHWA) State Planning & Research funds, with an 80/20 in-kind match by the Imperial County Transportation Commission (ICTC) to fund a $100,000 Traffic Management Plan (TMP) for access to the Calexico West Port of Entry (POE).

This effort will have a two-phase approach. Phase one will address access for opening day traffic conditions. Phase two will provide further analysis and recommendations for potential traffic shifts for the 60-90 day period beyond opening day conditions.

The Calexico West POE is scheduled to be complete in late Summer 2018. Opening of the POE will require the City of Calexico to make necessary improvements to Cesar Chavez Boulevard which will serve as future access to the POE. Caltrans and the City of Calexico will work cooperatively with other local and regional partners to identify other traffic improvements and changes which may be required by changing patterns.

The second Technical Working Group meeting was held on June 6, 2018 and attended by numerous local and regulatory agencies. The Consultant presented various scenarios for changes in traffic patterns to address the new access. A public outreach event was held on Thursday, June 21, 2018 in the City of Calexico which was well attended by over 100 residents, business owners and local agencies. The next public outreach will be held on August 23, 2018.

*Southbound access to the POE will switch effective Tuesday, July 10, 2018 at 7:00 a.m. Northbound traffic is expected to shift on September 1, 2018.*

**Grants Underway:**

**A Fresh Look at Impacts of Border Delays at CA/BC POEs**

In May 2016, the San Diego Association of Governments received two Caltrans grants for a total of $670,000 to study the Effects of Border Wait Times on the Economy and Air Quality/Climate Change Emissions. This is a cooperative effort between SANDAG, ICTC and Caltrans under contract with HDR.

**Recent Activities:**

*Work on the Economic portion of the grant will continue until December 31, 2018.*
Planning (continued):

Imperial County Active Transportation Plan

The County of Imperial, Caltrans and the selected consultant, KOA, met in mid March 2018 to discuss final scope of work details and initiate work on this ATP contract. The plan will cover six areas of the county; Heber, Ocotillo, Niland, Salton Sea, Seeley, and Winterhaven/Bard.

Initial outreach efforts have been held in each location; however, due to limited attendance and input, another series of outreach is being held in June. This secondary effort has been much better attended, and valuable input received.

5. Local Assistance:

Inactive Projects

Future inactives should be billed within the specified and agreed upon timeframe to avoid a unilateral deobligation of funds.

The inactive and future inactive list was updated as of June 27, 2018. Action is required by the following agencies: City of Imperial, Calexico, County of Imperial and El Centro. All inactive and future inactive invoices should be submitted to the District Local Assistance Engineer (DLAE) before the District 11 deadline of July 20, 2018.

Note: An invoice is not cleared off the inactive or future inactive until it has been paid by the State Controller’s Office.

A complete list of inactive projects can be found at the link provided below.

http://www.dot.ca.gov/hq/LocalPrograms/Inactiveprojects.htm

ATP Cycle 4 Call-For Projects

The ATP Cycle 4 Call for Projects opening date was May 16, 2018 and applications are due on July 31, 2018.

Video webinar recordings providing application details, eligibility, and all necessary documentation have been posted online under ATP Cycle 4 Training Information at:

http://www.dot.ca.gov/hq/LocalPrograms/atp/cycle-4.html

The Cycle 4 Call for Projects is expected to include about $440M in ATP funding made up of Federal funding and State SB1 and SHA funding. The funding/programming years are expected to include 19/20, 20/21, 21/22 and 22/23 funding years.
Local Assistance (continued):

Potential applicants are encouraged to check the Caltrans and CTC ATP websites for future updates.

CTC – ATP website: http://www.catc.ca.gov/programs/ATP.htm

For project specific and call for project questions, please contact Bryan Ott, District 11 ATP Coordinator at (619) 220-5310 or via email at bryan.ott@dot.ca.gov

Local Assistance Manuals Updated

The Local Assistance Procedures Manual (LAPM) and the Local Assistance Program Guidelines (LAPG) were updated in January 2018. Below are the links for the manuals:

- LAPM: http://www.dot.ca.gov/hq/LocalPrograms/lam/lapm.htm
- LAPG: http://www.dot.ca.gov/hq/LocalPrograms/lam/lapg.htm

Highway Safety Improvement Program (HSIP)

The Caltrans HSIP Cycle 9 Call for Projects is now open. Applications are due Friday, August 31, 2018. All applications will be submitted electronically only (no hard copy submissions). Any submittal after midnight of August 31, 2018 will not be accepted. For questions regarding the call for projects and how to submit an application, please contact Bryan Ott, District 11 HSIP Coordinator at (619) 220-5310 or via email at bryan.ott@dot.ca.gov or visit the Caltrans HSIP Cycle 9 website.

http://www.dot.ca.gov/hq/LocalPrograms/HSIP/apply_now.html

Applicants are expected to review the HSIP Guidelines and Local Roadway Safety Manual for California Local Road Owners prior to working on their specific applications:

- **HSIP Guidelines** - Provides overall guidance and general information for the HSIP program.
- **Local Roadway Safety Manual for California Local Road Owners** - Assists local agencies in preparing a proactive safety analysis of their roadway networks, identifying their safety improvement priorities and applying appropriate countermeasures. The local agencies are expected to utilize the concepts in this manual in developing safety projects for competing the HSIP federal funding.

For questions, you may contact Bryan Ott, District 11 HSIP Coordinator at (619) 220-5310 or via email at bryan.ott@dot.ca.gov.

Highway Bridge Program (HBP) Update

The HBP October Survey notification and submittal will occur in mid-August 2018.
Local Assistance (Continued)

Subsidized Classes for Local Agencies

The California Local Technical Assistance Program is a jointly funded effort between FHWA and Caltrans to provide local governments with training, information, technology and direct assistance to help improve transportation infrastructure. Upcoming courses are listed at this link:

Local Assistance Events

SAVE THE DATE: September 13, 2018 - Next SCLAMM

The September SCLAMM Meeting will be held at the Caltrans, District 11 San Diego Office in the Garcia Conference Room on September 13, 2018. Please register with Alma Sanchez at (619) 278-3735 or via email at alma.sanchez@dot.ca.gov by September 6, 2018. District 11 will request topics and discussion items prior to the meeting.

Training
For questions or to register for any training, please contact Local Assistance Training Coordinator, Alma Sanchez at (619) 278-3735 or via email at: alma.sanchez@dot.ca.gov.
Local Assistance (Continued)

Additional dates and location are available statewide for the Federal Aid Series - Please check for updates below.

October 2 & 3, 2018: Labor Compliance Training – Registration is Now Open
This two-day course is designed to teach local agency staff the basic requirements of prevailing wage requirements and how to apply these requirements, including reviewing and confirming certified payroll records and on-site documentation. Using hands-on exercises, and instructional aides, students will learn how to apply Davis-Bacon and Related Acts, the Code of Federal Regulations, the California Labor Code, and California Code of Regulations to all public works contracts. This two-day training will be held in Caltrans, District 11, at 4050 Taylor Street, San Diego in the Gallegos Conference room. The start time will be announced at a later date.

November 2, 2018: Bicycle Transportation: An Introduction to Planning & Design Training
Join the Active Transportation Resource Center (ATRC), in collaboration with Caltrans, for a new training course on Bicycle Transportation: An Introduction to Planning and Design. This hands-on course challenges you to explore the tools used to assess and evaluate the suitability of a transportation route and facilitate its use by all types of bicyclists. Participants will learn how to apply bicycle design concepts that best balance competing needs on a specific route. Current policy related to the future of active transportation will be discussed, and some supporting design documents will be identified. This one-day training will be held in Caltrans, District 11, at 4050 Taylor Street, San Diego, in the Gallegos Conference room. The start time will be announced at a later date. Registration is not currently open.

Subsidized Classes for Local Agencies
The California Local Technical Assistance Program is a jointly funded effort between FHWA and Caltrans to provide local governments with training, information, technology and direct assistance to help improve transportation infrastructure. Upcoming courses are listed at this link:

A. Agreement with Token Transit for Electronic Ticketing and Purchasing
ICTC Management Committee
Imperial County Transportation Commission
1503 N. Imperial Avenue, Suite 104
El Centro, CA 92243

SUBJECT: Agreement with Token Transit for Electronic Ticketing and Purchasing

Dear Committee Members:

The Imperial Valley Transit (IVT) system currently accepts cash payments via farebox and advance ticket sales. All advance ticket sales are distributed in the form of paper ticketing and offer small discounts to the buyer when buying in quantities of twenty (20). Paper tickets can be purchased at member agency City Hall’s and at the transit service maintenance facility located at 792 E. Ross Road, El Centro, CA 92243. Tickets can be purchased by members of the general public, private entities or public agencies alike.

In recent months, staff began discussions with a private for profit entity named Token Transit (Token) to potentially utilize Token’s mobile ticketing software. The software allows passengers, private and public entities to view available ticket options (Regional Zone, Local Zone, Senior, etc.) and purchase electronic tickets in single or bulk similar to that of paper tickets. The tickets are then stored on the purchasers mobile device for use at the passengers discretion. For public or private entities, the purchaser can distribute tickets to individual passengers via the app as long as the receiver has the app on their personal mobile device. The ability to distribute electronic tickets by the entity to a specific user will also deter possible fraudulent activities such as ticket copying or resales.

When utilizing the current paper tickets, passengers present the ticket(s) to the driver prior to inserting the ticket into the farebox. The tickets are later tallied and counted against fare revenue by the operator. When attempting to use the electronic ticket the passenger will access their archived electronic tickets and show it to the driver when boarding. The electronic ticket will have a timer and image to allow the driver to determine the authenticity of the ticket. Once the timer expires the electronic ticket will be removed from the passenger’s electronic ticket inventory and can no longer be used.

All electronic purchases will be deposited into an account which will be counted as fare revenues. Token will charge a 10% fee for all electronic ticket sales. Monthly accounting documentation will be prepared to ensure accurate fees are being paid and ticket sales are accounted for. Staff in conjunction with Token will review the monthly statements to determine accuracy. Token fees are expected to be variable so no definitive impact to the fare revenues can be determined.

CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND, IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL

T. Projects/ICTC/Token Transit 18-19 MC
Staff recommends the implementation of a one (1) year pilot program providing the mobile ticketing service to service lines that interact with the Imperial Valley College (IVC). Staff has discussed the proposed mobile ticketing service with IVC staff and has received positive feedback. If approved, staff intends to present the possibility of utilizing the mobile ticketing app with the student population prior to the commencement of the fall semester. Should the implementation of the application prove to be successful, staff will begin discussions with Token on extending the service agreement to expand beyond the pilot program’s one-year term.

It is requested that the ICTC Management Committee forward this item to the Commission for their review and approval after public comment, if any:

1. Authorize the Chairman to sign the Agreement with Token Transit to provide electronic ticketing and purchasing services effective July 1, 2018 through June 30, 2019.

Sincerely,

MARK BAZA
Executive Director

MB/ksw/cl

TOKEN TRANSIT™ AGREEMENT
FOR SOFTWARE AND SUBSCRIPTION SERVICES

This Agreement for Token Transit Software and Subscription Services ("Agreement") dated ______________, 2018 (the "Effective Date"), is made by and between Token Transit, Inc., a Delaware corporation ("TT"), with its principal place of business located at 350 Townsend St. Suite 110, San Francisco, CA 9410, and Imperial County Transportation Commission [TRANSIT PARTY], a county transportation commission created pursuant to California Public Utilities Code section 132800 [LEGAL ENTITY TYPE] ("Customer"), with its principal place of business located at 1503 N. Imperial Ave., Suite 104, El Centro, CA 92243 [ADDRESS] (each of TT and Customer may be referred to as a "Party") with respect to the following:

WHEREAS, TT is the owner of a transportation ticketing and administration service, software, and related materials (collectively, the "Service") which includes a downloadable mobile application (the "TT App") currently available for Android and Apple smartphone devices allowing riders to purchase transit passes using credit or debit cards (among other payment methods that may be added to the Service), and then activate those digital passes which are visually validated by transit operators at the time of use; and

WHEREAS, the Customer seeks to (i) use the Service for the sale and purchase of transit fares to allow riders of Customer’s transit system located in [LOCATION] (such riders of Customer are referred to herein as “Riders”) to ride for Imperial Valley College (IVC) students on Imperial Valley Transit (IVT) buses [name/describe specific transit mode/brand] (pre-paid digital transit fares for Riders purchased through the Service are referred to herein as “Digital Fares”) and (ii) to provide Feedback Information (defined below) to TT to enable TT to improve the Service;

NOW, THEREFORE, in consideration of the premises and the mutual covenants set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be bound hereby, the Parties hereby agree as follows:

TERMS AND CONDITIONS

Section 1 Service.

1.1 License Grant; Customer Policy Information.
(a) Subject to the terms of this Agreement, TT grants to Customer, during the Term, a limited, nontransferable, nonexclusive right to access and use the Service, as TT may modify it from time to time, in connection with Customer’s Riders, solely for Customer’s internal purposes. Riders will download the TT App directly from TT and/or TT’s authorized distribution platforms (e.g., the Apple App Store and/or the Google Play Store).
(b) Customer shall provide TT with information regarding Digital Fares such as refund and Digital Fare expiration information (“Customer Policy Information”). TT currently makes available a web portal as part of the Service which is subject to the terms herein (and TT’s then current website terms of service applicable to the web portal, if any) in order for Customer to upload Customer Policy Information and/or access certain data from TT such as payment reports. Customer represents and warrants that it has all rights and authorizations necessary to grant the rights stated in this Agreement, to provide TT with Customer Policy Information, and that the Customer Policy Information is accurate.
1.2 Restrictions. Customer shall not reverse assemble, reverse compile or reverse engineer the Service including any software, or otherwise attempt to discover any Service source code or underlying Confidential Information (as that term is defined below). For the avoidance of doubt, Customer is not granted any rights to distribute the TT App. Customer will not remove or export the Service or any TT Confidential Information from the United States.

1.3 Support Obligations.

(a) As part of the Services, TT will (i) make available through the TT App the ability of Riders to purchase Digital Fares and, based on the then current functionality of the TT App to view Customer Policy Information as may be provided by Customer and (ii) provide commercially reasonable customer service to Customer’s Riders with respect to the functionality of the TT App and to Customer in a manner consistent with the support that it provides all users of the TT App and its other transit customers, as TT determines in its discretion, respectively.

(b) Customer hereby authorizes the sale of Digital Fares to Riders via the Service. Customer shall be responsible throughout the Term (and thereafter as stated in Section 10.3) for (i) ensuring that the correct fare structure, including fees and Digital Fare expiration terms are incorporated into and/or provided through the Service, (ii) validating that each Rider has purchased the correct Digital Fare for the ride, as reflected in the TT App, at the time of the ride, (iii) ensuring that only authorized representatives access the web portal component of the Service on behalf of Customer and that all such data obtained by Customer from TT is used solely as permitted in this Agreement for Customer’s internal purposes and in compliance with all applicable laws, rules, and regulations (“Applicable Laws”), and (iv) providing all customer support for Riders relating to Customer’s transit service, which may include the ability to issue refunds to Riders through the TT web portal. Customer shall honor the Digital Fares and comply with the Customer Policy Information.

1.4 Feedback Information. TT seeks feedback and evaluation from Customer on the performance of the Service (“Feedback Information”), which Customer agrees to provide. TT may, at its sole discretion, utilize the Feedback Information to improve or to enhance the Service. With respect to the Feedback Information, Customer hereby assigns to TT any invention, work of authorship, idea, information, feedback or know-how (whether or not patentable) or other Feedback Information that is conceived, learned or reduced to practice in the course of performance under this Agreement and any patent rights, copyrights (including moral rights; provided that any non-assignable moral rights are waived to the extent permitted by law), trade secret rights and all other intellectual property rights of any kind with respect thereto. Customer agrees to take any action reasonably requested by TT to evidence, perfect, obtain, maintain, enforce or defend the foregoing. Feedback Information shall be deemed Confidential Information of TT.

1.5 Retained Rights. Except for the rights expressly licensed pursuant to this Agreement, TT retains all right, title, and interest in and to the Service (and all other products, works, and other intellectual property created, used, or provided by TT for the purposes of this Agreement).

Section 2 Confidentiality.

2.1 Confidential Information. As used herein, “Confidential Information” means all confidential and proprietary information of a Party (“Disclosing Party”) disclosed to the other Party (“Receiving Party”), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, including all code, inventions, know-how, business,
technical, and financial information. The terms of this Agreement, Rider Data (defined below), and any non-public element of the Service are deemed the Confidential Information of TT without any further marking or designation requirement. Confidential Information shall not include, or shall cease to include, as applicable, information or materials that (a) were available to the public on the Effective Date; (b) become available to the public after the Effective Date, other than as a result of violation of this Agreement by Receiving Party; (c) were rightfully known by the Receiving Party prior to its receipt thereof from the Disclosing Party; (d) are or were disclosed by the Disclosing Party generally without restriction on disclosure; (e) the Receiving Party received from a third party without that third party’s breach of agreement or obligation to the Disclosing Party; or (f) are independently developed by the Receiving Party.

2.2 Non-Disclosure. The Receiving Party shall not disclose or use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, except with the Disclosing Party’s prior written permission. For the avoidance of doubt, Confidential Information may be shared with the Receiving Party’s employees, contractors, agents, sub-contractors, or consultants as required to perform Receiving Party’s obligations hereunder; provided that, such individuals have agreed to be bound by obligations of confidentiality that are at least as restrictive as those contained in this Section 2. Each Party agrees to protect the confidentiality of the Confidential Information of the other Party in the same manner that it protects the confidentiality of its own proprietary and confidential information of like kind, but in no event shall either Party exercise less than reasonable care in protecting such Confidential Information. If the Receiving Party is compelled by law to disclose Confidential Information of the Disclosing Party, it shall provide the Disclosing Party with prior timely notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance. Absent the entry of a protective order, the Disclosing Party shall disclose only such information as is necessary to be disclosed in response to such subpoena, court order or other similar document.

Section 3 Rider Data.

3.1 Rider Data. The phrase “Rider Data” means and refers to any data provided or inputted by or on behalf of the Customer’s Riders via the Service (e.g., through the TT App) for the sale or purchase of Digital Fares using the TT App, which may include email address, full name, cardholder information, credit cards or debit card information and bank information of the Riders, and any other data as described in TT’s privacy policy for the TT App (as that privacy policy may be amended from time to time). Customer agrees and acknowledges that TT has a direct relationship with Customer’s Riders via the TT App through which it collects Rider Data (along with similar data from riders of other transit customers of TT), and accordingly, Rider Data is owned and controlled by TT.

3.2 TT Obligations. TT shall:

(a) use the Rider Data in compliance with its privacy policy (as it may be updated from time to time) and Applicable Laws; (b) comply with applicable Card Networks’ Operating Rules (i.e., applicable PCI standards, if any), as the same may be amended from time to time; provided, however, that Customer agrees and acknowledges that TT uses the services of third party payment processors who, as between TT and such third party, shall be solely responsible for their acts and omissions; and (c) maintain commercially reasonable industry-standard administrative, physical, and technical safeguards to protect the security and integrity of the Service and Rider Data.

3.3 Customer Obligations. In the event that TT, in its sole discretion, shares any Rider Data with Customer, Customer shall (a) use (i) Rider Data at all
times in compliance with the terms of this Agreement and (ii) personally identifiable Rider Data for the sole purpose of providing customer support to Riders during the Term; (b) use Rider Data in compliance with the then current TT privacy policy, Applicable Laws, and Card Networks’ operating rules (as the same may be amended from time to time), and any written instructions from TT; (c) maintain industry-standard administrative, physical, and technical safeguards to protect the security and integrity of Rider Data and notify TT in the event of any unauthorized access to, loss of, or use of Rider Data; (d) return or securely destroy such Rider Data at the request of TT and (e) treat such Rider Data as the Confidential Information of TT.

Section 4 Fees and Payment.

4.1 Fees. In consideration for the Services set forth herein, the Customer will pay a fee (“Fee”) in the form of commissions retained by TT for Digital Fares purchased by Riders through the Service during each calendar month as follows:

For each Digital Fare purchased by a Rider for use on Customer’s transit system during the Term, TT will retain a Fee of (a) 10% of the gross total proceeds of the transaction processed by the Service that is greater than or equal to $2.00 and (b) $.06 + 7% of the gross total proceeds of the transaction processed by the Service that is less than $2.00.

TT will forward the net total proceeds (less the Fee), taking into account any refunds, credits, chargebacks in accordance with TT’s then current policy, or other make-goods granted, to Customer on a monthly basis, within 5 business days following the end of each calendar month; for the avoidance of doubt, TT may delay payment if a negative balance occurs until Customer has a positive balance in its account.

4.2 Reports. TT shall provide Customer with reports showing the Fee calculation and/or access to an online reporting system as part of the Service (“Reports”). If Customer believes that TT has calculated the Fee incorrectly, Customer shall notify TT by no later than 30 days after the date on the first Report in which the error or problem appeared. TT will investigate such alleged error or problem, and will provide Customer an adjustment or credit if such error or problem is confirmed by TT.

4.3 Taxes. Each Party will be responsible for any applicable taxes and TT may withhold from any payments to Customer any taxes that are required to be withheld under Applicable Laws.

Section 5 Customer Identification; Use of Trademarks.

For the term of this Agreement, TT may disclose to third parties that Customer is one of its customers (including, without limitation, by using Customer’s name(s), mark(s), and logo(s) in its publicity and marketing materials, its website, social media and in the connection with the Service). Similarly, during the Term, Customer is authorized to use TT’s name, mark(s) and logo(s) in Customer’s municipal publications, website, social media, publicity and marketing materials, solely for publicizing the availability of the Service to its Riders.

Section 6 Warranty Disclaimer.

TT represents, and Customer acknowledges and agrees, that the Service is experimental in nature and that the Service, including all components thereof (e.g., the TT App), and access thereto are provided “AS IS” and may not be fully functional. TT DISCLAIMS ALL WARRANTIES AND CONDITIONS RELATING TO THE SERVICE, WHETHER LEGAL, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES AND CONDITIONS OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY, AND QUALITY AND FITNESS FOR A PARTICULAR PURPOSE, WHETHER ARISING FROM STATUTE, USAGE OF TRADE, COURSE OF DEALING OR OTHERWISE. THE PARTIES ARE NOT RELYING AND HAVE NOT RELIED
ON ANY REPRESENTATIONS, CONDITIONS OR WARRANTIES WHATSOEVER REGARDING THE SUBJECT MATTER OF THIS AGREEMENT, WHETHER LEGAL, EXPRESS OR IMPLIED. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING DISCLAIMERS, TT MAKES NO WARRANTY, AND PROVIDES NO CONDITIONS, AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICES, OR THAT THE SERVICES WILL BE ERROR-FREE OR AVAILABLE AT ANY GIVEN TIME.

Section 7  Indemnification.

7.1 TT Indemnification. TT shall indemnify, defend and hold harmless Customer from and against any and all third party claims, damages, losses, expenses or liabilities, including, but not limited to, reasonable legal fees, in each case payable to unaffiliated third parties, arising out of or resulting from the following: (a) the TT’s breach of confidentiality obligations under Section 2 of this Agreement; and (b) the willful misconduct or the gross negligence of TT, its officers, agents, and employees; and (c) breach of any covenant or representation herein.

7.2 Customer Indemnification. Customer shall indemnify, defend and hold harmless TT from and against any and all third party claims, damages, losses, expenses or liabilities, including, but not limited to, reasonable legal fees, in each case payable to unaffiliated third parties, arising out of or resulting from the following: (a) the Customer’s breach of obligations under Section 2 or Section 3.3 of this Agreement; (b) claims, including from Riders, regarding or relating to the Customer’s transit service including those relating to expired but unused Digital Fares and any unauthorized use or disclosure of Rider Data; (c) the willful misconduct or the gross negligence of Customer, its officers, agents, and employees; and (d) breach of any covenant or representation herein.

7.3 Conduct. A Party’s indemnification obligations under Section 7 shall not apply unless: (a) the indemnifying Party has the sole right to conduct the defense of any such claim or action and all negotiations for its settlement or compromise, and to settle or compromise any such claim; (b) the indemnified Party cooperates; and (c) the indemnified Party gives the indemnifying Party prompt written notice of any threat, warning, or notice of any such claim or action, with copies of any and all documents the indemnified Party may receive relating thereto.

Section 8  Damage Disclaimer and Liability Limitation.

8.1 Disclaimer of Damages. TT’s aggregate maximum liability for damages arising out of or in connection with this Agreement, whether based upon a theory of contract or tort (including negligence) or otherwise, shall not exceed the amount of the Fee paid or due during the prior 12 month period. The Parties further acknowledge that nothing in this Section 8.1 shall be deemed to waive the rights to equitable relief.

8.2 Exclusion of Certain Damages. Subject to (i) Customer’s obligation to pay Fees, (ii) breach of Section 1.2, and (iii) Customer’s infringement of TT’s intellectual property rights, to the maximum extent permitted by law, in no event shall either Party be liable for any special, punitive, consequential, incidental, or indirect damages, including loss of profits, income, goodwill, cost of procurement of substitute goods or services, or revenue, in connection with this Agreement.

8.3 Basis of Bargain. EACH PARTY RECOGNIZES AND AGREES THAT THE DISCLAIMERS AND LIMITATIONS OF LIABILITY AND REMEDY IN THIS AGREEMENT: (a) ARE MATERIAL AND BARGAINED FOR BASES OF THIS AGREEMENT; AND (b) THEY HAVE BEEN TAKEN INTO ACCOUNT AND REFLECTED IN DETERMINING THE CONSIDERATION TO BE GIVEN
Section 9 Non-Assignment.

Neither Party may assign or transfer this Agreement or any interest therein directly or indirectly, by operation of law or otherwise, without the prior written consent of the other Party, which shall not be unreasonably withheld; provided, however, that TT may assign or transfer this Agreement or any interest therein to an affiliate or a successor to all or substantially all of its business or assets, whether through an acquisition, merger, change of control, or otherwise. Any attempted assignment or transfer in violation of this Section shall be void and without effect.

Section 10 Term; Termination.

10.1 Term. This Agreement will commence upon the Effective Date and continue in effect for a period of 365 days commencing upon public launch of the Service for use with Riders, unless earlier terminated as set forth herein (“Initial Term”). Unless terminated earlier as permitted herein, the Agreement will be extended automatically for successive additional terms of 90 days at the end of the Initial Term and each renewal term (collectively, the “Term”).

10.2 Termination. Either Party may elect not to renew this Agreement by giving written notice to the other Party at least 20 days prior to the end of the then current (initial or renewal) term. Either Party may terminate this Agreement for any reason or no reason upon 30 days’ written notice to the other Party at the address listed above, or immediately upon notice of any breach by the other Party of the provisions of this Agreement. Upon termination, the license granted hereunder will terminate and Customer shall immediately return or, at TT’s election permanently destroy, any and all documents, notes and other materials regarding the Service to TT, including, without limitation, all software, Confidential Information, including any Rider Data, and all copies and extracts of the foregoing. At TT’s request Customer will certify that all Rider Data has been permanently deleted.

10.3 Obligations to Customer’s Riders Upon Termination. Upon termination or expiration of this Agreement (a) TT shall terminate the right of the Customer’s Riders to purchase any new fares on Customer’s transit service and (b) TT and Customer shall each keep active the right of customers to activate and use existing pre-purchased but unused Digital Fares for a period of 120 days from the expiration or termination date of this Agreement. For the avoidance of doubt, TT shall have no obligation to support pre-purchased Digital Fares for more than 120 days after termination or expiration of this Agreement regardless of Customer’s policy.

Section 11 General

11.1 Applicable Law. This Agreement shall become effective only upon its execution by both TT and Customer and it shall be governed by and construed in accordance with the laws of the State of California without regard to the conflicts of laws provisions therein. The jurisdiction and venue for actions related to the subject matter of this Agreement shall be the California State and United States Federal Courts located in San Francisco, California, and each Party hereby submits to the personal jurisdiction of such courts.

11.2 Legal Fees. In any action to enforce this Agreement, the prevailing Party will be entitled to costs and reasonable legal fees.

11.3 Severability. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provisions shall be limited or eliminated to the minimum extent necessary so that
this Agreement shall otherwise remain in full force and effect and enforceable.

11.4 Force Majeure. If the performance of this Agreement or any obligation hereunder is prevented or restricted by reasons beyond the reasonable control of a Party or its subcontractors, the Party so affected shall be excused from such performance to the extent of such prevention or restriction.

11.5 Entire Agreement and Amendment. This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof, and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties. There are no representations, warranties or other agreements between the Parties, in connection with the subject matter of this Agreement except as specifically set out in this Agreement. Any modifications of this Agreement must be in writing and signed by both Parties.

11.6 Notices. All notices, demands, requests or approvals to be given under this Agreement, must be in writing and will be deemed received when delivered personally, by email, or on the third business day after deposit in the mail, postage prepaid, registered or certified, addressed as follows:

All notices, demands, requests or approvals to the Customer:

Imperial County Transportation Commission
1503 N. Imperial Ave., Suite 104
El Centro, CA 92243
-Executive Director[notice contact information]

All notices, demands, requests or approvals to TT:

Token Transit, Inc.
350 Townsend St. Suite 110,
San Francisco, CA 9410
Attention: Morgan Conbere

11.7 Equitable Relief. Due to the unique nature of the Parties’ Confidential Information disclosed hereunder, there can be no adequate remedy at law for a Party’s breach of its obligations hereunder, and any such breach may result in irreparable harm to the non-breaching Party. Therefore, upon any such breach or threat thereof, the Party alleging breach shall be entitled to seek injunctive and other appropriate equitable relief in addition to any other remedies available to it, without the requirement of posting a bond.

11.8 Independent Contractors. The Parties shall be independent contractors under this Agreement, and nothing herein shall constitute either Party as the employer, employee, agent, or representative of the other Party, or both Parties as Parties to a joint venture or partners for any purpose.

11.9 Headings and Interpretation. The headings in this Agreement are for reference only and do not affect the interpretation of this Agreement. For purposes of this Agreement: (a) the words "include," "includes" and "including" are deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; (c) the words "herein," "hereof," "hereby," "hereto" and "hereunder" refer to this Agreement as a whole; (d) words denoting the singular have a comparable meaning when used in the plural, and vice versa.

11.10 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

11.11 Survival. Sections 1.2, 1.3(b), 1.4., 1.5, 2, 3.1, 3.3, 4 (e.g., for Fees not yet paid as of termination), 5, 6, 7, 8, 10.2 (obligations upon termination), 10.3.
11.11 and other terms which by their nature are intended to survive, shall survive termination or expiration of this Agreement.

11.12 Insurance. Each Party shall maintain throughout the Term insurance as it deems appropriate in connection with its respective obligations hereunder.

[SIGNATURE PAGE FOLLOWS]
In witness whereof, the Parties, having all required authority, have caused this Agreement to be executed on the date and year first written above.

Eric Havens
Deputy County Counsel
A. LTA 1% Administrative Budget and Resolution Amending the Measure D Expenditure Plan
July 2, 2018

ICTC Management Committee
Imperial County Transportation Commission
1503 N. Imperial Ave., Suite 104
El Centro, CA 92243

SUBJECT:  LTA 1% Administrative Budget and Resolution Amending the Measure D Expenditure Plan

Dear Committee Members:

The administrative oversight and the daily responsibilities for the LTA are provided by staff of the Imperial County Transportation Commission (ICTC). LTA revenue is provided for the expenses incurred.

Section 8 of the existing LTA Ordinance’s Expenditure Plan, currently provides that revenues may be expended by the Authority for salaries, wages, benefits, overhead, and those services including contractual services necessary to administer the Ordinance; however, in no case shall such expenditures exceed one percent (1%) of the annual revenues provided by the Measure.

The largest expenses for the LTA have been and continue to be: 1) Staffing and Support services provided by ICTC staff; 2) Independent CPA audit services; and, 3) the allocation of facility and equipment rent/lease.

After an increase in revenue which peaked in Fiscal Year (FY) 2014-15, the revenue available for the 1% administrative budget has been declining back to approximately FY 2012-13 levels. For FY 2018-19, the annual expense exceeds the 1% administrative revenue forecast, and a remedy has been sought.

Legal counsel assisted staff in a review of other Self Help county ordinances and determined that several other counties limit the 1% administrative expense strictly to staff salaries and benefits. The remaining reasonable expense attributed to categories such as; rent, office expense, audit fees, etc. is funded at the full expense from the total annual revenues allocated to the LTA.

In addition, the Public Utilities Code subsection 180109(b) provides that the Authority shall not expend more than 1% of the funds generated for salary and benefits of its staff, but does not set a particular limit on the other reasonable costs of administration.

Section 10 of the LTA’s Ordinance’s Expenditure Plan provides that the Expenditure Plan may be amended to further its purposes by ordinance or resolution, passed by roll call vote entered in the minutes, with two-thirds of the Authority, or six board members concurring.
Upon approval of the proposed resolution for amendment, the fiscal impact to the member agencies in the FY 2018-19 budget is estimated at a $41,000 decrease in annual revenues available region wide that are distributed amongst the member agencies. If the resolution is not approved, the fiscal impact would have to be borne by the other non-LTA programs and services provided by ICTC. All administrative expenses will be documented in each subsequent FY Budgets for the LTA.

If the resolution is approved, a FY 2018-19 Budget is attached and submitted for review and approval, that includes the full summary or revenues and expenditures in anticipation of approval of the resolution by the LTA Board after the requisite public hearing.

As directed by the LTA Board on June 27, 2018, staff has scheduled the public hearing on this matter for the upcoming full LTA Board meeting on July 25, 2018, with the requisite ten-day publication of notice pursuant to Government Code section 6062. If the amendment is then approved by the resolution, staff would send notification to the County Board of Supervisors and to each City Council, providing them with a copy of the amendment, which would become effective 45 days after notice is given.

With Management Committee concurrence, the LTA Executive Director forwards the following recommendation(s) to the Authority, after the review of public comment, if any:

1. Conduct the public hearing on July 25, 2018 at 6:00PM for the purpose of attaining public comment on the LTA 1% Administrative Budget Resolution Amending the Measure D Expenditure Plan.
2. Authorize the chairman to sign the resolution of the LTA to amend the 1% administrative services by amending the Ordinance’s Section 8 Expenditure Plan.
3. Approve the 1% administrative services budget for the LTA for FY 2018-19.

Sincerely,

MARK BAZA
Executive Director

RESOLUTION OF THE IMPERIAL COUNTY LOCAL TRANSPORTATION AUTHORITY AMENDING THE MEASURE D EXPENDITURE PLAN

RESOLUTION NO._____

WHEREAS, the Imperial County Local Transportation Authority (hereinafter “LTA” or “Authority”) was created by the Imperial County Board of Supervisors in 1989 with the concurrence of a majority of the cities having a majority of the population in the incorporated area of the County to administer a local option sales tax, namely, the Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance and Expenditure Plan, commonly called Measure D (hereinafter “Ordinance” or “Measure”), attached hereto as Exhibit “A”, as adopted by the electorate on November 7, 1989 and readopted on November 4, 2008; and

WHEREAS, LTA by-laws section 3 and Ordinance section 3 provide that LTA is governed by, and the Ordinance enacted pursuant to, the Local Transportation Authority and Improvement Act of 1987 codified at Division 19 (sections 180000-180264) of the Public Utilities Code; and

WHEREAS, the Ordinance’s Expenditure Plan section 8 currently provides that revenues may be expended by the Authority for salaries, wages, benefits, overhead, and those services including contractual services necessary to administer the Ordinance; however, in no case shall such expenditures exceed one percent (1%) of the annual revenues provided by the Measure; and

WHEREAS, in order to ensure that the cost of administration, implementation, and oversight of the Measure are not borne by other programs and sources, such as Transportation Development Act-funded programs, any funds necessary for administrative, implementation, and oversight of the Ordinance and Expenditure Plan should be paid by Measure revenues; and

WHEREAS, Public Utilities Code subsection 180109(b) provides that the Authority shall not expend more than 1 percent of the funds generated for salary and benefits of its staff but does not set a particular limit on other reasonable costs of administration; and

WHEREAS, ordinances for Santa Barbara, Santa Cruz, Contra Costa, Stanislaus, and San Joaquin LTAs currently provide that revenues may be expended for salaries, benefits, overhead, technical, auditing, legal, and other contractual services; however, pursuant to Public Utilities Code subsection 180109(b), in no event shall an amount exceeding one percent (1%) of the annual revenue go towards paying the administrative salaries and benefits of staff; and

WHEREAS, the Ordinance’s Expenditure Plan section 10 provides that the Expenditure Plan may be amended to further its purposes by ordinance or resolution, passed by roll call vote entered in the minutes, with two-thirds of the Authority concurring; and

WHEREAS, Public Utilities Code section 180207 provides that the Authority shall notify the board of supervisors and the city council of each city in the county and provide them
with a copy of the proposed amendments, and the proposed amendments shall become effective 45 days after notice is given; and

WHEREAS, LTA desires to amend Ordinance’s Expenditure Plan section 8 to be congruent with and not more restrictive than Public Utilities Code section 180109.

WHEREFORE, THE IMPERIAL COUNTY LOCAL TRANSPORTATION AUTHORITY RESOLVES AS FOLLOWS:

1. Section 8 of the Ordinance’s Expenditure Plan is deleted and replaced by the following:

"SECTION 8. Administrative Expenses. For purposes of this Expenditure Plan, “Administrative expenses” shall mean salaries and benefits of staff. Revenues provided by the Measure may be expended by the Authority for salaries and benefits of staff (administrative expenses); rents, publication of legal notices and agendas, membership fees, office expenses, utilities, and other overhead; and technical, auditing, legal, and those services including contractual services necessary to administer the Ordinance; however, pursuant to Public Utilities Code subsection 180109(b), in no event shall an amount exceeding one percent (1%) of the annual revenues provided by the Measure go towards paying salaries and benefits of staff (administrative expenses). Costs of performing or contracting for project related work shall be paid from the revenues allocated to the appropriate purpose as set forth in Section 4 herein."

2. Except as provided herein, the terms of the Ordinance and Expenditure Plan are confirmed in all respects and shall continue in full force and effect.

3. Subsequent to the passage of this Resolution, LTA staff shall send notification to the Board of Supervisors and the city council of each city in the county and provide them with a copy of the amendments, which shall become effective 45 days after notice is given.

PASSED AND ADOPTED by the Local Transportation Authority after a public hearing duly noticed pursuant to Government Code section 6062, with two-thirds of the Authority concurring, County of Imperial, State of California, this ______ day of ______________, 2018 by the following roll call vote:

_________________________

Chairman of the LTA

Imperial County Local Transportation Authority Annual Financial Audit for Fiscal Year Ended June 30, 2017 – City of Westmorland
July 3, 2018

ICTC Management Committee
Imperial County Transportation Commission
1503 N. Imperial Ave., Suite 104
El Centro, CA 92243

SUBJECT: Imperial County Local Transportation Authority Annual Financial Audit for Fiscal Year Ended June 30, 2017

Dear Committee Members:

According to Section VIII of the ordinance dated July 1, 1989, the Local Transportation Authority (LTA) must conduct fiscal audits of its financial activities on an annual basis. The ordinance states: “An annual independent audit shall be conducted to assure that the revenues expended by the Authority under this section are necessary and reasonable in carrying out its responsibility under the Ordinance.”

For the year ending 2016-17, a draft of the LTA Measure D report for the City of Westmorland was distributed for review and comment to the City on July 2, 2018. The LTA Local Taxpayer Supervising Committee (LTSC) is set to meet on July 10, 2018. In addition, Staff of the office of Vavrinek, Trine, Day & Co, LLP will be presenting the Audit and Recommendations at the July 25, 2018 LTA Board meeting.

For your review, the annual financial report performed by the Audit firm, Vavrinek, Trine, Day & Co, LLP: LTA Annual Financial and Compliance Report for fiscal year ended June 20, 2017 is available on the ICTC website at http://www.imperialetc.org/about-lta/financial-reports/.

The transition of staff at the City of Westmorland has added to the City’s challenge to reconcile accounts in a timely manner. However, the City was able to provide support for the FY 2016-17 Measure D expenditures and the auditor was able to test those expenditures. The timeliness of the reconciliation will have an impact on the independent auditor’s opinion included in the final report.

This item is presented for informational purposes, and to accept any comments that the committee wishes to convey to the LTA Board.

Sincerely,

MARK BAZA
Executive Director

Revenues:
Sales tax revenue $ 285,741
Interest revenue 58
Total Revenues 285,799

Expenditures:
Current:
Road repairs and maintenance 50,697
Excess revenues over allowable expenditures $ 235,102

See accompanying notes to the financial statements.
NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Imperial County Local Transportation Authority*

The Imperial County Local Transportation Authority (the Authority) was created to implement the Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance which was adopted by the electorate on November 4, 2008. The tax is imposed in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Division 19 of the Public Utilities Code (Code Section 180000). The purpose of this ordinance was to allow the Authority to issue bonds payable from the enactment of a one half of one percent sales tax for a period of forty years. The proceeds of this tax are first allocated to the monthly debt service payments of the bonds, then to the County of Imperial and the member agencies for local street road purposes. Also, a portion of the tax revenues would be used for administration, transit services, and state highway purposes.

The funds that are generated by implementation of the Imperial County Transportation Authority Retail Transactions and Use Tax Ordinance are intended to supplement and not to replace existing local revenues used for transportation purposes.

The Authority consists of the following member agencies:

1) City of Brawley
2) City of Calexico
3) City of Calipatria
4) City of El Centro
5) City of Holtville
6) City of Imperial
7) City of Westmorland
8) County of Imperial

The members of the Board of the Authority consist of one member of the City Council of each incorporated city of Imperial County and two members of the Board of Supervisors of Imperial County. The members serve staggered terms with no term exceeding a four year period. The chairman and vice-chairman of the Board of the Authority are elected annually in June.

*Compliance requirements of the Imperial County Local Transportation Authority*

Each member agency is required to comply with the By-Laws of the Imperial County Local Transportation Authority and the Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance and Transportation Authority Expenditure Plan.

*Fund accounting*

Fund accounting is designed to demonstrate local compliance and to aid financial management by segregating transactions related to certain government functions or activities. The City of Westmorland has an established special revenue fund to account for revenues and expenditures related to Ordinance 1-2008.
NOTE B – BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, the Measure D Sales Tax Fund presents increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses).

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measureable means the amount of the transaction can be determined and “available” means within the current period or soon enough thereafter to be used to pay liabilities of the current period. Generally, revenues are considered available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred.

Ordinance No. 1-2008, The Imperial County Local Transportation Authority Retail Transactions and Use Tax Ordinance and Expenditure Plan, between the City of Westmorland and the Imperial County Local Transportation Authority dated July 27, 2008 requires the schedule of revenues and allowable expenditures be reported in conformity with the terms of the agreement. The City uses the modified accrual basis of accounting to record the revenues and expenditures related to this ordinance.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE C – RESTRICTION OF NET REVENUES

The revenues in excess of expenditures reported on the financial statement are restricted for future expenditures authorized by Ordinance No. 1-2008.
INDEPENDENT AUDITORS’ REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS AND MEASURE D COMPLIANCE REQUIREMENTS

Board of Directors
Imperial County Local Transportation Authority
El Centro, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the statement of revenues and allowable expenditures of the Measure D Sales Tax Fund of the City of Westmorland, California (City), for the year ended June 30, 2017, and the related notes to the financial statement, and have issued our report thereon dated _________. Our report included an emphasis of matter stating that the financial statement of the Measure D Sales Tax Fund does not purport to, and does not, present fairly the financial statements of the City as of June 30, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City’s internal control. Accordingly, we do not express an opinion on the effectiveness of the City’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses as items 2017-001 and 2017-002 that we consider to be material weaknesses.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statement of the Measure D Sales Tax Fund of the City is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements including the requirements of Measure D matters as specified in the Imperial County Local Transportation Authority Retail Transactions and Use Ordinance No. 1-2008 (Ordinance), noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance, which is required to be reported under Government Auditing Standards and in accordance with the Ordinance and which is described in the accompanying schedule of findings and responses as item 2017-001.

The City’s responses to the findings identified in our audit are described in the accompanying schedule of findings and responses. The City’s responses were not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

San Diego, California
___________, 2018
Finding 2017-001

ALLOCATION OF INTEREST EARNED ON MEASURE D CASH AND INVESTMENTS

Criteria:

The *Imperial County Local Transportation Authority Retail Transactions and Use Tax Expenditure Plan (Plan)*, Section 9, states interest earned on funds allocated pursuant to this Ordinance shall be expended only for those purposes for which the funds were allocated.

Condition:

During our testing of revenues, it was noted that the City did not equitably allocate interest revenue to the Measure D Sales Tax Fund during the year.

Context:

As noted in item 2017-002 below, the City had accounts recorded that were not reconciled. In order to allocate interest from the City investment pool to participants, each participant’s balance must be determined. Since the total balance is not reconciled, interest earned cannot be equitably allocated to participating funds.

Effect:

The City did not comply with Section 9 of the Plan.

Cause:

The City did not maintain policies and procedures to ensure interest revenue was equitably allocated to the Measure D Sales Tax Fund.

Recommendation:

We recommend that the City implement procedures to allocate interest revenue equitably to the Measure D Sales Tax Fund.

View of Responsible Official and Planned Corrective Action:

Corrective Action Plan:

The City has contacted an independent accountant to assist the City with tracking the interest earned on the Measure D monies, which will begin in early 2017.
Finding 2017-002

BANK RECONCILIATIONS

Criteria:
The City of Westmorland should ensure that bank reconciliations are performed timely and accurately.

Condition:
During our testing, we noted that monthly bank reconciliations for the City’s pooled cash and investment accounts were only performed for one bank account. The remaining accounts were not reconciled.

Context:
The condition noted above was identified during testing of cash and investment balances.

Effect:
The City’s internal control is weakened by not performing bank reconciliations for all cash balances.

Cause:
The City did not maintain procedures to ensure that the bank reconciliations were properly prepared and reviewed in a timely manner.

Recommendation:
We recommend strengthening procedures to ensure the bank reconciliations are performed and reviewed in a timely manner.

View of Responsible Official and Planned Corrective Action:

Corrective Action Plan:
The City’s Treasurer and Clerk will be working with an independent accountant to better improve the City’s bank reconciliation process.
