ICTC Unmet Transit Needs Hearing Panel
Imperial County Transportation Commission
1405 N. Imperial Ave., Suite 1
El Centro, CA 92243

Dear Panel Members:

One of the primary responsibilities of the Social Services Transportation Advisory Council (SSTAC) is to advise ICTC on existing public transportation needs. Annually SSTAC delivers a letter report to the Unmet Transit Needs Hearing Panel regarding needs that have or can be, or have not and cannot be met utilizing existing resources.

SSTAC also reviews and evaluates services and needs throughout the year. The following concerns and recommendations include those needs that are unable to be met by SSTAC members through coordination of available services or the use of existing resources.

Therefore, the following general comments are offered for Fiscal Year 2017-18;

1. SSTAC would like to express continued support for the construction for the transfer terminals at locations yet to be determined in the Cities of Calexico and Imperial.

2. SSTAC would like to continue to express support for the IVT Circulator bus concept which includes the El Centro Blue Line and IVT Green Line, IVT Gold Line in Brawley, and proposed IVT Red Line in Imperial and IVT Garnet Line in Calexico.

3. SSTAC would like to express support for continued efforts to improve cleanliness and upkeep at El Centro City area bus stops, and other stops in the region as identified.
4. SSTAC would like to continue to express support of enhancing communication of available services.

In addition, the following issues and concerns are identified for consideration in order of priority for Fiscal Year 2017-18:

1. Allow IVT Ride to provide transportation services to Seniors to congregate meal sites in Heber from June to September.

2. Add an IVC Express Route from Calexico to IVC and from IVC to Calexico in the evening after 5:30 p.m.

3. Review of a proposed Transit Mobility Summit.

We appreciate the opportunity to participate in the use, evaluation and delivery of transit services.

Sincerely,

[Signature]
