INDEPENDENT AUDITORS' REPORT

To the Commission Board Members
County of Imperial, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Regional Planning and Programs fund of the Imperial County Transportation Commission as of and for the years ended June 30, 2014 and 2013, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Regional Planning and Programs fund of the Imperial County Transportation Commission as of June 30, 2014 and 2013, and the changes in financial position thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

As discussed in Note 2, the financial statements present only the Regional Planning and Programs fund and are not intended to present fairly the financial position of the Imperial County Transportation Commission and the results of its operations in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The schedules listed as supplementary information in the table of contents has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated January 29, 2015 on our consideration of the Imperial County Transportation Commission Management's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, the Transportation Development Act (TDA) Statutes and California Codes of Regulation (CCR) and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entities

The Imperial County Transportation Commission (ICTC) Regional Planning and Programs fund was established by ICTC in order to administer regional transportation programs and services.

The operations of the Regional Planning and Programs fund of the Imperial County Transportation Commission are accounted for in a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures.

The County's Auditor-Controller's office acts as a trustee for the State and federal funds received and disbursed.

Basis of Accounting

The Regional Planning and Programs funds are accounted for in a special revenue fund using using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues and expenditures are recognized as soon as they are both measurable and available.

Comparative Data

Comparative data for the prior year is presented in the accompanying financial statements in order to provide an understanding of changes in the funds' financial positions and operations.

Note 2. ANNUAL FINANCIAL STATEMENTS

The financial statements are intended to present the financial position, results of operations and compliance with the Transportation Development Act for only the Regional Planning and Programs fund of the Imperial County Transportation Commission .

Note 3. CASH AND INVESTMENTS

Cash is pooled with other cash of the County to maximize investment opportunity and yields. Investment income resulting from this pooling is allocated to the respective funds, including the Regional Planning and Programs fund, based upon monthly average cash balances. Information regarding categorization of investments and risk can be found in the County's financial statements. The financial statements for the County of Imperial may be obtained by contacting the Auditor-Controller's office in El Centro, CA.

Investments are stated at fair value in accordance with GASB 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools* .

Note 7. STIP-PLANNING, PROGRAMMING & MONITORING PROGRAM

The California State Budget Act of 2010 appropriates State Highway funds under local assistance for the State Transportation Improvement Program (STIP) Planning, Programming and Monitoring Program (PPM). PPM is defined as the project planning, programming and monitoring activities related to development of the Regional Transportation Improvement Program and the STIP required by Government Code Section 14527 and for the monitoring of project implementation for approved projects, referred as PPM projects. The California Transportation Commission (ICTC) is tasked to allocate these funds in accordance with the amounts approved in the STIP in accordance with section 14527 (h) of the California Government code.

These funds are to be used for the following expenditure categories:

Category A: Regional transportation planning activities including development of the Regional Transportation Plan Update.

Category B: Program development and monitoring including the preparation of the ICTC Improvement Program and the State Transportation Improvement Program, monitoring the implementation of projects including project delivery and compliance with federal and state law, and California Transportation Commission Guidelines.

Category C: Regional transit planning activities, including program development and monitoring.

During the fiscal year ended June 30, 2013, the Imperial County Transportation Commission applied for and received proceeds of \$300,000 from the State of California STIP-PPM Program based on an agreement entered into on April 23, 2013. As of June 30, 2013, the remaining balance of the total in STIP-PPM proceeds received for the year is of \$163,925 which includes; the remaining funds of the Category A proceeds in the amount of \$69,713, the remainder of Category B proceeds in the amount of \$14,007 and \$80,205 for Category C have been fully expended.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITORS' REPORT

To the Commission Board Members
County of Imperial, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Regional Planning and Programs fund of the Imperial County Transportation Commission as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Regional Planning and Programs fund of the Imperial County Transportation Commission's financial statements, and have issued our report thereon dated January 29, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Imperial County Transportation Commission's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Imperial County Transportation Commission's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Imperial County Transportation Commission's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Regional Planning and Programs fund of the Imperial County Transportation Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, the Transportation Development Act (TDA) Statutes and the California Code of Regulation Section 6662, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Imperial County Transportation Commission's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Imperial County Transportation Commission's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
