Section 1 – No Strikes or Lockouts: During the term of this Agreement, or any extension thereof, (a) neither the Union nor its members will, directly or indirectly, cause, encourage, sanction, condone, assist in or participate in any strike, work stoppage, slowdown, picketing, any activity designed to inhibit the Company in the performance of its obligations to its Client or boycott against the Company and, (b) there will be no lockouts by the Company provided that the employees or the union do not engage in activity which requires the Company to take such action.

Section 2 – Discipline for Violation of Section: The failure or refusal on the part of any employee to comply with the provisions of Section 1 of this Article shall be cause for immediate discipline, including discharge. If any conduct prohibited by this Section occurs, the Union shall immediately do everything within its power to terminate such conduct. Grievances pertaining to the discipline under this Article shall not be subject to the arbitration procedure provided for in this Agreement. In the event disciplinary/discharge action is administered to an employee for refusal to cross a Teamsters Joint Council 42 sanctioned picket line, the matter will be reviewed prior to initiating such discipline/discharge due to possible mitigating circumstances being present.

The parties also agree that there will be no discrimination against any employee because of his membership in the Union or because of any lawful activity and/or support of the Union if such is consistent with the provisions of this Agreement.

ARTICLE 10 – GRIEVANCE AND ARBITRATION

Section 1 – Grievance Procedure: In the event of a dispute or grievance between the Union or an employee and the Company over the application or interpretation of this Agreement, the Union and the Company agree that the procedure outlined below shall be the exclusive remedy for such disputes:

Step One: Within five (5) working days (Monday through Friday) from the date a non-probationary employee knew, or by reasonable diligence could have known, of the alleged occurrence, the aggrieved employee through the union shall file a written statement of the grievance with his Department Manager. Such statement shall be in sufficient detail to identify the nature of the grievance, the name of the aggrieved employee, the specific section of the Agreement allegedly violated, and the date and place where the grievance occurred. This statement must be signed by the aggrieved employee and his representative. The Department

Manager or his designee shall render a written decision within ten (10) working days from the conclusion of the hearing.

Step Two: Within five (5) working days following Step One, the employee and union may request in writing a hearing with the General Manager or his designee.

The request must be in writing and presented to the Company. The hearing shall be held within a period of ten (10) working days from receipt of the request. The General Manager or his designee shall render a written decision within seven (7) working days from the conclusion of the hearing.

Step Three: Within five (5) working days following Step Two, the employee and union may request in writing a hearing with the Regional Vice President or his designee. The request must be in writing and presented to the Company. The hearing shall be held within a period of seven (7) working days from receipt of the request. The Regional Vice President or his designee shall render a written decision within seven (7) working days from the conclusion of the hearing.

Section 2 – Grievance Mediation: If the grievance is not resolved in the written response provided for in Step three, and if the parties have processed the grievance in strict adherence with the express time limits set forth in this Article, the Union may request the unresolved grievance be submitted to a mediation. The request for mediation must be in writing and sent to the Company via certified mail (return receipt requested). Such filing must take place within seven (7) working days from receipt of the final decision from the Company.

- a. The Mediator will be selected from the closest Federal Mediation and Conciliation Service office. The Mediator shall attempt to facilitate a settlement of the subject grievance.
- b. The Mediation process is intended to settle the grievance and is specifically designed to minimize the need to resort to arbitration. Therefore, the parties agree to promote a settlement of the grievance and in so doing will be constrained by the limits and terms of this Agreement. If a settlement is agreed upon by the parties, it shall be set forth in writing and will be duly signed by all the authorized representatives of the parties. Such settlement will fully and completely resolve the grievance and the grievance shall not proceed to arbitration.

Section 3 – Grievance Arbitration: In the event the Mediation is not successful and if the parties have processed the grievance in strict adherence with the express time limits set forth in this Article, the Union may file for arbitration. The request for arbitration must be in writing and sent to the Company via certified mail (return receipt requested). Such filing must take place within seven (7) working days from receipt of the final decision from the Company.

- A. The arbitrator shall be appointed by the Company and the Union by whatever means both agree to or from a panel of seven (7) arbitrators requested from the Federal Mediation and Conciliation Service or the American Arbitration Association who are members of

the National Academy of Arbitrators. If a panel is obtained from the Federal Mediation and Conciliation Service or the American Arbitration Association, selection shall be made within thirty (30) working days of receipt of said list, with the order of striking being determined by lot.

- B. The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation and/or application of the provision(s) of this Agreement at issue between the Union and the Company. He shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement. The arbitrator shall have no authority to accept for submission or render an award in a grievance in which the specific procedures of this Article, including the express time limits at each step, have not been adhered to. The arbitrator shall not hear nor decide more than one (1) grievance without the mutual consent of the Company and the Union. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Company provided it complies with the provisions of this Article.
- C. The costs, fees and expenses of the arbitrator and hearing room will be equally shared between the Company and the Union, otherwise each party shall bear its own expenses.

Section 4 – Extension of Time: Any notice of grievance, request for hearing and/or notice of mediation or arbitration, which does not comply with the time and procedural requirements as stated above, shall be deemed waived and abandoned by the party failing to comply with such requirements, unless the parties mutually agree in writing to extend or waive any of the time limitations.

ARTICLE 11 – SUCCESSOR AGREEMENT

To the extent that the laws of the State of California provide, this Agreement shall be binding upon the Employer’s successors, assigns, purchaser, lessees or transferees, whether such succession, assignment or transfer be effected voluntarily or by operation of law, and in the event of the Employer’s merger or consolidation with another Employer, this Agreement shall be binding upon the merged or consolidated Employer.

ARTICLE 12 - UNION SECURITY AND CHECK-OFF

Section 1 – Union Membership: It shall be a condition of employment for all employees of the Company covered by this Agreement who are members of the union in good standing on the effective date of this Agreement, shall remain members in good standing and those who are not members on the effective date of this Agreement shall, by the thirty-first (31st) day following the effective date of this Agreement become and remain members in good standing in the union. It shall also be a condition of employment that all employees covered by this Agreement hired on or after its effective date shall, by the thirty-first (31st) day following his/her date of hire, become and remain members in good standing in the union.

Section 2 – Suspension: An employee in the bargaining unit who fails to maintain membership or payment of initiation fees, assessments or dues shall be suspended by the Company upon receipt of written notice and demand from the Union. Such suspension shall be affected within fourteen (14) working days of receipt of such notice.

Section 3 – Check-Off: Upon receipt of a written authorization, signed by an employee covered by this Agreement, or an appropriate legally acceptable form furnished by the Union, the Company agrees to deduct bi-monthly from the first and second check of such employee in each calendar month and pay to the Union his initiation fee, regular monthly dues and/or uniform assessments. Deduction of dues shall in all cases be made from the first day in each calendar month immediately following the date of receipt of such authorization by the Company. The Company further agrees that it will deduct the prescribed initiation fee in four equal bi-monthly payments from all new hires. Remittance of these check-off payments to the Union shall be made twice a month, within five (5) days following each deduction in a calendar month for which such deductions are made and a list of employees for whom payment is made, the amount paid and their Social Security numbers shall accompany such payment. The Union accepts full responsibility for obtaining check-off authorization from its members and delivering such authorizations to the Company.

The payment of such deducted dues by the Company to the Union shall relieve the Company of any and all responsibility and obligation to the Union and to the employees for the monies collected and paid. The Union will indemnify and save the Company harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the Company for the purpose of complying with any of the provisions of this Article in reliance on any list, notice or authorization provided by the Union hereunder.

The Company shall notify the union of all new employees hired within the pay period in which the employee is hired. The notification of the Company to the union shall be in writing and will indicate the new employee's name, address, social security number, date of hire and classification. Representatives of the Union shall be permitted to make a presentation of up to thirty (30) minutes and present written material, during a portion of the training process. No representative of management shall be present.

The deductions and remittances to the Union herein provided shall be made by the Company only to the extent and as long as it shall be legal for the Company to make such deductions under any applicable Federal law or law of the State of California and while it has proper written notice from each such employee, and while this Agreement remains in effect.

ARTICLE 13 – DISCIPLINE

Section 1: The parties agree that just cause shall be the basis for corrective disciplinary action it being understood that certain offenses and/or violations of Company rules and operating procedures may warrant termination for first offenses.

Section 2: The Company will furnish the affected employee and the Union with written

notification of disciplinary action within ten (10) working days of the cause giving rise to the discipline, if possible. The affected employee is required to sign such notification as acknowledgement of receipt of the notice.

Section 3 – Disciplinary Procedures: All disciplinary processes will be performed by the General Manager and/or Operations manager or their designee. The respective Company representative to whom the individual is required to report shall give a fair and impartial hearing to all employees. This requirement shall also include corrective interviews through the disciplinary process. When the employee is called into his/her immediate supervisor and advised of the violation and the discipline and an investigatory meeting is held, the employee may request a union steward's presence. The meeting will not occur without the union steward present unless the employee elects not to have such person in attendance.

If an employee is called in by the Company for an investigatory meeting on a day that he or she is not normally scheduled to work, the employee receiving discipline will be compensated a minimum of two (2) hours or the length of time of the meeting, whichever is greater. If the employee requests the presence of a Union steward at his/her investigatory meeting, then this section also applies to the union steward, assuming the steward is called in for this purpose on a day he/she is not normally scheduled to work.

In the event the Company determines disciplinary action is required, the parties agree that discipline should be on a progressive basis, except in serious violations of conduct rules such as, but not limited to, fighting, theft, willful destruction of property, possession of weapons, alcohol, drugs or explosives during working hours or on Company premises etc. or other such immediate terminable offenses as outline in the Employee Handbook. With the exception of a violation which is a serious infraction of a rule, policy or procedure, each infraction of a rule, policy or procedure shall result in progressive discipline as outlined herein. Serious infractions shall be cause for suspension or discharge without use of progressive discipline. Progressive discipline shall be as follows:

- First Violation: Verbal Warning depending upon severity of the offense
- Second Violation: Written Warning
- Third violation: One day suspension without pay
- Fourth Violation: Termination

Disciplinary actions will be removed from an employee's disciplinary record on a rolling twelve (12) month period except for safety violations in accordance with Article 14.

Section 4: Onboard GPS/Video Camera Systems

The Union recognizes the legitimate business purpose of the GPS, video, and other technology equipment onboard Company vehicles. The Union and the Company understand that this equipment is not to be used for surveillance and will not be reviewed without legitimate business purpose.

GPS, video, and other technology equipment will be considered only as supporting evidence along with other relevant facts for an alleged violation of Company rules or policies, not the sole generating source to administer discipline to employees.

Section 5: Cell Phone Use

The Company agrees to provide a Company issued cell phone for business use for Road Supervisors. If no Company cell phone is provided, at no point will company require the employee to use their own personal cell phone and shall not be disciplined for failing to use personal cell phone during working hours.

ARTICLE 14 – SAFETY

Section 1 – Safety: The Company and the Union recognize that accident prevention work is essential to the operation of the Company's transportation system and that safety programs, safety meetings, and general incident/accident prevention work is mutually beneficial both to the Company and to its employees. The Union therefore agrees that it and the employees will not only cooperate with the Company in such safety work, but also will take an active part and interest in incident/accident prevention work. Accordingly, attendance at all safety meetings held and conducted by or for the Company will be mandatory for all employees.

All Company vehicles must be equipped with A/C and heating in passenger and driver areas. Employees shall not be required to operate vehicles that are in an unsafe condition or lacking in legally prescribed safety equipment. Accordingly, it shall not be a violation of this Agreement for employees to refuse to operate unsafe equipment, unless the refusal is unjustified. The General Manager shall make the determination of whether an employee is justified in refusing to operate a Company vehicle or piece of equipment.

Safety violations are considered a serious matter and fall below the Company's standard performance expectations. The Company and Union recognize that the Employee Handbook outlines some safety violations that are of such a serious nature that discharge is appropriate for the first offense. In the event a safety violation does not subject the employee to immediate termination, an employee will be terminated if he commits two (2) safety-related violations in twelve (12) months or three (3) in thirty-six months.

Section 2 – Accident Review Committee: As a supplement to the Accident Review Committee provisions outlined in the First Transit Employee Handbook:

The Company will make the initial determination of accident preventability. A Road Supervisor may choose to appeal the Company's determination that an accident was preventable to the Accident Review Committee (ARC).

The ARC shall decide preventability issues only and shall not determine discipline questions. Discipline rendered as a result of a decision that an accident was preventable is subject to the Grievance and Arbitration procedures of the labor agreement; however, the determination of the ARC may not be appealed.

The ARC will be made up of equal numbers of bargaining unit members and non-bargaining unit members, and one (1) neutral party, who will be selected by the Company and the Union. The ARC will consist of five (5) persons. The Union shall have the right to select the bargaining

unit members. An ARC member who has incurred a preventable accident within the prior twelve (12) months will not be eligible to serve on the ARC, and an alternate must be selected. ARC members will be compensated at their regular rate of pay for hearings and appeals. The Company and the Union may each elect to have an observer present.

ARTICLE 15 – OPERATIONAL REQUIREMENTS

In recognition and acceptance by the Union and the Company's employees, that the outstanding performance of employees covered under the Agreement is essential to ensure that all performance, quality, and safety standards are met on a consistent, ongoing and increasingly efficient basis, as determined by the Company, the following policies, principles and requirements shall be adhered to by all employees subject to the provisions of this Agreement:

1. The Company shall establish non-economic practices regarding hours and working conditions and, in doing so, may invoke those set forth in the Company's Handbook, which, if applied, shall be determinative as set forth therein, unless otherwise modified or amended by provisions of this Agreement. This Handbook, or any of its provisions, shall not be a subject for the collective bargaining process. As circumstances change, the Company may revise, supplement, or delete any policies or portions of this Handbook. This Handbook is not and should not be construed as a contract for employment.
2. Employees will be required to wear the Company issued identification card, IPP booklet, and high visibility vest. These are provided at Company cost. Employees may, at their own discretion, wear the approved union pin which shall not exceed two (2) inches in diameter.
3. The Company will continue to provide uniform items required by the Company for employees covered by this agreement in keeping with established procedures.
4. A part-time and full-time Road Supervisor seniority list will be maintained and updated and posted every 4 months. The Company will post the updated seniority lists the first of each month on its bulletin board and shall furnish copies to the Union's designee. Employees who may disagree with their seniority date shall have up to fifteen (15) days from said posting to challenge their posted date, otherwise the posed date shall be considered accurate.
5. Breakroom/Restrooms: A clean, separate area shall be provided for lunch and rest breaks with facilities to accommodate the number of employees using them. Whenever practical and available, the employee shall have access to the employee only restrooms.
6. The Company will provide one (1) additional temporary port-a-potty. The Company will provide additional port-a-potties, if one (1) fails to be sufficient to handle the demand.

ARTICLE 16 – HOURS OF WORK AND GENERAL CONDITIONS

Section 1 – Workweek: A workweek starts 0001 hours on Sunday and runs to 2400 hours on the following Saturday.

Section 2 – Overtime: Overtime shall be paid for all hours worked in excess of eight (8) hours in a single workday or forty (40) hours in one (1) workweek. If the Company were to utilize an alternative work schedule for this bargaining unit, then employees regularly working a four-day (approximately 10 hours per day) workweek schedule shall be paid overtime pay after working in excess of ten (10) hours per day or forty (40) hours per week. Vacation or other paid time off does not count as time worked for overtime purposes. Under no circumstances will time and-one-half (1 1/2) or premium time of any kind be paid more than once for the same hours, nor be cumulative.

Section 3 – Overtime Rotation: All overtime work for road supervisors shall be, as far as practicable, rotated among qualified and eligible employees according to classification seniority. Employees eligible for overtime shall not be passed for overtime until reasonable efforts to contact them have been made by the Company. Employees must be available to work during the times requested by the Company, or the employee shall be considered to have passed that opportunity to work overtime.

Section 4 – Application Procedures: All Road Supervisor vacancies covered by this Agreement will be posted on an appropriate bulletin board for five working (5) days. The Company will give preference to internal qualified applicants before considering outside applicants for Road Supervisor vacancies. Individual job changes ensuing from an application and offer shall be effective with seniority at the beginning of the next pay period, even though the employee involved may be required to perform work in a lower classification or on another shift until all job changes can be properly made. The Company will make a reasonable effort to make all job changes as quickly as possible.

Section 5 – Temporary Jobs: If an employee is off or will be off for at least thirty (30) days due to illness, accident, or leave, as provided elsewhere in this Agreement, his/her job may be posted as a temporary position. The individual awarded the temporary position will accrue seniority in that position only if the employee meets the job qualification requirements of that position or unless displaced, in which case no seniority loss shall occur in the previous classification. An employee may temporarily fill a position for another employee on extended leave.

Section 6 – Evaluation and Training: The Company will supply applicable training opportunities to road supervisors. This training program is designed to give employees an opportunity to become qualified for increased job responsibilities. The Company will pay employees for such training at their present rate of pay. The Company may adjust the employee's schedule to attend applicable off-site trainings; however, most training opportunities shall be completed during the employee's regular working hours.

Section 7 – General Bid: The General Bid will occur annually, in the first week of February each year. The Company will determine the schedule and shifts available for bid. The Company will make every effort to maintain the work schedules bid upon; however, such schedules may be changed by the Company throughout the year based on operational needs. In the event an

employee's bid schedule must be permanently changed or modified outside of the General Bid, the affected employee shall receive five (5) days' advance notice prior to effective date of the permanent change, if possible. This provision does not apply to daily shift changes or modifications due to call offs or temporary vacancies. If a permanent vacancy occurs between general bids, the vacated shift will be posted for road supervisors to bid upon, assuming the Company will continue such shift or a modified shift due to the vacancy. General bids will be based on seniority in the road supervisor classification. Before going on vacation, employees may leave with a Shop Steward conducting such bid a written authorization of their choice to bid on any job openings which may be posted during their absence.

With prior written approval from management and the written consent of both employees, two employees may swap individual work shifts. This provision does not apply when an employee is taking vacation days, sick days, or on leave. Employees must have such written documentation for each day a shift is swapped, unless otherwise approved by management.

Section 8 – Vacation Bid: A vacation bid will occur in November of each year for the following year. The Company will determine the vacation schedule. Employees will select vacation dates in order of classification seniority in the manner described in Article 22 - Vacations.

Section 9 – Certified Behind-The-Wheel Trainer (BTW) Premium: The Company will pay a seventy-five cents (\$0.75) premium to Road Supervisors while conducting behind-the-wheel training. For the hours the Road Supervisor is not actively performing behind-the-wheel training, the Road Supervisor will be paid at his or her regular rate. Training will be paid the applicable training rate and will not receive a premium.

ARTICLE 17 – DRUG AND ALCOHOL TESTING

In acknowledgement of the nature of the Company's operations and the very special and overriding safety consideration, the Company has adopted formal provisions for fitness for duty drug and alcohol screening. Such provisions are adhered to and expressly made a part of the understandings reached by the Company and the Union during the negotiation of this Agreement.

ARTICLE 18 - LEAVES OF ABSENCE

Section 1 – Personal Leave: Unpaid leaves of absence of up to thirty (30) days may be granted at the Company's discretion, upon receipt of a written request from the employee stating the reason for the requested leave. Such request for leave must be provided a minimum of fourteen (14) days in advance of the leave and if so, there will be no loss of seniority. During an approved leave, the employee shall be responsible for his share of insurance premiums. An employee who does not return to work at the conclusion of such approved leave or who engages in other employment while on such leave will be considered to have voluntarily resigned his employment with the Company.

Section 2 – Family and Medical Leave Act: The Company will comply with the provisions of the Family and Medical Leave Act of 1993. During an approved leave, the employee shall be responsible for his share of insurance premiums.

Section 3 – Military Leave: The Company will comply with the provisions of the Uniform Services Employment and Re-employment Act and other applicable Federal and State laws dealing with Veterans and Reservists re-employment rights.

Section 4 – Written Requests: A request for leave of absence or for an extension must be made in writing by the employee and approved in writing by the Company.

Section 5 – Requests for Leave: Requests for leaves of absences listed in this Article shall be made as far in advance as possible. Seniority shall accumulate during an approved leave of absence, however, time spent on leave of absence shall be without pay.

ARTICLE 19 – SENIORITY

Section 1: Seniority shall be established and based on the date the employee assumed his present classification. When more than one employee enters revenue service or classification on the same date, seniority order will be established by drawing numbers. The employee with the highest number shall be listed first.

Section 2: Seniority shall be broken and the employee will be considered terminated under the following conditions:

1. Discharge for just cause;
2. Resignation or other termination of service by voluntary act of the employee; or
3. No Call/no show for work for three consecutive days which shall be considered a voluntary resignation.
4. Failure to give notice of intent to return to work after recall within the time period specified in Section 6 of this Article, or failure to return to work on the date specified for recall, as set forth in the written notice of recall will be considered a voluntary resignation.
5. Except for layoff, time lapse of six (6) months since the last day of actual work for the Company, regardless of reason, unless such reason is protected by law.
6. Failure to return to work upon expiration of an approved leave of absence.
7. Layoff of a period of six (6) months.
8. Misuse of leave as a subterfuge, to accept employment elsewhere, or for a purpose other than stated upon request for leave.

Section 3: If it becomes necessary to reduce the workforce, the employee with the least part-time Company seniority will be laid off first, then other part-time employees by part-time seniority and then full-time employees by full-time seniority. When the work force is increased, employees are to be returned to work in the reverse order in which they were laid off if they are still then fully qualified.

Section 4: An employee who has been placed on layoff shall be given notice of recall via certified mail by the Company to the employee's last address on file with the Company. The employee must respond to such notice within three (3) days after receipt of notice, and return to work as directed in the notice. In the event an employee fails to comply within the preceding times, the

employee shall lose all seniority rights under this Agreement and be considered to have voluntarily quit.

Section 5 - Transfers Into Bargaining Unit: Employees who transfer to the First Transit El Centro location from another bargaining unit shall be end-tailed into the bottom of the applicable seniority list based on their classification. Employees will retain their First Transit seniority.

Section 6: Prior to assigning employees work opportunities at facilities outside of the First Transit El Centro Location service area, the Company must notify the Union as soon as possible to inform the Union of the terms of the assignment (for example: estimated duration of the assignment, location of the assignment, rate of pay, method of transportation to the assignment, mileage expenses, lodging accommodations, and per diem allotment, if such are applicable).

ARTICLE 20 – ATTENDANCE

Section 1 – Policy: Consistent and punctual attendance at work by employees is considered a condition of employment because it impacts the quality, employee morale and other areas of operating efficiency. If an employee is absent or late to work, others must become responsible to ensure that service to the community continues uninterrupted. The primary function of the Company is to provide safe, on-time and professional service to the community, and because small increments of time are so critical to the provision of service, it is imperative that employees are reliable and provide adequate advance notice when they are calling off. Employees are expected to report to work ready and on time in order to provide the highest quality transportation services possible. Therefore, the following attendance policy will be in effect, as per occurrence and applies to each employee:

ABSENCES WITHIN 90 DAY PERIOD

3rd	Written Warning
4th	Suspension
5th	Termination

NO CALL/NO SHOW

1 st	Written Warning
2 nd	Suspension
3 rd	Termination

TARDY

1st	Verbal Warning
2nd	Written Warning
3 rd	Suspension
4 th	Termination

Section 2 – Definitions: For the purpose of this Article, progressive discipline for attendance shall be considered separately from progressive discipline for other types of discipline; however, attendance discipline is considered as part of the employee's disciplinary record. Attendance

discipline shall not commence until all sick leave under Article 28 has been exhausted, as long as the required notice is provided to the Company.

ABSENCE: Failure to report for work with notice given at least 1 hour prior to scheduled start time or failure to complete shift after you have reported.

TARDY: Reporting to work after your scheduled start time. There is no grace period.

NO CALL/NO SHOW: Failure to report absence or tardiness at least 1 hour prior to scheduled start time. Failure to call or show for 3 consecutive days will be considered as job abandonment and will result in your immediate termination.

This attendance policy will also pertain to any mandatory meetings.

Combinations of any 3 of the above within a 90-day period may result in the employee being placed on probation for 90 days. An unexcused absence, tardy or a no call/no show within this 30-day period will subject an employee to further disciplinary action up to and including termination.

A Driver who reports late for his scheduled shift and who has been replaced by another Driver in order to perform the required service shall not be paid unless the Company then has other work available. If the Driver is assigned other work, he shall only be paid for actual hours worked.

Section 3: Employee Responsibilities:

- a. An employee who is ill for more than one day must notify his Project Manager or designee every day unless he is told otherwise. The Company reserves the right to require notification from a physician before returning the employee to duty.
- b. Unless otherwise instructed, employees are required to attend safety meetings as part of their job. Since safety meetings are considered a part of the job, the rules regarding attendance will apply to attendance at safety meetings.
- c. If employees' overall absenteeism is excessive or there is an established pattern of abuse, such employees will not be retained. Employees are expected to manage their time off and schedule dental, routine medical exams and other such personal business during their off time. Therefore, an employee who is absent repeatedly or whose absences follow a pattern of unacceptable absenteeism may be subject to disciplinary action.
- d. Employees are responsible for maintaining their current licensing and required certifications to operate Company vehicles on their own time.

ARTICLE 21 – HOLIDAY PAY

Section 1: All regular, full-time non-probationary employees shall receive pay for the following holidays: New Years' Day, Martin Luther King, Jr. Birthday, President's Day, Memorial Day, July 4th, Labor Day, Veteran's Day, Thanksgiving Day, and Christmas Day.

Section 2: Holiday pay shall be calculated at the employee's straight-time regular rate and will be based on the employee's regularly scheduled shift to a maximum of eight hours for full-time employees. Holiday pay shall not be counted as hours worked for the purpose of computing overtime. Employees who work on a holiday will receive their regular rate of pay for their time worked in addition to the holiday pay.

Section 3: In order to be eligible for holiday pay, an employee must work his/her last scheduled day before and the first scheduled day after the holiday. Employees on a leave of absence of any kind are not entitled to holiday pay.

Section 4: Eligible part-time employees will receive four (4) hours of pay for each holiday.

ARTICLE 22 – VACATION

Section 1 - Eligibility: All regular, full-time employees shall receive, after one (1) year of continuous full-time employment, paid vacation time off as further detailed in this Article.

Section 2 - Vacation Days: Employees who complete each (1) full year of continuous full-time employment shall receive the following vacation schedule: Forty (40) hours pay upon completing one (1) full year of continuous service, eighty (80) hours pay upon completing two (2) full years of continuous service, and one hundred twenty (120) hours pay upon completing five (5) full years of continuous service with the Company. One-hundred-sixty (160) hours pay upon completing ten (10) full years of continuous service with the Company. Vacation pay shall be calculated at the employee's straight-time regular hourly rate and will be based on the employee's regularly scheduled shift to a maximum of eight hours. Vacation pay will not be counted as hours worked for the purpose of computing overtime. If the Company were to utilize an alternative work schedule for this bargaining unit, then employees regularly working a four-day (approximately 10 hour per day) workweek would receive approximately ten (10) hours of pay.

<u>Completed Continuous Years of Service</u>	<u>Vacation Hours</u>
1	40
2	80
5	120
10	160

Section 3 – Vacation Use: For the purpose of this Article, full-time employees shall be mandated to schedule a minimum of one (1) week during Vacation Scheduling based on the employee's

allotment available for the upcoming year relative to his/her anniversary date. An employee may request the use of paid vacation time for other reasons such as sickness (if sick days have been exhausted) or other personal time off. If the days are used for sickness or personal time, all rules applying to adequate notice to the Company and attendance will apply, however, the employee will be paid for the day off out of his/her available unbid vacation allotment if the employee requests such payment on a Company provided form. If an employee is absent two days or more due to sickness, a doctor's note documenting the necessity of the days off may be required.

Employees will be required to take vacation in weekly increments unless approval of the Operations Manager is obtained in advance. If the employee requests to take vacation in less than one (1) week increments, available vacation may be taken in one (1) full working day at a time with the advance approval of the Operations Manager. No rollover of vacation days from one year to the next will be permitted. Employees are required to use all vacation during the appropriate vacation year. In the event an employee is denied a vacation request, any remaining vacation time shall be paid prior to their anniversary date.

Section 4 – Vacation Scheduling: Vacation scheduling shall be accomplished by posting a schedule each December for thirty (30) days for vacation time to be used in the following calendar year. Vacation bidding will be awarded by seniority; however, employees failing to bid will lose any seniority rights for subsequent vacation scheduling for that year. Any remaining vacation hours that are not bid by an employee during the vacation bid period will be granted by management on a first come first serve basis.

ARTICLE 23 – BEREAVEMENT LEAVE

Section 1 - Bereavement Pay Eligibility: A regular, full-time employee shall, upon written request, be granted up to five (5) days with pay and two (2) days without pay to attend the funeral of his/her current spouse, legal domestic partner, legal parent, legal child, sister, brother, grandmother or grandfather and grandchildren of the employee. Legal parents of the employee's current spouse shall also be covered as set forth above. The Company shall have the right to require proof of death of the relative and proof of attendance at the funeral or other documentation to substantiate the request for Bereavement Leave.

Section 2 - Bereavement Pay Calculation: Bereavement pay as provided in this Article shall be paid at the employee's straight-time hourly rate of pay and shall be paid for the number of hours comprising the employee's current schedule for each day up to a maximum of eight hours. If the Company were to utilize an alternative work schedule for this bargaining unit, then employees regularly working a four-day (approximately 10 hours per day) workweek would receive approximately ten (10) hours of pay.

Section 3 – Bereavement Extension: In the event an employee's vacation is interrupted by a funeral for a covered relative as set forth in Section 1 above, the employee's vacation may be extended up to an additional three (3) days due to the granting of the bereavement leave provided the Company's manager is notified prior to the start of the bereavement period.

Section 4 - Extended Unpaid Bereavement Leave: Employee may request additional days off, either unpaid bereavement leave, or pay leave from their vacation accrual or sick time, if available. Additional days will be with notification to immediate supervisor, during current paid bereavement leave status, and shall not count as unscheduled absence. Such request shall not be unreasonably denied.

ARTICLE 10 - GRIEVANCE AND ARBITRATION

Section 1 – Grievance Procedure: In the event of a dispute or grievance between the Union or an employee and the Company over the application or interpretation of this Agreement, the Union and the Company agree that the procedure outlined below shall be the exclusive remedy for such disputes:

- Step One: Within seven (7) working days (Monday through Friday) from the date a non-probationary employee knew, or by reasonable diligence could have known, of the alleged occurrence, the aggrieved employee through the union shall file a written statement of the grievance with his Department Manager. Such statement shall be in sufficient detail to identify the nature of the grievance, the name of the aggrieved employee, the specific section of the Agreement allegedly violated, and the date and place where the grievance occurred. This statement must be signed by the aggrieved employee and his representative. The Department Manager or his designee shall render a written decision within seven (7) working days from the conclusion of the hearing.
- Step Two: Within seven (7) working days following Step One, the employee and union may request in writing a hearing with the General Manager or his designee.

The request must be in writing and presented to the Company. The hearing shall be held within a period of seven (7) working days from receipt of the request. The Regional Vice President or his designee shall render a written decision within seven (7) working days from the conclusion of the hearing.

The request for mediation must be in writing and sent to the Company via certified mail (return receipt requested). Such filing must take place within seven (7) working days from receipt of the final decision from the Company.

The Mediator will be selected from the closest Federal Mediation and Conciliation Service office. The Mediator shall attempt to facilitate a settlement of the subject grievance.

The Mediation process is intended to settle the grievance and is specifically designed to minimize the need to resort to arbitration. Therefore, the parties agree to promote a settlement of the grievance and in so doing will be constrained by the limits and terms of this Agreement. If a settlement is agreed upon by the parties it shall be set forth in writing and will be duly signed by all the authorized representatives of the parties. Such settlement will fully and completely resolve the grievance and the grievance shall not proceed to arbitration.

Section 3 - Grievance Arbitration: In the event the Mediation is not successful and if the parties have processed the grievance in strict adherence with the express time limits set forth in this Article, the Union may file for arbitration. The request for arbitration must be in writing and sent to the Company via certified mail (return receipt requested). Such filing must take place within seven (7) working days from receipt of the final decision from the Company.

The arbitrator shall be appointed by the Company and the Union by whatever means both agree to or from a panel of seven (7) arbitrators requested from the Federal Mediation and Conciliation Service or the American Arbitration Association who are members of the National Academy of Arbitrators. If a panel is obtained from the Federal Mediation and Conciliation Service or the American Arbitration Association, selection shall be made within thirty (30) working days of receipt of said list, with the order of striking being determined by lot.

The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation and/or application of the provision(s) of this Agreement at issue between the Union and the Company. He shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement. The arbitrator shall have no authority to accept for submission or render an award in a grievance in which the specific procedures of this Article,

including the express time limits at each step, have not been adhered to. The arbitrator shall not hear nor decide more than one (1) grievance without the mutual consent of the Company and the Union. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Company provided it complies with the provisions of this Article.

The costs, fees and expenses of the arbitrator and hearing room will be equally shared between the Company and the Union, otherwise each party shall bear its own expenses.

Section 4 - Extension of Time: Any notice of grievance, request for hearing and/or notice of mediation or arbitration, which does not comply with the time and procedural requirements as stated above, shall be deemed waived and abandoned by the party failing to comply with such requirements, unless the parties mutually agree in writing to extend or waive any of the time limitations.

ARTICLE 11 - TERMINATION OF TRANSPORTATION SERVICES CONTRACT

If the transportation services contract between the Company and its Client terminates for any reason, the rights and obligations of this Agreement shall also terminate at that time, provided that the parties to this Agreement shall continue to resolve disputes pending at the time of termination, up to and including arbitration.

If the Client awards the services now provided by the Company to another provider, the Company will notify the Union of the name and address of such other provider, if known.

Section 3 – Check-Off: Upon receipt of a written authorization, signed by an employee covered by this Agreement, or an appropriate legally acceptable form furnished by the Union, the Company agrees to deduct bi-monthly from the first and second check of such employee in each calendar month and pay to the Union his initiation fee, regular monthly dues and/or uniform assessments. Deduction of dues shall in all cases be made from the first day in each calendar month immediately following the date of receipt of such authorization by the Company. The Company further agrees that it will deduct the prescribed initiation fee in four equal bi-monthly payments from all new hires. Remittance of these check-off payments to the Union shall be made twice a month, within five days following each deduction in a calendar month for which such deductions are made and a list of employees for whom payment is made, the amount paid and their Social Security numbers shall accompany such payment. The Union accepts full responsibility for obtaining check-off authorization from its members and delivering such authorizations to the Company.

The payment of such deducted dues by the Company to the Union shall relieve the Company of any and all responsibility and obligation to the Union and to the employees for the monies collected and paid. The Union will indemnify and save the Company harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken or not taken by the Company for the purpose of complying with any of the provisions of this Article in reliance on any list, notice or authorization provided by the Union hereunder.

The Company shall notify the union of all new employees hired within the pay period in which the employee is hired. The notification of the Company to the union shall be in writing and will indicate the new employee's name, address, social security number, date of hire and classification.

The deductions and remittances to the Union herein provided shall be made by the Company only to the extent and as long as it shall be legal for the Company to make such deductions under any applicable Federal law or law of the State of California and while it has proper written notice from each such employee, and while this Agreement remains in effect.

ARTICLE 13 – DISCIPLINE

Section 1: The parties agree that just cause shall be the basis for corrective disciplinary action it being understood that certain offenses and/or violations of Company rules and operating procedures may warrant termination for first offenses.

Section 2: The Company will furnish the affected employee and the Union with written notification of disciplinary action within ten (10) days of the cause giving rise to the discipline (however, an extension may be granted by mutual agreement between the company and the Union). The affected employee is required to sign such notification as acknowledgement of receipt of the notice.

Section 3 - Disciplinary Procedures: All disciplinary processes will be performed by the General Manager and/or Operations manager or their designee. The respective Company representative to whom the individual is required to report shall give a fair and impartial hearing to all employees. This requirement shall also include corrective interviews through the disciplinary process. When the employee is called into his/her immediate supervisor and advised of the violation and the discipline and an investigatory meeting is held, the employee may invoke their Weingarten Rights.

The meeting will not occur without the union representative present unless the employee elects not to have such person in attendance.

All investigatory meetings will be conducted on a day in which he/she is normally scheduled to work. If the employee is called in before their start time, the employee will be in paid status. If the employee requests the presence of a Union Representative, then this section also applies to the union representative.

In the event the Company determines disciplinary action is required, the parties agree that discipline should be on a progressive basis, except in serious violations of conduct rules such as, but not limited to, fighting, theft, willful destruction of property, possession of weapons, alcohol, drugs or explosives during working hours or on Company premises etc. or other such immediate terminable offenses as outline in the Employee Handbook. With the exception of a violation which is a serious infraction of a rule, policy or procedure, each infraction of a rule, policy or procedure shall result in progressive discipline as outlined herein. Serious infractions shall be cause for suspension or discharge without use of progressive discipline. Progressive discipline shall be as follows:

- First Violation: Verbal Warning depending upon severity of the offense
- Second Violation: Written Warning
- Third violation: One day suspension without pay
- Fourth Violation: Termination

Disciplinary actions will be removed from an employee's disciplinary record on a rolling twelve (12) month period except for safety violations in accordance with Article 14.

Section 4: Onboard GPS/Video Camera Systems: The Union recognizes the legitimate business purpose of the GPS, video, and other technology equipment onboard buses. The Union and the Company understand that this equipment is not to be used for surveillance and will not be reviewed without legitimate business purpose.

GPS, video, and other technology equipment will be considered only as supporting evidence along with other relevant facts for an alleged violation of Company rules or policies, not the sole generating source to administer discipline to employees.

ARTICLE 14 – SAFETY

Section 1 – Safety: The Company and the Union recognize that accident prevention work is essential to the operation of the Company's transportation system and that safety programs, safety meetings, and general incident/accident prevention work is mutually beneficial both to the Company and to its employees. The Union therefore agrees that it and the employees will not only cooperate with the Company in such safety work, but also will take an active part and interest in incident/accident prevention work. Accordingly, attendance at all safety meetings held and conducted by or for the Company will be mandatory for all employees.

All Company vehicles must be equipped with A/C and heating in passenger and driver areas. Employees shall not be required to operate vehicles that are in an unsafe condition or lacking in legally prescribed safety equipment. Accordingly, it shall not be a violation of this Agreement for employees to refuse to operate unsafe equipment, unless the refusal is unjustified. The General Manager shall make the determination of whether an employee is justified in refusing to operate a Company vehicle or piece of equipment.

Safety violations are considered a serious matter and fall below the Company's standard performance expectations. The Company and Union recognize that the Employee Handbook outlines some safety violations that are of such a serious nature that discharge is appropriate for the first offense. In the event a safety violation does not subject the employee to immediate termination, an employee will be terminated if he commits two (2) safety-related violations in twelve (12) months or three (3) in thirty-six months.

Section 1A – Cell Phone Use: At no time will the company require any employee to use their personal cell phone for business purpose/reason.

- b. The ARC shall decide preventability issues only, and shall not determine discipline questions. Discipline rendered as a result of a decision that an accident was preventable is subject to the Grievance and Arbitration procedures of the labor agreement; however, the determination of the ARC may not be appealed.
- c. The ARC will be made up of equal numbers of bargaining unit members and non-bargaining unit members, and one (1) neutral party, who will be selected by the Company and the Union. The ARC will consist of five (5) persons. The Union shall have the right to select the bargaining unit members. An ARC member who has incurred a preventable accident within the prior twelve (12) months will not be eligible to serve on the ARC, and an alternate must be selected. ARC members will be compensated at their regular rate of pay for hearings and appeals. The Company and the Union may each elect to have an observer present.
