WHAT IS IVT ACCESS?

Imperial Valley Transit Access (IVT Access) provides curb-to-curb transportation services upon advance reservation, to functional and mobility disadvantaged persons in accordance with the American with Disabilities Act (ADA) of 1990. IVT Access' federally mandated purpose is to provide an accessible public transit option for those who are unable to successfully utilize regular transit services due to functional and mobility needs. IVT Access also provides its services to the general public (when seating is available).

IVT Access buses are equipped with hydraulic lifts to accommodate individuals with various mobility needs. In addition, IVT Access drivers have received specialized training to assist riders in and out of vehicles and provide other specialized support to ensure that individuals with functional and mobility needs have a comfortable and safe ride to and from their chosen destination.

IVT Access will transport you to and from any locations in the Imperial Valley service area within a 3/4 mile "corridor" and a 30 minute "window" of regular Imperial Valley Transit bus services. This service area covers much of the County of Imperial for the most of the day Monday through Sunday. Local Dial-A-Ride services should be utilized for local trips.

WHO IS ELIGIBLE TO RIDE?

Transportation on IVT Access is reserved for those eligible under the American's with Disabilities Act and who have received "ADA certification" through the Imperial County Transportation Commission (ICTC). Certified individuals receive first priority in all scheduling.

All individuals wishing to ride IVT Access who may be eligible for ADA certification are strongly encouraged to file an application with Imperial County Transportation Commission in order to fully utilize IVT Access services.

For additional information on ADA certification or to request an application for eligibility, please contact the ADA Paratransit Service Certification Coordinator at (760) 592-4494 or visit www.ivtaccess.org.

Transportation on IVT Access is also available to the general public when space is available. Individuals who are not ADA certified may be unable to book a trip with IVT Access during peak times.

¿QUÉ ES IVT ACCESS?

Imperial Valley Transit Access (IVT Access) ofrece servicios de transporte de acera a acera a reservaciones con anticipación, a las personas funcionales y desfavorecidas de acuerdo con la Ley de Americanos con Discapacidades (ADA) de 1990. El mandato federal de IVT Access es ofrecer una opción accesible al transporte público para aquellas personas que no pueden utilizar adecuadamente los servicios de tránsito regular debido a necesidades funcionales y de movilidad. IVT Access también proporciona sus servicios al público en general (cuando el espacio está disponible).

Autobuses de IVT Access están equipados con elevadores hidráulicos para dar cabida a personas con diferentes necesidades de movilidad. Además, los choferes de IVT Access han recibido entrenamiento especializado para ayudar a los pasajeros en la entrada y salida del autobús y proporcionar apoyo especializado de otro tipo para asegurar que las personas con necesidades de movilidad tengan un viaje cómodo y seguro hacia sus destinos elegidos.

IVT Access lo transportará hasta y desde cualquier ubicación dentro del área de servicio del Valle Imperial dentro de un "corredor" de 3/4 de milla y una "ventana" de 30 minutos de los servicios regulares de Imperial Valley Transit. Esta área de servicio abarca gran parte del Condado de Imperial, durante la mayor parte del día de lunes a domingo. Servicios de Dial-A-Ride deberían de ser utilizados para viajes locales.

¿QUIÉN ES ELEGIBLE PARA VIAJAR?

Transporte en IVT Access está reservado para aquellas personas elegibles bajo la Ley de Americanos con Discapacidades (ADA) de 1990 y que han recibido "Certificación de ADA" a través de la Comisión de Transporte del Condado de Imperial (ICTC). Personas certificadas recibirán primera prioridad en la programación de servicios. Todas las personas que deseen viajar en IVT Access que puedan ser elegibles para la certificación de ADA se les recomienda que presenten una solicitud ante la Comisión de Transporte del Condado de Imperial para solicitar servicios de IVT Access.

Para obtener más información sobre la certificación de ADA o para pedir una solicitud de elegibilidad, comuníquese con la Coordinadora/o certificación ADA Paratransit Service al (760) 592-4494 o visite nuestra página de internet www.ivtaccess.org.

Servicios de Transporte en IVT Access también están disponibles para el público en general cuando hay espacio disponible. Lamentablemente, personas que no estén certificadas con ADA no pueden reservar un viaje con IVT Access durante las horas de alto servicio.
