I. INTRODUCTION

The Imperial County Transportation Commission (ICTC) is conducting a competitive bid process to continue to provide public Dial-A-Ride services within specific service areas. The service is called IVT RIDE. The service has been in operation since July 1, 2014. This solicitation is for the continuation of the specific Public Outreach and Marketing services and is circulated in anticipation of the continuation of the transit services.

ICTC is seeking the services of an individual or firm to develop and implement a bilingual (English and Spanish) public outreach program, website, and marketing services for the specialized public paratransit service. The selected firm will work for ICTC and with contracted transit operator management staff. The selected firm or project staff must indicate some familiarity with and be willing to take direction on and incorporate marketing and advertising services with transit industry best practices and standards. The website must use technology that accommodates persons with disabilities. The current website is available for viewing at www.ivtride.com

A contract award for the specific marketing services listed in this RFP is expected to be awarded by the Commission before the Commission takes action on the continuation of the paratransit services contract. However, if the Commission does not approve a paratransit services contract, this marketing services contract may be delayed or even terminated. Prospective bidders should be aware that any work effort or expense completed under this contract after award, will then be compensated up to the date of termination.

This project is locally funded. No federal funds are anticipated to be used on this project.

The Imperial County Transportation Commission shall hereinafter be referred to as “ICTC”. The contract will be regulated according to the provisions including but not limited to generally recognized transit industry standards, the Federal Transportation Administration (FTA), the Americans with Disabilities Act (ADA), Transportation Development Act (TDA) as amended, and other applicable Federal, State and local laws or regulations.

II. GENERAL BACKGROUND

ICTC is the regional transportation planning and programming agency (RTPA) for the Imperial Valley region. ICTC builds consensus, makes strategic plans, obtains and allocates resources, contracts for transit services, and provides information on a broad range of topics pertinent to the Imperial Valley region’s transportation services and infrastructure.

ICTC is an independent public agency governed by a Commission composed of city council members and county supervisors from each of the region’s eight (8) local governments and the Imperial Irrigation District (IID). Membership includes the cities of Brawley, Calipatria, Calexico, El Centro, Holtville, Imperial, Westmorland, the County of Imperial, and the IID.
ICTC administers contracts with third parties for the operation of the inter-city regional and intra-city circulator public bus systems. In addition, ICTC administers third-party contracts for intra-city paratransit systems.

**IV. PROJECT SUMMARY**

A. **Project Background/Project Description**

ICTC has a contract for paratransit service identified as *IVT RIDE*, branded with the colors yellow, black, and white. During the term of this marketing contract, ICTC is expected to extend the paratransit services contract, and eventually conduct an RFP for the continuation of the service. Prospective bidders for the marketing services are strongly encouraged to review the existing website to gain an understanding of the project located at [www.ivtride.com](http://www.ivtride.com).

The *IVT RIDE* logo and brand have been registered with the United States Patent and Trademark office. The registration must be maintained and the selected firm may need to resubmit during the term of this marketing contract.
The dial-a-ride services are targeted at seniors (age 55 and above) and persons with disabilities. (IVT Ride Westshore’s is available to the general public) The purpose of this project is to provide information and guidance to seniors and persons with disabilities, regarding the points of contact, service locations, service hours, unique features, and availability of the service. The ultimate goal is to have a public outreach and marketing plan, as well as, a longer-term marketing/advertising program for the sustainment of the service.

Of particular importance in any service or project developed for use within the Imperial region, is the fact that it includes extreme high heat conditions in the desert environment in the late spring, summer, and fall months.

In addition, due to the proximity of the operating area to the international border with Mexico, the region has a high percentage of Spanish-speaking monolingual passengers. All marketing efforts will require a bilingual counterpart that is suitable and effective for the region.

The production and installation, and periodic repair costs of bus graphics throughout the three-year contract should not be included in the budget for this proposal. These types of expenses are a part of the transit service maintenance budget for the contracted transit service operator.

The budget is inclusive of any proposed media buys and production. ICTC staff intends to be flexible to accommodate passenger demand. This means the selected proposal scope and budget may be adjusted and carried over between the years during the three years if determined that a particular media or medium is not effective, or if a particular media or medium is effective. ICTC staff cannot guarantee that increased funding will be available in the future. Therefore, proposers are requested to use the fee established in the RFP on page 2 and provide their concept for the most effective method to accomplish the goals in the RFP.

B. Fee Estimate Range

The estimate of the fee range for the completion of the project is $60,000 to $70,000 annually. The budget is to be established in the FY 2022-23 ICTC Overall Work Plan and Budget.

C. Payment

The ICTC desires to sign a three-year, fixed-price contract, effective with an anticipated start date of July 1, 2022. An itemized price sheet is required from the Provider for the full three-year period. However, in the event of service changes for any given year, the Provider and ICTC may negotiate revised pricing before the start of each fiscal year.

The selected consultant will be paid by the fixed fee method, with itemized monthly invoices based on deliverables or portions of work completed. ICTC will retain 10% from
each invoice to be settled annually.

V. SCOPE OF REQUIRED SERVICES

Task 1:

a. Develop informative bilingual (English and Spanish) public outreach and marketing strategy for the IVT RIDE service and the need to keep the public informed, with telephone numbers provided by the transit service provider, and any other service changes. ICTC reserves the right to disqualify a proposed detailed cost estimate with mathematical or clerical errors, inconsistencies, or missing information that prevents ICTC from fully evaluating the proposal. C. **Right to Cancel**

ICTC reserves the right to cancel or revise, for any reason, in part or its entirety, this RFP. If ICTC cancels the RFP prior to the deadline for proposals or revises

Throughout the life of this Agreement, Consultant shall pay for and maintain in full force and effect all policies of insurance required hereunder with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A- VII" in Best's Insurance Rating Guide, or (ii) as may be authorized in writing by ICTC’s Executive Director or his/her designee at any time and in his/her sole discretion. The following policies of insurance are required:

(v) **PROFESSIONAL LIABILITY (Errors and Omissions) insurance** appropriate to Consultant’s profession, with limits of liability of $2,000,000 per claim/occurrence and $2,000,000 policy aggregate.
In the event Consultant purchases an Umbrella or Excess insurance policy(ies) to meet the minimum limits of insurance set forth above, this insurance policy(ies) shall “follow form” and afford no less coverage than the primary insurance policy(ies).

Consultant shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and Consultant shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the ICTC’s Executive Director or his/her designee in his/her sole discretion. At the option of the ICTC’s Executive Director or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects ICTC, its members, board members, officers, officials, employees and agents; or (ii) Consultant shall provide a financial guarantee, satisfactory to the ICTC’s Executive Director or his/her designee in his/her sole discretion, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall ICTC be responsible for the payment of any deductibles or self-insured retentions.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice has been given to ICTC. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Consultant shall furnish ICTC with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for ICTC, Consultant shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

The General Liability and Automobile Liability insurance policies shall be written on an occurrence form. The General Liability (including ongoing operations and completed operations) and Automobile Liability insurance policies shall name ICTC, its members, board members, officers, officials, employees and agents as an additional insured. All such policies of insurance shall be endorsed so Consultant’s insurance shall be primary and no contribution shall be required of ICTC, its members, board members, officers, officials, employees, agents or volunteers. The coverage(s) shall contain no special limitations on the scope of protection afforded to ICTC, its members, board members,
officers, officials, employees and agents. Should Consultant maintain insurance with broader coverage and/or limits of liability greater than those shown above, ICTC requires and shall be entitled to the broader coverage and/or the higher limits of liability maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to ICTC.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made coverage form:

(i) The retroactive date must be shown, and must be before the effective date of this Agreement or the commencement of work by Consultant.

(ii) Insurance must be maintained and evidence of insurance must be provided for at least 5 years after completion of the work or termination of the Agreement, whichever first occurs.

(iii) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement, or work commencement date, Consultant must purchase extended reporting period coverage for a minimum of 5 years after completion of the work or termination of the Agreement, whichever first occurs.

(iv) A copy of the claims reporting requirements must be submitted to ICTC for review.

(v) These requirements shall survive expiration or termination of the Agreement.

Consultant shall furnish ICTC with all certificate(s) and applicable endorsements effecting coverage required hereunder. **All certificates and applicable endorsements are to be received and approved by ICTC’s Executive Director or his/her designee in his/her sole discretion prior to ICTC’s execution of the AGREEMENT and before work commences.** Upon request of ICTC, Consultant shall immediately furnish ICTC with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

If at any time during the life of the Agreement or any extension, Consultant or any of its sub-Consultants fail to maintain any required insurance in full force and effect, all work under this Agreement shall be discontinued immediately, until notice is received by ICTC that the required
insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to ICTC. Any failure to maintain the required insurance shall be sufficient cause for ICTC to terminate this Agreement. No action taken by ICTC hereunder shall in any way relieve Consultant of its responsibilities under this Agreement.

The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify ICTC shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, sub-Consultants, or anyone employed directly or indirectly by any of them.

If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each sub-Consultant to provide insurance protection in favor of ICTC, its members, board members, officers, officials, employees, agents and volunteers in accordance with the terms of each of the preceding paragraphs, except that the sub-Consultant’s certificates and endorsements shall be on file with Consultant and ICTC prior to the commencement of any work by the sub-Consultant.
