**RESOLUTION OF THE IMPERIAL COUNTY TRANSPORTATION COMMISSION
AUTHORIZING REMOTE MEETINGS IN ACCORDANCE WITH THE PROVISIONS
OF STATE ASSEMBLY BILL 361.**

RESOLUTION NO. _____

WHEREAS, the County of Imperial is committed to preserving and nurturing public access and participation in meetings of the Imperial County Transportation Commission and other public meetings subject to the Ralph M. Brown Act (“Brown Act”); and

WHEREAS, with the adoption of State Assembly Bill 361 (“AB 361”), section 54963(e) of the California Government Code was amended to make provisions for remote teleconferencing participation in meetings by members of a local legislative body, without compliance with the requirements of 54953(b)(3) of the California Government Code, subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to section 8625 of the California Government Code, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in section 8558 of the California Government Code; and

WHEREAS, on March 4, 2020, the Governor proclaimed pursuant to his authority under 8625 of the California Government Code, that a state of emergency exists with regard to the novel coronavirus (a disease now known as COVID-19); and

WHEREAS, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021, did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and

WHEREAS, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to section 8629 of the California Government Code to lift the state of emergency, either by proclamation or by concurrent resolution in the State Legislature; and

WHEREAS, the Local Health Officer for the County of Imperial has recommended that the local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19; and

WHEREAS, Imperial County Transportation Commission believes that it is in the best interest of the public to continue holding remote meetings during the existing state of emergency in accordance with the requirements of AB 361.

NOW, THEREFORE, the Imperial County Transportation Commission resolves as follows:

- (1) The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.
- (2) A proclaimed state of emergency exists as a result of the COVID-19 pandemic.
- (3) The Local Health Officer recommends that all local legislative bodies local legislative bodies that are subject to the Brown Act continue to meet remotely when possible, and that social distancing continues to provide a means by which to reduce the transmission of COVID-19
- (4) The staff of the Imperial County Transportation Commission are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution, including implementing social distancing measures at meetings, and conducting meetings in accordance with section 54953(e) of the California Government Code, and other applicable provisions of the Brown Act.
- (5) This Resolution shall take effect immediately upon its adoption and shall be effective until the earlier of thirty (30) days from adoption of the Resolution or such time the Imperial County Transportation Commission takes action to extend the time during which it may continue to meet remotely without compliance with section 54953(b)(3) of the California Government Code.

VI. REPORTS

A. ICTC Executive Director

- Mr. Aguirre had the following updates:

- State Route 86 Border Patrol Checkpoint is currently in design and there have been some additional design features that have been incorporated. The design is expected to be completed in early 2023. There are continuous meetings that are held with CBP.
- All member agencies have adopted and passed IVRMA JPA documents. The IVRMA board also passed the document in September. The EAR report is being completed as well. Mr. Aguirre stated that they are about 99% done.
- Calexico East Port of Entry Bridge Widening Project, the bridge portion is completed. This is the biggest portion of the project. The next portions are the roadway portions which are a lot easier. Target completion date: March 2023.
- The Free Fares Program grant was approved for \$492K which will cover about 9 months of free fares for transit riders. In November, a program is offered for free transportation for veterans from November 12th to November 18th. The annual "stuff a bus" campaign is from November 1st to November 18th. This campaign lets people ride the bus for free if they donate a canned good. Essentially, all the canned goods that are generated, are donated to the food bank before the Thanksgiving holiday. These two programs are put out for

the public before the Free Fares Program takes place. The Free Fares program will likely start around January 2023.

- Ms. Mendoza had the following updates:
 - The next IMBA meeting is scheduled for December 8, 2022, in the City of Mexicali at 9:30 a.m. The meeting will be available via Zoom and in person.
 - There was massive public outreach in different cities for the Long Range Transportation Plan. Starting at the Heber Fall Festival on October 29th at 4 p.m. Then, at Holtville's Farmer Market and Street Fair on November 5th at 11 a.m. Finally, at Brawley's Cattle Call Chili Cookoff on November 5th at 5 p.m. ICTC inquired about the public priorities and any other priorities they would like to see. There are currently ongoing meetings with each of the cities, as well as with the IID and Caltrans. ICTC also had the opportunity to meet with SDSU and IVC to receive feedback.

B. Southern California Association of Governments (SCAG)

- Mr. Salgado had the following updates:
 - The SCAG 2022 Economic Summit is still currently open. If anyone is interested in attending, please contact David Salgado.
 - Virtual Information Session #1 opens on November 10, 2022, from 5:00 p.m. to 6:30 p.m. about Sustainable Communities Program (SCP) Call 4.
 - The San Bernardino County Supervisor Curt Hagman was elected as the Regional Council Second Vice President for the balance of the 2022-2023 term. This was a special election resulting from a vacancy.
 - Ms. Cheryl Viegas-Walker is not running for re-election so that will open up a SCAG Regional Council District seat for District 1. There will be a special election held for this seat at some time in December. All elected officials are eligible to run for the Regional Council. SCAG's Regional Council is made up of about 89 elected officials that represent the six counties of SCAG's region.
 - The state did approve the 2023 Active Transportation Program grant applications. Unfortunately, the Imperial County region was not awarded any funding under this program.

C. Caltrans Department of Transportation – District 11

- Mr. Reyes had the following updates:
 - The SR-98 widening project has its Stage 1 wrapping up and is on target to be completed before Thanksgiving. After discussions between the construction team and the local stake holders, it was decided to go to Stage 3, which is the Westbound direction from SR-111 to Rockwood. This decision was made due to it not having any businesses around it. This will minimize the impacts on businesses during the holiday season. Stage 3 is looking to start as soon as Stage 1 is completed. Following Stage 3, Caltrans will start with Stage 2.
- Mr. Guerrero had the following updates:
 - The new District's Local Assistance Engineer is Bryan Ott.
 - Clean California is offering a second funding cycle:
<https://cleancalifornia.dot.ca.gov/local-grants/local-grant-program>
 - The next CTC meeting is on January 25, 2023, and the deadline to submit your package is November 25th.
- Ms. Hanh-Dung Khuu had the following updates:
 - The new Traffic Safety and Operations -East Region manager is Nick Ventrilla.

(Presented by: Ben Guerrero)

- November 9, 2022 was the deadline to submit “Inactive” invoices or a justification.
- Funding Requests for Authorization (RFA) during this next federal fiscal year are due by January 31, 2023.
- Note the Obligation Authority (OA) funds for redistribution are dwindling faster than in prior years. Also, make sure that funds are programmed appropriately. Prepare to send RFA packages as soon as possible.
- The Clean California Local Grant Program is offering a second funding cycle! The program will continue providing communities with funding to beautify and improve public spaces that include streets and roads, tribal lands, parks, pathways, and transit centers.
- For more information, please **click** <https://cleancalifornia.dot.ca.gov/local-grants/local-grant-program>
- Friday, **November 25**, 2022, is the final deadline (for that January 25-26, 2023, CTC meeting).
- Please transmit all invoices on *LAPM* Exhibit 5-A (use the **August 2020** version).

5. SCAG Updates / Announcements:

(Presented by: David Salgado)

- Regional Early Action Program (REAP) 2.0 Program Update: There is funding available under this program that was presented to the TAC group last month.
- On Thursday, Dec. 1, SCAG will host the 13th annual Southern California Economic Summit at the Sheraton Grand in downtown Los Angeles. The theme of this year’s summit is “Resourcing the Region.” Southern California is uniquely rich in both natural and economic resources.
- Securing Federal Funding from the IIJA and IRA Toolbox Tuesday Money Monday Session: November 21, 2022 - 1:00PM - 2:30PM
- Register online here: <https://form.jotform.com/SCAGweb/toolbox-tuesday>
- The state did approve the 2023 Active Transportation Program grant applications. Unfortunately, the Imperial County region was not awarded any funding under this program.
- If you have any questions, please contact David Salgado at salgado@scag.ca.gov

6. Cities and County Planning / Public Works Updates:

- Each jurisdiction gave their update.

7. ICTC Updates / Announcements

(Presented by ICTC Staff)

a. Transit Planning Updates

- The Free Fares Program grant was approved for \$492K which will cover about 9 months of free fares for transit riders. This month, a program is offered for free transportation for veterans from November 12th to the 18th. The annual “Stuff-A-Bus” campaign is between November 1st to the 18th. This campaign lets people ride the bus for free if they donate a canned good. Essentially, all the canned goods that are generated, are donated to the food bank prior to Thanksgiving holiday. These two programs are put out for the public before the Free Fares Programs takes place. The Free Fares program will likely start around January 2023.
- The Commission did appoint David Aguirre as the permanent Executive Director for ICTC.

b. Transportation Planning Updates

• Long Range Transportation Plan Outreach:

- There was massive public outreach in different cities for the Long Range Transportation Plan. Starting at the Heber Fall Festival on October 29th at 4 p.m. Then, at Holtville’s Farmer Market and Street Fair on November 5th at 11 a.m. Finally, at Brawley’s Cattle Call Chili

Cookoff on November 5th at 5 p.m. ICTC inquired about the public priorities and any other priorities they would like to see. There are currently ongoing meetings with each of the cities, as well as with the IID and Caltrans. ICTC also had the opportunity to meet with SDSU and IVC to receive feedback.

- **Local Partnership Formulaic Program (LPP) Cycle 3 and Cycle 4:**
- **CMAQ & STBG FFY 2022/23:**
 - A project list was provided to the TAC group.
- **2022 Mini Call for Projects STBG-CMAQ Update:**
 - Management and Commission approved the 2022 Mini Call for Projects. Next Step: ICTC will program projects in the next available FTIP Amendment

8. General Discussion / New Business

IVT Access

- Ms. Pacheco presented the Quarter 1 report for the service.
- The service will not be participating in the Stuff a bus event but it will be participating in the Veteran's day event. Veterans will be able to utilize the service for free by showing their military ID to the bus driver. The event will be from November 12th to the 18th.

IVT Ride

- Ms. Aguilar presented the Quarter 1 report for the service.
- The service is still proving free fares, sponsored by Area Agency on Aging.

IVT MedTrans

- Mr. Guillen presented the Quarter 1 report for the service.
- Service hours are the same and both buses are available. It is in response to demand.
- Mr. Guillen asked if agencies need service brochures to contact Mr. Gomez and some will be delivered to their offices.

7. General Discussion

- Mr. Hack asked if the bus still stops in front of Vons.
 - Mr. Guillen responded that for the moment there is construction so the bus is not stopping there until the construction is complete.
- Mr. Hack asked if a new bus stop infrastructure will be placed in front of the El Centro Library.
 - Mr. Gomez responded that it depends on the City of El Centro whether there will or not be new infrastructure placed there for the bus stop.
 - Mr. H. Sanchez added that the Green line is still stopping on the side of Vons. The only locations interrupted currently are Walmart bus stops and Aten/La Brucherie bus stop. There are temporary bus stops to pick up passengers that are near those locations and more information is on the service websites.

Memorandum

Date: December 1, 2022
To: ICTC Commission Members
From: David Aguirre, Executive Director
Re: Executive Director's Report

The following is a summary of the Executive Director's Report for the ICTC Commission meeting on December 14, 2022.

- 1) **State Route 86 (Northbound) Border Patrol Checkpoint:** State Route 86 (Northbound) Border Patrol Checkpoint: In August 2017 following a year of coordination, Caltrans, the County of Imperial and ICTC met with CBP management and operations staff achieved consensus for a new conceptual alternative prepared by Caltrans. The LTA Board met on September 27, 2017, staff presented the Board with a fund request for \$1.3 million from the 5% Regional Highway Set-Aside from the Measure D allocations. A Consultant Agreement with AECOM for design and construction engineering was approved by the LTA on February 28, 2018. Following our ICTC Board meeting in late September 2020, ICTC has initiated a traffic study as required by Caltrans. Design work has been delayed due to Border Patrol's concern related to their ability to provide additional funding necessary to meet their operational requirements. On Wednesday, March 17, 2021 ICTC received confirmation from Border Patrol Headquarters in Washington D.C. that they wish to proceed with the original Canopy Design that is similar to Interstate 8 Pine Valley Checkpoint.

As discussed and confirmed with Border Patrol, ICTC will only provide the remaining funds we had available (February 2021) of approximately \$1.3 million to complete the traffic study, 100% design plans, and construction of the canopy, lighting related to the canopy, and traffic related improvements required by Caltrans. Border Patrol has committed to paying for all other construction related costs and Border Patrol will lead the construction contract. Border Patrol, Caltrans and ICTC are having weekly meetings toward completing design plans and obtaining Caltrans Permits and Environmental Clearance.

- 2) **Funding for Phase II of the Calexico West Port of Entry:** As previously noted, Congress authorized \$98 million for Phase 1. The U.S. General Services Administration (GSA) began construction for Phase 1 in December 2015 with completion now scheduled for July 2018. Phase 2A was awarded in the amount of \$191million and will include six additional northbound privately-owned vehicle (POV) inspection lanes, permanent southbound POV inspection, expanded secondary inspection and adding a pre-primary canopy, new administration building, and employee parking structure. *Funding for phase 2B was awarded in the amount of \$103.4 million. Work for phase 2B will include demolition of the old port building and construction of the new pedestrian building. The total estimated investment for the Calexico West POE improvements are \$416.2 million. Construction efforts for the West Port of Entry are anticipated to begin on September 26, 2022. Noticing information pertaining to lane closures and closure times, adjustments to the East Port of Entry passenger vehicle operating hours and other items have been distributed and shared via multiple media outlets including ICTC's website at [Canopy construction at the Calexico West Port of Entry to impact vehicle traffic | Imperial County Transportation Commission \(imperialctc.org\)](https://www.imperialctc.org)*

- 3) **Surface Transportation Block Grant Program (STBG) and Congestion Mitigation and Air Quality Program (CMAQ) 2022 Call for Projects – FFY 2022/2023 to FFY 2024/2025:** The STBG and CMAQ Call for Projects began on November 18, 2021. The approved 2022 CMAQ & STBG Guidelines are posted on the ICTC website at <http://www.imperialctc.org/call-for-projects/>. Applications were submitted on Friday, February 25, 2022 to ICTC office. All agencies submitted with the exception of the City of Westmorland and IID. A total of 10 STBG and 11 CMAQ applications were received by ICTC. Funding requests exceed the CMAQ and STBG amounts available for the three (3) fiscal years.

Program	Total Amount Available	Amount Requested by All Applicants
CMAQ	\$5,222,306	\$9,136,697
STBG	\$7,706,117	\$16,640,508

Technical staff representing all the cities and county participated in a scoring and ranking meeting on March 17, 2022, at the ICTC offices. This item was approved by the Commission on April, 27, 2022. ICTC staff worked with local agency staff and programmed all approved projects in the Federal Transportation Improvement Program (FTIP). Additionally, in response to the Federal Highway Administration (FHWA) corrective action of future CMAQ and STBG funds, ICTC staff has worked with member agency staff and completed a mini call for projects for FFY 2025/26 CMAQ and STBG funds. On Thursday, October 6th all member agencies reviewed and ranked projects submitted for FFY2025/26 funding. *Project list recommendation was reviewed and approved by Management Committee and Commission on November 9, 2022.*

- 4) **IVRMA – Joint Powers Agreement (JPA) Amendment:** *IVRMA has been working with all member agencies towards completing various amendments to the existing IVRMA JPA. The proposed amendments include required newly adopted legislation language and the expansion of services that the IVRMA is anticipated to provide to the member agencies. The member agencies took action during the month of September 2022 to adopt the amended JPA. The IVRMA board approved the amended JPA at the September 2022 board meeting. IVRMA has forwarded the fully executed amendment to CalRecycle for approval.*
- 5) **Orchard Road & SR115 Traffic Concept Report:** *During the Commission meeting of September 2022, the Commission asked ICTC staff to follow up on the SR 115 Transportation Concept Report (TCR). ICTC staff has conducted meetings with Caltrans and County Public Works staff during the week of October 17th. ICTC staff in partnership with County and Caltrans staff are continuing discussions for short term options to deter trucks from using Orchard Road. The parties are also expected to discuss long term options as well. More information will be shared as discussions continue.*
- 6) **Imperial Mexicali Binational Alliance (IMBA):** The December 8, 2022, IMBA meeting was held in the City of Mexicali and included updates on Calexico East Port of Entry Bridge Widening project, Calexico West Port of Entry Phase 2A and 2B, Lithium Valley, economic development updates and education updates. *The next IMBA meeting is tentatively scheduled for January 19, 2023 or February 9, 2023, in Imperial County. The meeting will be available via Zoom and in-person.*
- 7) **Regional Active Transportation Program:** ICTC staff has been working with staff from the Southern California Association of Governments (SCAG) in the development of the Active Transportation Program (ATP) guidelines. The ATP is funded from various federal and state funds including the federal Transportation Alternatives Program (TAP), the Highway Safety Improvement Program (HSIP), State Highway Account, and Safe Routes to Schools (SR2S). The approved California Transportation Commission 2023 ATP (Cycle 6) program guidelines divide the funds into state and regional shares. State funds are available through a competitive application process. Applicants that are unsuccessful at the state level are considered for regional funds. Regional ATP funds are administered by the Metropolitan Planning Organizations (MPO). SCAG is Imperial County's MPO. Per SCAG's 2023 ATP Regional Guidelines, county transportation commissions may assign up to 20 points to each statewide project application deemed consistent and meeting eligibility requirements. ICTC staff has completed the adoption process of the scoring methodology. *ICTC staff has received state scoring of ATP applications from Imperial County and is scheduled to present staff recommendations with TAC members starting December 15, 2022.*

- 8) **2022 Long Range Transportation Plan:** The ICTC in its capacity as the Regional Transportation Planning Agency is responsible to lead the Long Range Transportation Plan (LRTP) in Imperial County. The last update to the LRTP was conducted in 2013. ICTC staff completed a Request for Proposal (RFP) to prepare a full update of the Imperial County LRTP. Michael Baker International was the selected consultant. The goal of the LRTP is to provide the following:
- Identify and promote the relationship between the transportation system to existing and future land use and community comprehensive plans and programs.
 - Provide guidance to promote the improvement of multi-modal transportation circulation of people and goods, using both motorized and non-motorized transportation modes, new technologies and infrastructure facilities.
 - Recommendations and guidance to provide a safe, efficient, accessible, socially equitable and cost-effective transportation system.
 - Ensure compliance with state and federal transportation planning regulations
 - Develop recommendations that ensure environmentally sustainable planning practices.

The consultant team continues to work on the existing conditions technical memorandum. The first TAC meeting was held on March 30, 2022, that was attended by a diverse stakeholder group comprised of local, regional, environmental justice groups and economic development organizations. In addition, an all-day event with six (6) subgroup meetings was held on April 6, 2022, that encompassed subgroups for:

- Highways and Local Roadways
- Border and Goods Movement
- Pedestrian, Bicycles and Microbility
- Transit and Paratransit / Senior and Disabled Service
- Environmental and Environmental Justice
- Developers / Economic Development / Small Business Liaison

Outreach activities for the Long Range Transportation Program have been scheduled in conjunction with community events for the following days:

- Heber Fall Festival: Saturday, October 29, at 4 p.m. Tito Huerta Park, 1165 Palm Avenue, in Heber
- Holtville Farmers Market & Street Fair: Saturday, November 5, at 11 a.m. following the annual Veterans Day Parade at Holt Park, 121 W. 5th St., in Holtville
- Brawley Cattle Call Chili Cook-off: Saturday, November 5, at 5 p.m. on Main Street and Plaza Park, in Brawley

The Consultant has completed drafts of the Existing Conditions technical memorandum and Transportation Issues and Strategies technical memorandum. To access the documents, please visit the project website located at <https://ictc-lrtp2023.org/new-page-2>. The Consultant team has draft listing of Projects and Program listing and has conducted one-on-one meetings with local agencies for input. The draft list Projects and Programs will be reviewed by the Steering Committee on Tuesday, December 13, 2022.

- 9) **Calexico Intermodal Transportation Center (ITC):** A new Intermodal Transportation Center in the City of Calexico has been part of ICTC's long range transit planning. The new Calexico ITC will serve as a regional mobility hub that will accommodate bus bays for Imperial Valley Transit in addition to the City of Calexico's private transit operators, taxis and farm labor buses. ICTC received a Congestion Mitigation and Air Quality federal program fund to complete the environmental and design plans of the new Calexico ITC. ICTC staff is in the process of completing the contract award for a consultant firm that will complete the environmental and design phase. Currently, ICTC staff is completing the Caltrans award review process with multiple Caltrans' departments. The ICTC Board adopted the agreement with Psomas on September 26, 2018. Environmental phase has been completed. *Design was completed in the month of April 2022 and Right of Way Acquisition is underway. ICTC is exploring funding opportunities to complete the required construction efforts.*
- 10) **Calexico East Port of Entry Bridge Widening Project:** The Project proposes to widen the bridge over the All-American Canal at the U.S./Mexico border approximately 0.7 miles south of State Route (SR) 7. The project proposes to widen the existing structure by adding four-lanes: Two New Northbound Auto Lanes and Two New

Northbound Commercial Vehicle Lanes. In May 2018, Caltrans and ICTC received \$3,000,000 from the California Transportation Commission and the Trade Corridor Enhancement Program (TCEP) to complete the Project Approval and Environmental Document (PA/ED) for the project. In June 2018, Caltrans completed a Project Initiation Document (PID). In Fall of 2018, the PA/ED phase was initiated by Caltrans, technical studies for the National Environment Policy Act (NEPA) document under Caltrans as the NEPA lead are in progress and is scheduled for completion in May 2020. In December 2018, ICTC was awarded \$20 million under the U.S. Department of Transportation's BUILD discretionary grant program to complete the Design-Build construction phase. ICTC subsequently received TCEP in the amount of \$7.4 Million for construction efforts. *The design portion of the project is complete. The project construction is underway, and construction is anticipated to be completed in early 2023.*

- 11) **Potential Bus Stop in Calipatria:** ICTC has evaluated all of its fixed route service routes to attempt to provide service to the east side of Calipatria. Staff conducted time trials as well utilized several types of buses to verify buses would not have issues with other existing stops within proposed routes. Potential stops for the area include a stop along Commercial Avenue and potentially another stop near Alexandria Street. Staff is proposing to utilize its IVC Express route to potentially service the area. ICTC and City staff have begun coordination to implement infrastructure associated with the bus stop(s). *ICTC has begun utilizing the IVC Express route to service both bus stops along the east side (intersection of Bonita Place and Commercial Avenue) and (intersection of Alexandria Street and Brown Avenue) of Calipatria. The City of Calipatria has engaged its engineering team to review applicable infrastructure needs. ICTC has received a proposed cost to complete the infrastructure improvements. ICTC is pursuing a grant opportunity to fund the Calipatria bus stops in addition to other bus stops. Additional updates pertaining to this item are to follow.*
- 12) **Imperial Valley Transit (IVT) FREE FARES PROGRAM:** On August 7, 2020, the Imperial County Transportation Commission (ICTC) announced the implementation of a **Free Fares Program** for various Imperial Valley Transit (IVT) services. Eligible services include IVT Fixed Route, IVT Circulators (Blue, Green and Gold Lines), IVT ACCESS and IVT RIDE (EL Centro, Imperial, Heber, Brawley, Calexico, Westshores). All passengers are eligible to benefit from the Free Fares Program. The fares are subsidized by a State of California grant and fare contributions to IVT RIDE passengers by the County of Imperial's Area Agency for the Aging (AAA). *ICTC was able to secure a new grant to provide free fares for all of its transit programs. ICTC is currently working on program rollout.*
- 13) **State Route 98 Widening from Ollie to Rockwood:** As part of the Calexico West POE Expansion project, SR-98 and Cesar Chavez Boulevard were widened and improved to serve the expansion to the west. Caltrans' SR-98 work between VV Williams and Ollie Avenue was completed in March 2018, and the Cesar Chavez Blvd. Widening was completed in October 2019. Caltrans has completed the design and right of way phase for SR-98 Widening between Rockwood Avenue and Ollie Avenue. On June 24, 2020, CTC authorized construction funding. The total project cost is estimated at \$7 million using a combination of 2016 Earmark Repurposing, Demonstration, Traffic Congestion Relief, ICTC and local funds. *The construction start date was delayed to due to environmental impacts and other utility projects in progress within the project area. Construction of the project began on August 6, 2021. The existing contractor of the project has been removed. Caltrans has secured a new temporary contractor to complete the project improvements from Ollie Avenue to Highway 111. Caltrans is working to finalize the project and commencing other project phases in the near future.*
- 14) **State and Federal Local funding Obligations:** Projects programmed in programmed in Federal Fiscal Year (FFY) 2019/2020 were fully obligated according to Caltrans Local Assistance. Beginning October 1, 2020, agencies can move forward with request for authorization (RFA) for Congestion Mitigation Air Quality (CMAQ), Surface Transportation Block Grant program (STBG) programmed in FFY 2020/2021. Other state funding also included in the Federal Transportation Improvement Program (FTIP) include the Active Transportation Program (ATP).
- 15) **State Legislation for Transportation Funding – SB 1 Road Maintenance and Rehabilitation Account (RMRA):** *According to the California League of Cities, overall local streets and roads allocations to cities and counties from the Highway Users Tax Account (HUTA) and the Road Maintenance and Rehabilitation Account (RMRA) are projected to climb 14.8% in the current fiscal year, 2021-22, above last year, reflecting a rebound*

from peak impacts of the pandemic in 2020. For the budget year 2022-23, allocations are projected to grow 10.8% over the current year. This presumes that if the scheduled July 1 cost-of-living fuel tax increase is suspended, the Legislature will backfill any revenue impacts to local governments as leaders have pledged. The estimates are based on new statewide tax revenue estimates released by the California Department of Finance with the Governor's 2022-23 Proposed Budget. The county estimates were prepared in collaboration with the California State Association of Counties.

For RMRA remittance advice by cities visit: https://www.sco.ca.gov/ard_payments_rmra_cities.html

For RMRA remittance advice by counties visit: https://www.sco.ca.gov/ard_payments_rmra_counties.html

- 16) **State Legislation for Transportation Funding – SB 1 Local Partnership Program (LPP):** Local Partnership Program is comprised of formulaic program and competitive programs. The Local Partnership Formulaic Program (LPFP) funds share distributions for Cycle 3 are in the amount of \$1,549,000. Cycle 3 LPFP funds must be programmed and allocated in FY 2022-2023 and before June 30, 2023. The Program guidelines require a 50% match, project nomination forms must be collected by ICTC and submitted to the California Transportation Commission (CTC) for programming approval. Subsequently, the cities/county must submit allocation request to the CTC for use of funds. A one time extension is allowed for allocation approval by the CTC for up to 12 months. If both programming, allocation, and/or time extension is approved by June 30, 2023, funds will lapse.

ICTC staff is preparing to initiate the funding distribution discussion with member agency staff at the TAC meeting in August 25, 2022. Upon review and recommendations received by TAC members, project nomination forms will be gathered and presented to the ICTC Management and Commission in the September or October meetings.

- **The Brawley Transit Corridor Brownfield Assessment:** ICTC in partnership with IVEDC received a U.S. Environmental Protection Agency (EPA) Brownfields Communitywide Assessment Grant award of \$300,000 from the Environmental Protection Agency’s Brownfields Assessment Program. This assessment is focused along the transit circulator route within the 13-mile Imperial Valley Transit’s (IVTs) Brawley Gold Line Transit Route and the Brawley Transit Center that serves as the IVTs North Imperial County transfer terminal. The commercial corridors in the target assessment area include over 100 known commercial properties and suspected historical gas station sites with known or suspected underground tanks in the target area. ICTC is the fiscal agent and has developed an MOU which will define roles and responsibilities (Audits, Administration and Project Management) of ICTC and IVEDC. SCS Engineers Tasks include the Quality Assurance Project Plan (QAPP) and project management plan as required by EPA. *As of October 19, 2022, there is a remaining grant balance of \$49,398. Of the \$49,398, \$46,159 is the remaining contract balance for SCS Engineers. IVEDC Staff provided an update at the Commission meeting on September 28, 2022.*

Memorandum

Date: December 14, 2022
To: ICTC Management and Commission Meeting
From: David Salgado, Regional Affairs Officer (RAO)
Re: Southern California Association of Government's (SCAG) Report

The following is a summary of the SCAG Executive Director's Report and/or Federal and State Legislature Staff Report for the Imperial County Transportation Commission Committee meeting for the month of December 2022.

1. SCAG 2022 ECONOMIC SUMMIT

On Thursday, Dec. 1, SCAG held the 13th annual Southern California Economic Summit at the Sheraton Grand in downtown Los Angeles. **The theme of this year's summit was "Resourcing the Region."** Southern California is uniquely rich in both natural and economic resources. Keynote speaker Calvin Gladney, from "Smart Growth America," provided great insight into the potential our region holds to meet some of our biggest challenges. Additionally, each county in the SCAG region was provided an economic update from economist's who specialize in the different areas of the SCAG region.

2. REGIONAL EARLY ACTION PROGRAM (REAP) 2.0 PROGRAM UPDATE

Since the approval of the REAP 2.0 Program Framework by the Regional Council (RC) in July, staff has continued outreach efforts to develop specific programs using the framework as a guiding document. This has included targeted outreach to the Subregional Councils of Governments to inform the development of the Subregional Partnership Program 2.0 Guidelines, engagement with the County Transportation Commissions (CTC) to better understand opportunities and define project concepts to be incorporated into CTC Partnership Program, and soliciting feedback on the program guidelines for the Connect SoCal Sustainable Communities Program (SCP) Call 4: Civic Engagement, Equity and Environmental Justice. Most recently, SCAG held a series of 20 engagement activities to refine the development of the Programs to Accelerate Transformative Housing (PATH) program through one-on-one meetings, listening sessions and presentations. These engagements allowed SCAG staff to solicit stakeholder input on the proposed focus areas and prioritization of projects.

As SCAG continues to shape the program, staff will engage stakeholders through various outreach efforts that target disadvantaged communities. Program guidelines will be brought to policy committees and the RC for approval. Key program updates to highlight include: the CTC Partnership

Program guidelines are currently available for public comment and will be recommended for approval at the Transportation Committee (TC) and RC in November 2022, after being presented to TC on Oct. 6. The PATH program is also currently available for public comment, and after being presented to the Community, Economic and Human Development (CEHD) Policy Committee on Oct. 6, will be recommended for approval at CEHD and RC on Nov. 3. The SCP Call 4 guidelines are planned to be approved by the RC in January 2023. Staff will seek authorization from the Executive Administration Committee (EAC) to submit the final REAP 2.0 program application to the state before the Dec. 31 deadline.

More information on SCAG's REAP program can be found at scag.ca.gov/reap2021.

3. SCAG Toolbox Tuesday: DECEMBER 13, 2022 - 1:00PM - 2:30PM

In January 2021, SCAG kicked off the Electric Vehicle Charging Station Study (EVCSS), partnering with 18 cities to help jurisdictions promote development and deployment of EV charging infrastructure to accelerate transportation electrification. This Toolbox Tuesday will share the resources developed and lessons learned to support cities throughout the SCAG region. This includes policy guidance around station permitting; outreach materials and findings; EV planning guides for cities and property developers; a regionwide Site Suitability Analysis to target areas for future EV charging infrastructure, and initial conceptual plans for site locations. This toolbox Tuesday will share tools to meet cities where they are, with a focus on increasing EV infrastructure in traditionally underserved and hard-to-reach communities including multi-unit dwellings (MUDs) and Disadvantaged Communities (DACs).

Toolbox Tuesdays provide training on a range of practical skills and knowledge for local planning practitioners including training in the use of technology and education for practical approaches to timely issues. All classes and webinars are COMPLIMENTARY for staff of SCAG-member local governments and other SCAG partners in Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura Counties. Private sector planners, non-profit staff, academics and students are welcome to attend.

4. Calexico “Project Roll-Out” Rockwood Promenade

As part of a SCAG Sustainability Grant award the City of Calexico is working to implement the Calexico Rockwood Ave. Promenade closure. A consultant team worked to conduct outreach and develop designs to close Rockwood Ave. between First and Second Streets in downtown Calexico to create an inviting walkable space. The project will be implemented over the coming weeks highlighting the benefits of providing an accessible safe space to convene. In addition to the promenade the City of Calexico was successful in securing a grant from Bloomberg to create incorporate an “artistic” component to the closure. The city painted a resurfaced street using a design derived from a competitive process. The promenade is set to be in place for 6 months once fully

5. Connect SoCal Committee Updates

SCAG's Connect SoCal subcommittees have been diving deeper into key topic areas to develop recommendations for the next update of the plan. In November, these three policy subcommittees — Next Generation Infrastructure, Resilience & Conservation, Racial Equity & Regional Planning — met for the third time. The meetings have included level-setting presentations, panels of outside experts and facilitated discussions with the members.

The subcommittees next and final meeting will be in January, where they will review white papers and recommendations to be submitted to the SCAG Regional Council in March.

These meetings are open to the public. The agendas and meeting materials can be found on SCAG's website. <https://scag.ca.gov/past-agendas>

Subject: **DISTRICT DIRECTOR'S REPORT**

CONSTRUCTION

1. **I-8/Imperial Avenue Interchange:** The project includes installing two ramps that will provide direct access to southbound Imperial Avenue which will provide connectivity to southern El Centro. The interchange was opened to traffic on December 21st. The community identifier installation was completed on February 8.

The contractor will continue with plant establishment and close out activities through 2023.

<https://dot.ca.gov/caltrans-near-me/district-11/current-projects/i8-imp-interchange>

2. **SR-98 Widening Project:** As part of the Calexico West POE Expansion project, SR-98 and Cesar Chavez Blvd were widened and improved to serve the expansion to the west. SR-98 work between VV Williams and Ollie Avenue was completed in March 2018, and the Cesar Chavez Blvd widening was completed in October 2019 by the City of Calexico. Construction for stage 1 of the SR-98 eastbound widening between Rockwood Avenue and Ollie Avenue was completed in mid November. The construction of Stage 2 (westbound SR-98 from SR-111 to Ollie Ave) is estimated to begin in January

2023 after the winter holiday season. The total project cost is estimated at \$8.2 million.

3. **SR-111 Niland Geyser/Mud Pot:** The SR-111 Niland Geyser/Mud Pot continues to be active. Another smaller active caldera appeared a few feet to the north-east of the original and is expanding in size. Water from the original caldera, continues to erode the edge of the existing SR-111. Water from the Mud Pot continues free-flowing through the remaining subsurface drainage installed in 2019. The original temporary detour road was opened to traffic in August of 2020. Due to the Mud Pot's unpredictable change in direction, a revised detour was required. The revised detour was completed on April 30, 2021. The detour will remain in place as the mud pot moves beyond the original freeway. <https://www.youtube.com/watch?v=Ek1buV2HA68>
4. **I-8 Colorado River Bridge Rehab:** This project is located near the Arizona border on I-8. The scope includes replacement of bearing pads, portions of the concrete pavement on the bridge deck and approach slabs. Part of workfootprint straddles the California/Arizona border. Detours are expected and will be announced prior to commencement of work. Construction is expected to start in early 2023 and estimated completion is early 2024. The total project cost is estimated at \$11.1 million.

PROJECT DELIVERY

1. **Middle Mile Broadband Initiative:** In July 2021, Governor Gavin Newsom signed into law Senate Bill 156 to create an open-access middle-mile network to bring equitable high-speed broadband service to all Californians. Caltrans D11 is working with the California Department of Technology (CDT) to deliver middle mile broadband projects in Imperial County along state routes. Currently, CDT has approved segments on SR78, SR86, SR111 and SR115 totaling in 178 miles of middle mile broadband deployment. Caltrans has begun design work for these segments. The total capital cost for construction is estimated at \$62.3 million and target completion date is December 2026.
2. **Clean California Projects:** District 11 will be delivering projects funded by the Clean California Grant Program. They include bus shelter improvements in Niland(SR111), and bus shelter installations in Calipatria(SR111), Brawley(SR86) and Holtville(SR115). Additionally, median island improvements in El Centro(SR86) and a gateway beautification project at SR-7/Nina Lee Rd just north of the Calexico Port of Entry are also included as part of this effort. The projects are expected to be completed by July 2023. Below is a conceptual rendering of the gateway sign.

3. **I-8, SR-78 Bridge Rehab at Various Locations:** The project scope includes 4 bridge locations on I-8 at Brock Research Center Rd, All American Canal (left/right) Bridges and at Winterhaven Dr/4th Ave. The 2 locations on SR-78 are at Palo Verde Drain and Palo Verde Outfall bridges near Palo Verde. The project is currently in design and is expected to go out to bid in fall 2022 with construction estimated to start in early 2023. Total estimated cost is \$13.2 million.
4. **SR-186 All-American Canal Bridge:** This project proposes to construct a new bridge over the All-American Canal (AAC). The new bridge will improve safety and better facilitate international and interregional movement of people, goods and services. A 2019 feasibility study proposed 8 alternatives including a no-build option. The following stakeholders have been identified, Fort Yuma Quechan Indian Tribe, US BIA, US BOR, IID, International Boundary and Water Commission, County of Imperial, Union Pacific Railroad and US GSA. *Project Milestones: Project Approval/Environmental Clearance 6/2024. The Anticipated funding fiscal year for construction is 2025/26.*

MAINTENANCE AND TRAFFIC OPERATIONS

1. El Centro Traveled Way Crew – Sweeping I-8/SR111, joint sealing SR111, storm damage repair I-8, crack sealing SR98

2. El Centro Functional/Marking Crew – Sign/landscape maintenance, striping and sign maintenance, pavement marking refresh SR98 - Kloke Rd

3. Midway Traveled Way Crew – Crack sealing SR98, storm response/repairs, guardrail repair I-8/4th Ave

4. Brawley Traveled Way Crew – Sweeping/brush control, SR78 clearing washes, storm response/repairs, fog sealing and striping on SR78 east of Brawley

5. El Centro Clean CA Crew – Litter control/landscaping activities SR86 south of Legion Rd

6. **SR-86/Customs & Border Protection Checkpoint Expansion:** AECOM has submitted a revised concept plan with a standard acceleration lane from the secondary inspection facility and it has been approved. AECOM is expected to submit revised design plans with the approved concept soon. The environmental studies are being prepared by ICTC and will soon be sent for review. Caltrans will assist ICTC in coordinating upcoming meetings.

An environmental document as well all other appropriate studies will be needed to finalize the project. A series of permits will be required for existing traffic control at the checkpoint, for the inspection operations and equipment within the facility, and for a temporary checkpoint while the project is in construction. A new Freeway Maintenance Agreement will be required for the portion of the existing canopy that is within Caltrans ROW.

PLANNING AND LOCAL ASSISTANCE

1. **Project Study Report: Forrester Road Improvements** - This study will propose improvements to Forrester Road from I-8 to the SR 78 intersection in the City of Westmorland. This is a critical goods movement corridor that handles a high volume of interregional and local agricultural trucks and anticipated volumes will continue to increase. Caltrans and ICTC are preparing a PSR spearheaded by a Technical Working Group (TWG) that includes the County of Imperial, the Imperial Irrigation District (IID), and the cities of El Centro, Westmorland, Imperial, and Brawley. To address the needs of this corridor, likely improvements will include shoulder widening, passing lanes, intersection improvements, multimodal elements, and a bypass to the city of Westmorland.

2. **Local Assistance:**

Clean California Local Grant Program - Cycle 2

The California Department of Transportation (Caltrans) developed the Clean California Local Grant Program through which funds will go to local communities to beautify and improve local streets and roads, tribal lands, parks, pathways, and transit centers to clean and enhance public spaces.

SUBJECT: Calexico East Port of Entry Bridge Widening Project – Contract Change Order No. 1

Dear Committee Members:

The U.S. Department of Transportation awarded the Imperial County Transportation Commission (ICTC) a 2018 Better Utilizing Investment to Leverage Development (BUILD) grant in the amount of \$20 million for the Calexico East Port of Entry Bridge Widening project. The Project is widening the existing Calexico East Port of Entry (POE) Bridge over the All-American Canal at the USA/Mexico Border to facilitate traffic flow to the existing U.S. federal primary inspection booths, and to reduce delays, idling times, and improve air quality emissions.

- The Project will widen the Bridge on its east side to minimize traffic impacts during construction and reduce construction costs.
- The project will add four northbound lanes: two commercial vehicle lanes and two passenger vehicle lanes
- The existing northbound pedestrian walkway will be shifted to the west to facilitate the addition of the two new northbound passenger vehicle lanes.
- The Project will also add new concrete barriers and minor modifications to existing landscaping, drainage, signage, and lighting.

The project is being funded by a \$20 million BUILD award, \$7.5 million TCEP Cycle 2 award, and Local Transportation Authority 5% Regional Highway Set-Aside funds in the amount of \$1,844,000. The project funds are being utilized to complete environmental, design, construction management/resident engineering, material testing and construction efforts. The current committed project cost consists of:

Design/Construction – Hazard Construction	\$20,005,000
Construction Management/Resident Engineering – Jacobs Engineering	\$2,956,458
<u>Material Testing – Atlas/Sierra Material Testing</u>	<u>\$557,683</u>
Total Project Cost	\$23,519,141

**CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND,
IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL**

The core elements of the project design were developed based on the project study report prepared for the project. It was anticipated that during the project design development that existing infrastructure would be required to be relocated or adjusted because of the project improvements.

ICTC participates in weekly and bi-weekly meetings with various members of the project team including the contractor, resident engineer, Customs and Border Protection (CBP), the General Service Administration (GSA) and various other key stakeholders.

During the project development it was identified that additional services would be required to retrofit the existing joint opening between two sections of the existing bridge. The existing joint opening is in poor condition and allows for water seepage into the existing bridge structure during rain events. ICTC requested a cost proposal from Hazard Construction to complete the construction efforts for change order no. 1. Change Order No. 1 also includes a credit for the removal and replacement of the existing bearing pads that are a component of the existing bridge structure. The existing bearing pads were assessed by the project team including ICTC structural engineering team, GSA and Caltrans. It was determined that the existing bearing pads were in good condition and did not need to be removed and replaced.

Change Order No. 1 consists of construction efforts primarily related to removal of initial scope of work items and additional rehabilitation efforts. The following are the items that are included in Change Order No. 1.

1. Removal of the construction efforts and materials for the replacement of the eighteen (18) existing bearing pads. Value of \$130,000.00 credit since the SOW has been removed from the project.
2. Clean and replace the existing joint seal between existing bridge sections 1 and 2. Value of \$34,400.00 cost increase to the project.

ICTC and Hazard construction negotiated the cost for the change order and agreed to the recommended cost decrease of \$95,600.00. The change order decreased value is comprised of a \$130,000 credit and a \$34,400 expense. ICTC has forwarded the proposed change order to FHWA for approval and concurrence.

The total revised for the design/build contract would be \$20,046,290.00. The proposed change order fee has been budgeted in ICTC FY 22/23 Budget. The proposed change order cost is within the existing funding threshold and no additional financial impact is anticipated.

It is requested that the ICTC Management Committee forward this item to the ICTC Commission for their review and approval after public comment, if any:

1. Approve Change Order No. 1 to Hazard Construction Company for the Calexico East Port of Entry Bridge Widening Project in the amount of (\$95,600.00) modifying the total contract value to \$20,046,290.00.
2. Authorize the Executive Director to sign Change Order No. 1.

Sincerely,

David Aguirre
Interim Executive Director

SUBJECT: Calexico East Port of Entry Bridge Widening Project – Contract Change Order No. 6

Dear Committee Members:

The U.S. Department of Transportation awarded the Imperial County Transportation Commission (ICTC) a 2018 Better Utilizing Investment to Leverage Development (BUILD) grant in the amount of \$20 million for the Calexico East Port of Entry Bridge Widening project. The Project is widening the existing Calexico East Port of Entry (POE) Bridge over the All-American Canal at the USA/Mexico Border to facilitate traffic flow to the existing U.S. federal primary inspection booths, and to reduce delays, idling times, and improve air quality emissions.

- The Project will widen the Bridge on its east side to minimize traffic impacts during construction and reduce construction costs.
- The project will add four northbound lanes: two commercial vehicle lanes and two passenger vehicle lanes
- The existing northbound pedestrian walkway will be shifted to the west to facilitate the addition of the two new northbound passenger vehicle lanes.
- The Project will also add new concrete barriers and minor modifications to existing landscaping, drainage, signage, and lighting.

The project is being funded by a \$20 million BUILD award, \$7.5 million TCEP Cycle 2 award, and Local Transportation Authority 5% Regional Highway Set-Aside funds in the amount of \$1,844,000. The project funds are being utilized to complete environmental, design, construction management/resident engineering, material testing and construction efforts. The current committed project cost consists of:

Design/Construction – Hazard Construction	\$20,046,290
Construction Management/Resident Engineering – Jacobs Engineering	\$2,956,458
<u>Material Testing – Atlas/Sierra Material Testing</u>	<u>\$557,683</u>
Total Project Cost	\$23,519,141

**CITIES OF BRAWLEY, CALEXICO, CALIPATRIA, EL CENTRO, HOLTVILLE, IMPERIAL, WESTMORLAND,
IMPERIAL IRRIGATION DISTRICT AND COUNTY OF IMPERIAL**

The core elements of the project design were developed based on the project study report prepared for the project. It was anticipated that during the project design development that existing infrastructure would be required to be relocated or adjusted because of the project improvements.

ICTC participates in weekly and bi-weekly meetings with various members of the project team including the contractor, resident engineer, Customs and Border Protection (CBP), the General Service Administration (GSA) and various other key stakeholders.

During the construction efforts, differing site conditions were identified that required adjustments by the contractor. It was required to complete over excavation efforts to remove an existing fiber optic cable within the project site. The fiber optic cable was not identified in the existing project documentation. In addition to the unforeseen over excavation and fiber optic cable removal, it was required to remove portions of the existing sheet piles that were in conflict with the new abutment 1 footing. ICTC requested a cost proposal from Hazard Construction to complete the construction efforts for change order no. 6.

Change Order No. 6 consists of construction efforts primarily related to unforeseen construction efforts. The following are the items that are included in Change Order No. 6.

1. Over excavation and removal of an existing fiberoptic cable at south abutment 1.
2. Removal of existing sheet piles in conflict with the new abutment 1 footing.

ICTC and Hazard construction negotiated the cost for the change order and agreed to the recommended cost increase of \$2,961.53. ICTC has forwarded the proposed change order to FHWA for approval and concurrence.

The total revised for the design/build contract would be \$20,049,251.53. The proposed change order fee has been budgeted in ICTC FY 22/23 Budget. The proposed change order cost is within the existing funding threshold and no additional financial impact is anticipated.

It is requested that the ICTC Management Committee forward this item to the ICTC Commission for their review and approval after public comment, if any:

1. Approve Change Order No. 6 to Hazard Construction Company for the Calexico East Port of Entry Bridge Widening Project in the amount of \$2,961.53 modifying the total contract value to \$20,049,521.53.
2. Authorize the Executive Director to sign Change Order No. 6.

Sincerely,

David Aguirre
Interim Executive Director
